## THE EPWORTHIANS

### Of Wheeling are Making Excellent Progress in the Work of PREPARING TO ENTERTAIN

THE MULTITUDE OF CONVENTION VISITORS EXPECTED HERE IN JUNE—TWELVE HUNDRED VISITORS' QUARTERS ARRANGED FOR ALREADY—TWO THOUSAND DELEGATES ARE EXPECTED—THE FINANCE COMMITTEE MEETS WITH ENTIRE SUCCESS.

Preparations for the coming interstate convention of church workers who have enrolled themselves under the Epworth League standard are being made with rapidity and entire thoroughness by the local committees having the affair in charge. It now seems assured that at least 2,000 delegates will be here from all points in Pennsylvania, Maryland, District of Columbia and West Virginia. Already the committee on entertainment has made arrangements for quarters for 1,200 delegates, and it is not anticipated that any difficulties will be encountered in having a sufficient number of homes in the city and surrounding towns opened to accommodate all of the visitors.

The finance committee met last evening at the Fourth Street M. E. church, and a fine showing was made. It was reported that \$1,000 of the \$1,200 which the committee started out to raise had been pledged, and it is believed the entertainment by local houses yet to come off will more than make up the \$200 needed. The committee on decoration reported having visited the business men of the city, and without exception had met with a hearty response. Many of the merchants promising to decorate their places of business lavishly and with the Epworth's Maltese cross in white and red the prominent figure. The committee has also arranged for several arches across the principal streets. The central committee has finished the work of appointing the several sub-committees, the last to be appointed being those on convention post-office, baggage and headquarters. The finance committee also named the ushers for the convention tent, and selected a chorus of one hundred voices which will furnish music during the convention sessions.

### INSULTED THE FLAG.

A Marshall County Teacher Required to Give an Apology. Marshall county citizens are worked up over the unpatriotic utterances of a school teacher in the presence of his pupils. The teacher made uncomplimentary remarks about the flag, but the incident appears to have been kept in the dark until a few days ago, when the school board of Sand Hill district took the teacher to task, and demanded an apology from him, which he gave. His apology, however, in no wise in the remotest sun of the indignation his remarks aroused in the minds of the citizens in general, and demands for his resignation will be made.

With the exception of a few people the teacher's unpatriotic utterances were not known until the communications between him and the district school board were published by the board's request in the Mountain Herald yesterday, and then strong words were heard on every hand, particularly in Union district, the members of whose board of education said that had R. A. Teagarden insulted his country's flag while he was in their employ no apology would have been accepted.

### "BATTLE OF MANILA"

In Fireworks to be Presented in Wheeling Early in June. "The Battle of Manila" and "The Blowing up of the Maine" to be given at the Wheeling base ball park, Tuesday evening, June 7, will be the greatest exhibition of fireworks ever displayed in this country. In a letter to the New York Journal, published in reference to his opening performance of "The Battle of Manila," to be presented at Manhattan Beach on the night of Decoration day, said: "I can confidently assert that 'The Battle of Manila' will be the most elaborate exhibition of fireworks ever seen in this or any other country. I regard it as a masterpiece in the pyrotechnical line. In this my latest work, I have sought not only to amuse, but to instruct. Admiral Dewey's achievements in Manila have been faithfully reproduced. It is a realistic study of the most famous battle since Trafalgar. The scene shows the harbor of Manila and the famous battery of Cavite with the famous arsenal. The American and Spanish squadrons will be seen in full action, and the firing will be terrific. A realistic fire arena depicting incidents connected with the military Dewey's storming of Fort Cavite and his annihilation of the Spanish squadron in the harbor of Manila. We intend to give a graphic portrayal of the blowing up of the 'Maine'." The management wishes to announce that by arrangements with Mr. Pain and at a very great cost they will be able to present to the Wheeling public this greatest of all fireworks displays.

AN entertainment will be given by the Epworth League of the German M. E. church, Monday night, May 30. A silver offering will be taken.

THE Mutual Fire and Accident Notification Company will commence the messenger service connected with their organization June 1. Any business man wishing for prompt district messengers will obtain the same by calling on the office of above company is at Peter Erb's livery stable.

THE local bicycle racing season will open at the Wyandotte club today under the management of Jason C. Stump.

THE PENTECOST FEAST

The Occasion of Elaborate Ceremonies at the Wheeling Synagogue. A Large Class of Commandments—Sermon by Rabbi Levy. The feast of the Shebuth, or Pentecost, was observed with the customary elaborate ceremonies yesterday morning, at the Jewish synagogue, and the services were largely attended. Confirmation was administered to a class of fifteen children, and the musical programme was especially fine. Rabbi Levy delivered a very interesting sermon on "Pentecost Responsibilities."

The services began shortly after 9 o'clock. They were of the usual form pertaining to the feast and preceded the confirmation. Contributing to the musical portion of the programme were Mrs. Lion Klee, Mr. Charles Zulauf, and Mr. S. Emerson, while the choruses were admirably rendered by the choir. Music followed by prayer opened the ceremonies in connection with the scroll.

Harry Sonnborn took the scroll out, and incidental to its reading, the introductory blessing was invoked by Ben. E. Hae. Gerson Isenberg, read at the scroll, Harry Vanbergh read the prophetic part and the prayer was rendered by Celia Morris. Edwin Kline returned the scroll to its place. The significance of Shebuth, and its commemoration of the restoration of the world Commandments, was dilated upon by Irma Kraft.

Rabbi Levy's sermon followed. The speaker from his theme, "Pentecost Responsibilities," began with a reference to the commandments as the basis of childish irresponsibilities, and looking unto themselves the armament of noble purpose, and resolve. Shebuth was then explained, and stress laid upon it being a memorable event in Jewish history, aside from the additional made to it in the past hundred years. The rabbi next said that an understanding of the covenant that Israel entered into with God, was necessary to appreciate the moral of the restoration, thence from Mount Sinai, the speaker explaining the details of covenant making.

After dwelling upon the facts in the Old Testament pertaining to the sermon, Rabbi Levy argued for a maintenance of Judaism before the world, which would insure a recognition of its worth in others. He lectured strongly against a spirit of intolerance, and said the time is past when any one people or religion could claim a monopoly of goodness. Hence it is Israel's duty to understand that other religions as well as it have a mission of their own.

Concluding, Rabbi Levy addressed some remarks to the class of confirmation, which was as follows: Irma Kraft, Lillian and Paula Feinberg, Morris, Irma Schwab, Jeannette Oppenheimer, Julia Jacob, Gerson Isenberg, Alfred Harburger, Charles Sonnborn, Edwin Kline, Mortie Kline, Bennie Haer, Isaac Pearlman and Harry Vanbergh.

THE HUB—CLOTHIERS AND FURNISHERS.

# A Customer

Asked us if we made a profit on those ten dollar Suits. We told him yes. We will never try to make you believe we are in business for fun. True, we make very little on a \$10 Suit, because we put better material, better trimming and better workmanship in them than is usually put into a suit at this price, so as to get a better suit than anyone else to sell for this money. Our \$10 Suits are more apt to be \$12.50 and possibly \$13.50 to \$15.00 elsewhere.

## Do Not Get the Impression That We Are Not Equally Strong in Finer Suits.

Ten dollars won't get the best suit made. Take our line at \$12.00, \$15.00 and \$18.00, and you'll pay from \$2.50 to \$5.00 more for their equals about town. Their beauty would give a custom tailor a conviction fit and drive him into some other business. They won't come to see them; hence there always will be tailors for those men who won't investigate either. Funny world.

Prudent mothers are making the most of the opportunities we are offering this week in our Boys' Clothing Department. Enough said. Your money back if you prefer it.
