Singularly, "Jakey" Hewitt, the clever south paw, originated near Hickman's home, and also acquired fame with the West Virginia University, whose ball tossers he pitched to an unbroken string of victories in 1895. Then Pittsburgh got him, afterwards farming him out to Grand Rapids. He joined New Custle last summer. He is in better shape this year, and his left arm has given the leaders much of their present boost. With good support he is at his best, Like "Farmer" Brown, last year with New Castle, and also of the same birthplace, Hewitt and Hickman, rejoice in the cognomers of "Farmer."

The work of Pitcher Hickman in the third inning of yesterday's game was remarkable. He struck out three Nailers in succession, retiring the side. The victims of this phenomenal bit of twirling were Messett, Easton and Taylor.

Wheeling won the opening garthe Island grounds, with the New Cas-ties, yesterday, through sheef good luck. New Castle fielded a better game and hit the ball three times as hard, but the Natiers were fortunate enough to profit by a bunching of hits a base on balls and an error, in the fening, which gave them four runs and

Hickman was on the slab for the leaders, and he pitched the best game seen on the Wheeling grounds this season. Up to the seventh inning the lo-cals had been able to connect with his delivery only twice. Even with the seventh, the total number of hits for the game was only five, all of them singles. Coyle was in the box for the home team and was hit safely twelve times, with a total of fifteen bases. Here of the hits being two-baggers. In the second, third and fourth innings. Coyle was touched up hard and often, but after that he kept the hits well scattered and no runs resulted. A feature of the game was the great game Taylor put up at short field. caught in the opening Wheeling game at New Castle, and for that reason the game has been protested by the Wheel-ing management.

President Power, of the Inter-state, has notified the Wheeling management to pay the Youngstown club the full guarantee for the game on Tuesday of last week at Wheeling, stating that three innings were played. This is a mistake, which Mr. Power will readily see by examining the official score sent him immediately after the game. Only two innings were played and Youngstown was entitled only to what it gotthe rain guarantee.

To-day is ladies' day, and it would not be surprising to see a large delega-tion of the fairsex at the park this after-noon. Easton or Campbell will pitch for the Nailers, and Smith or Lipp will be in the box for the visitors.

Wheeling wants two of three in this series. The clubs now stand even, each naving won two and lost two.

The general verdict was that the Naliers are just as fast or faster than the leaders.

It is about a year ago since Charley Hickman, who was in the box for New Castle yesterday, energed from the wilds of Morgantown, to catch for the West Virginia University team. The students had seen him catch for the rural rine of Morris X Roads, and induced him to sign as buckstop. The University pitcher didn't come up to the expected standard, and in the second game of the season Hickman asked to be allowed to jitch. He had nothing but a swift, straight ball, but it won games for the students until last June, when Carnesie Athletic Club, of Bruddock, signed the young mountaineer, for he reached his majority, only a month ago. In the fall he drifted to New Castle, and his work with the Yanegam this year bids fair to become the stick.
