

## HAVE NO CASE.

Confounding Croakers by Facts of the Situation.

## MISERY LOVING PREACHERS

Discredited by the Truth in Regard to a Conservative Revival in all Trades and Industries—Partisan Journals who Wilfully and Maliciously Pervert the Status of Business Affairs—A Healthy Recovery from the Late Depression Steadily Going On.

Philadelphia Inquirer: The Bradford Sunday Herald insists that the "business depression is daily growing greater and more burdensome." The 217 notes of business resurrections, new enterprises, etc., gathered in six weeks by the Inquirer from the columns of Pennsylvania newspapers are meaningless to that journal. The Lancaster Intelligencer clings to its theory that "industrial activity is at its lowest possible point." A thousand resurrections in Pennsylvania alone would not change its mind. The Doylestown Democrat, the Harrisburg Patriot, and a few other free silver or free trade organs echo this refrain with some slight modification. The Pittsburgh Post has seen the error of its ways and now admits a brightening of the industrial horizon. The Philadelphia Record does the same. But the two latter, with the Millintown Democrat and Register, are the only cheerful voices in the Democratic chorus of the state.

It is with infinite satisfaction that the Inquirer again addresses itself to the Democratic croakers, not strictly with a view to convincing them, for the age of miracles is past, but for the purpose of asking them to consider a few more facts gathered from many sources, if the power of thought still remains to them. Again it rests its argument upon the newspapers published in the various counties of the state, the best chroniclers of events in their respective localities, the best judges of whether their reports are truthful or false. It has never occurred to the Inquirer to call three-fourths of the Pennsylvania newspapers wilful and deliberate liars. That splendid service was left to the several journals, which, closing their eyes to events in even their own towns, still held that there was no improvement in the situation. But we will waive all that now and let the Pennsylvania newspapers speak for themselves. Here, in condensed form, is what we have learned from them in less than two weeks:

The Union Switch and Signal Company has received orders for rail equipments that will keep it busy all through July and will start its plant at Swisshaven on full time to-morrow morning, with three hundred men employed.—Greensburg Tribune.

The Pittsburgh & Lake Erie Railroad Company is running a branch track from its line at Bellevue to the old Johnson farm in Rostraver township. The J. H. Summers Coal Company has purchased a large tract of coal land in that township, and will open up a plant equipped with modern steel tipple. It will also build a number of new houses at the new works.—Greensburg Press.

An order which is so general as to include about all the large operating companies in the upper valley of the Lackawanna, and which has put the mines on a five-day per week schedule, has gone into effect. For over two months the working average has been but two or three days per week. The mines from Pittston to Carbondale began increasing their output yesterday and to-day in response to the general order.—Scranton Dispatch.

A coal deal was closed up here last week by which the title to coal under seven farms in Cumberland township, was transferred to Uniontown parties. It will be developed at once.—Waynesburg Republican.

Nypaon officials report the increase in freight business as steadily improving. Several additional crews have been put on the road, and the men are getting in about all the time they can stand.—Meadvale Tribune.

Notice has been issued from the office of Potts Bros., Pottstown, that the two mills of the company will resume full operations on double turn, next Monday. The works have been idle for some time.—Pottstown Dispatch.

The Bedford Shoe Company of Carlisle, has made and sold 23,000 more pairs of shoes this season than ever before.—Harrisburg News.

The coal traffic on the Buffalo, Rochester and Pittsburgh road at the present time is enormous, and the train crews are kept busy handling the cars.—Bradford Era.

Cigar making is booming in this place. The hands in a number of the shops are working on full time, and the Sentinel heard a manufacturer remark a few days ago that he would put ten new men at work at once if he had them.—Manheim Sentinel.

The work on the Pittsburgh, Beasmer and Lake Erie Railroad at this place is being pushed through with all possible haste. During the past week the company has awarded several large contracts.—Exchange.

The town may now boast of another blast furnace, the like of which is not equalled in the whole country. The process of blowing in the furnace occurred on Monday afternoon. The company intends to erect two more furnaces of the same pattern in Duquesne, work upon which will be commenced in the not far distant future. Another evidence of an improvement in business conditions is contained in the fact that the freight traffic is picking up on the P. V. & C. Railroad.—Duquesne Observer.

Within the past four months the business of the Baltimore & Ohio Railroad has improved to such an extent that the receivers have ordered 4,000 box cars, five hundred coal cars, twenty freight and five passenger locomotives from the Baldwin Locomotive Works, and fifteen freight locomotives from the Pittsburgh Locomotive Works.—From an official circular.

The Douglas Coal Company, at Douglas station, on the Pittsburgh, McKeesport and Youghiogheny Railroad has sold its equipment to J. C. Pierce, of Blytheville. This mine has been idle for over a year. It will be put in full operation in a few days, giving employment to sixty miners.—West Newton Telegram.

The three-story mill building on Main street, formerly occupied by Mr. Montague, as a yarn spinning mill, which had the machinery all taken out some time ago and has been unoccupied ever since, has been leased by Mr. C. R. Simister to Mr. S. A. Wood, who will equip the mill with the most improved worsted machinery for the spinning of worsted yarn and will give work to a large number of employees. The machinery will begin to arrive to-day.—Man-sunk Advance.

The East Lebanon Iron Mills, at Lebanon, lately destroyed by fire, have resumed operations under a temporary structure, giving employment to two hundred and fifty men. The works are running on double time.—Lebanon Dispatch.

The two large boilers for the Nazareth Electric Light Company arrived last week and will immediately be put in position, after which the second building of the company will be erected.—Bethlehem Times.

Aultman, Miller & Company will make more mowers and reapers this year than for a long time. Over 10,000 machines have been sold this season and orders are still coming in. Graft Stove Works, which has been idle, has resumed operations.—Erie Dispatch.

The plate mill of the York Rolling Mill will be put in operation this morning.—York Gazette.

After several weeks' idleness the Republic Iron Works, on the South Side, Pittsburgh, were started Monday. The Ohio River Sheet and Tinplate Company at Remington Station, recently completed the erection of an additional mill, which now gives it a two-mill plant. The company reports plenty of orders on hand and will keep its plant in full operation.—McKeesport Times.

An industrial revival along the Monongahela Valley has started. Both the Edgar Thomson and the Homestead Steel Works resumed this evening, all departments running full. The Duquesne Steel Works, which has been manufacturing billets, commenced on night on rails. Enough orders are on hand to keep these plants working day and night for the year. At Braddock the Pittsburgh and the Rankin Wire Works are in full operation. The Duquesne Bureau is on full time, for the first time in two years. At McKeesport the National Tube Works put in operation additional departments today and the Deewe's Wood Company will start up in a few days.—Pittsburgh Dispatch.

There have been moments when The Inquirer feared that it had perhaps erred in declaring that times must be improving in Pennsylvania, and who can blame it? The mills were opening one after another, the furnaces were rapidly being blown in, the railways, under the stimulus of increased earnings, were laying new lines or improving old ones; the men on quarter time were being put on half time, those on half time were forced to work full time, some were even obliged to toll extra hours, but what do these things indicate except that "business depression is daily growing greater"? If the mills had closed and the soup houses had opened we would have known that the "good old Democratic times" were with us still. But how could anybody be certain when every county gave evidence of renewed activity? Taking their cues from the Doylestown Democrat, which recently ridiculed an item showing more activity in a lumber county, the croakers will no doubt ridicule some of the above notes, but they will convince no one by such folly. The items are typical of the counties which they represent, and mean work for labor and profit for capital in every case.

Again we say that the croakers' case is gone.

## HOT WEATHER DYSPEPSIA.

Thousands Suffer From It at this Season of the Year.

Hot weather dyspepsia may be recognized by the following symptoms: Depression of spirits, heaviness and flatness in the stomach after meals, loss of flesh and appetite, no desire for food, taste in the mouth, especially in the morning, wind in stomach and bowels, irritative disposition, nervous weakness, weariness, costiveness, headache, palpitation, heartburn. It is a mistake to treat such troubles with "tonics," "blood purifiers," "cathartics," "pills," because the whole trouble is in the stomach. It is indigestion or dyspepsia and nothing else.

All these symptoms rapidly disappear when the stomach is relieved, strengthened, and cleansed by Stuart's Dyspepsia Tablets. They should be taken after meals and a few carried in the pocket to be used whenever any pain or distress is felt in the stomach. They are prepared only for stomach troubles.

Stuart's Dyspepsia Tablets are endorsed by such physicians as Dr. Harlandson, Dr. Jenkinson, and Dr. Mayer, because they contain the natural digestive acids and fruit essences which when taken into the stomach cause the prompt digestion of the food before it has time to ferment and sour, which is the cause of the mischief.

Stuart's Dyspepsia Tablets are pleasant to take and unequalled for invalids, children and every person afflicted with imperfect digestion. It is safe to say they will cure any form of stomach trouble except cancer of the stomach.

Nearly all druggists sell Stuart's Dyspepsia Tablets, full-sized packages at 50 cents. A book on stomach troubles and thousands of testimonials sent free by addressing Stuart Co., Marshall, Mich.

## DR. GREER DECLINES HONOR.

He Declines Not to Accept the Office of Bishop Coadjutor.

PROVIDENCE, R. I., July 8.—The Rev. Dr. David H. Greer, of New York, has declined to accept the office of Bishop Coadjutor for the Diocese of Rhode Island in a letter now in the hands of the Rev. Dr. Locke, of Bristol, who presided at the diocesan convention last month, when Dr. Greer was elected. In his letter Dr. Greer says:

"After a full and careful consideration of the subject, I am compelled, very reluctantly, to decline the invitation which has been extended to me.

"It is not without great difficulty that I have reached this decision, and the difficulty has been enhanced. I have no hesitation in saying, by my strong personal affection for the people in Rhode Island. In attempting, however, to ascertain what I ought to do, I felt that all my personal considerations must be eliminated and put aside and that I must look at the question that had come to me simply as a question of duty, and that is what I have tried at least to do. But even then I found it a very perplexing question, with the conflict in it of duty against duty, drawing me first in one direction and then again in another, with strong and urgent reasons on both sides.

"What those reasons are, it is not necessary to state, but I will ask you to believe that it is only after a very careful and I hope conscientious, weighing, and balancing of them, with no other purpose than to know and do my duty, that I have reached the above decision. And, having reached it, I feel that it is my further duty to at once inform you of it."

WHISKERS that are prematurely gray or faded should be colored to prevent the look of age, and Buckingham's Dye excels all others in coloring brown or black.

## ITCHING

"For fifteen years my daughter suffered terribly with inherited Eczema.

She received the best medical attention, was given many patent medicines, and used various external applications, but they had no effect whatever. S. S. S. was finally given, and it promptly reached the seat of the disease, so that she is cured sound and well, her skin is perfectly clear and pure, and she has been saved from what threatened to blight her life forever." E. D. Jenkins, Lithonia, Ga.

S. S. S. is guaranteed purely vegetable, and is the only cure for deep seated blood diseases.

Bottle free; address, Swift Specific Company, Atlanta, Ga.

## ECZEMA

NOT only piles of the very worst kind can be cured by Dr. Witt's Witch Hazel Salve, but eczema, eczema, burns, bruises, boils, ulcers and all other skin troubles can be instantly relieved by the same remedy. Charles R. Goetz, Market and Twelfth streets; Chatham Bldg., Forty-sixth and Jacob streets; A. E. Schreier, No. 607 Main street; E. L. B. List, Druggist, Wheeling, W. Va. & Co., Heidenort.

Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centers in the stomach, gently stimulates the Liver and Kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 60c or \$1.00 per bottle, at Logan Drug Co's Drug Store.

NOT only piles of the very worst kind can be cured by Dr. Witt's Witch Hazel Salve, but eczema, eczema, burns, bruises, boils, ulcers and all other skin troubles can be instantly relieved by the same remedy. Charles R. Goetz, Market and Twelfth streets; Chatham Bldg., Forty-sixth and Jacob streets; A. E. Schreier, No. 607 Main street; E. L. B. List, Druggist, Wheeling, W. Va. & Co., Heidenort.
