SENSATIONAL CHARGES

Against the Management of the Topeka, Kansas, Insane Asylum. KANSAS CITY, Mo., Oct. 9.-A special to the Journal from Topeka, says: Dr. C. H. Wetmore has tendered his resignation as superintendent of the State Insane Asylum at Topeka to Governor Leedy and the state board of charities. Accompanying the resignation was a letter to the governor in which Dr. Wetmore gave his reasons for resigning. The letter tells an astounding story of alleged cruelty, inhumanity and debauchery at that institution under the present management.

The doctor tells of the deaths of patients from neglect; speaks of the alleged instances of "drunkards and incompetent placed over" the unfortunate inmates; charges that a state "joint" exists at the asylum; accuses Chairman H. G. Jumper, of the state board of charities, with being on a continual debauch for the last fifteen months, and openly charges subordinate officials with attempts to ruin pure women. These are a few of the sensational charges made in the letter, which is published in full. Dr. Wetmore declares he stands ready to prove every charge and says he can prove every more. Dr. Wetmore is an appointee of the present Populist administration.

B. & O. SOUTHWESTERN.

Rumor of a Traffic Deal With the Pittsburgh and Gulf Road.

KANSAS CITY, Mo., Oct. 9.-The Journal says: A special train carrying a number of directors of the Baltimore & Ohio Southwestern route, and some officials of the Pittsburgh & Gulf system, left Kansas City for a tour of inspection of the Port Arthur line south from the city.

The "Buckeye" railroaders are all millionaires and among the heaviest coal operators in Ohio. Each is a director in the Baltimore & Ohio Southwestern and in the Ohio Southern lines and intimately associated with the reorganized Baltimore & Ohio. There is a rumor of some traffic deal being fixed by President Stillwell, of the Pittsburgh & Gulf, during his foreign and eastern trip, in which the interests of the Port Arthur and the Baltimore & Ohio lines are grouped, and then there is another story that the trip involves the inspection and probable transfer of an immense amount of Arkansas coal land in which the Port Arthur line is deeply interested.

"For eight years I was afflicted with constipation, which became so bad that the doctors could do no more for me. Then I began to take Ayer's Pills, and soon the bowels recovered their natural action." WM. H. DELAUCETT, Dorset, Ont.

SPORT.

FOOT BALL.

The Wheeling A. C. started the season well Saturday at New Athens, defeating Franklin college to the tune of 35 to 0. Twenty minute halves were played and Franklin put up a stubborn defense, but W. A. C. was too many for them, and the score would have been higher had the locals had more practice. They were a little off in their signals, and there was the usual breaks made by any team playing together for the first time; but all things considered, they put up a brilliant game, and it will take some warm pebbles to lower the red and blue this fall.

In Saturday's game John Edwards, Sol Edwards and Cal McAninch each made two touchdowns. Captain Robert Edwards had his kicking foot in order and kicked three goals, as also did Malthis.

Pittsburg college, booked here for Thanksgiving, played P. A. C. an 0 to 0 game Saturday, and had the best of it throughout. The college team is stronger than last season, and will give W. A. C. a great scare.

TOM COOPER IN FORM.

ST. LOUIS, Oct. 9.-Tom Cooper was in snipe form to-day at the concluding day's sport of the two days' meet given at Athletic Park by the Cyclists' Racing Association, and ran Champion Eddie Bald to a dead heat in the five-mile championship, won the two mile handicap from the third mark, defeating all the crack-a-jacks, and came back in the rich Mount City handicap at a mile, winning in good time, after having just qualified in his heat. Arthur Gardner refused to compete with "Major" Taylor, the colored rider. Both had qualified in the five-mile championship, the trials of which were run off yesterday. Both Gardner and Taylor made good their determination not to compete in Sunday racing, but Bald, who had threatened to return to New York last night, decided to remain here.

Senator Hanna's Intentions.

CHICAGO, Oct. 9.-The Tribune's Cleveland, O., special says: "Senator Hanna was asked this evening whether it is true that he will not continue the management of the Republican national committee for the coming campaign. The senator said that he has no intention of resigning. Should, however, the senator decline to manage the President's campaign for 1900, it would not be because of any friction between the two, but because Mr. Hanna might be convinced that the chances of the President would be enhanced by a new manager."

Declines Her Innocence.

LONDON, Oct. 10.-According to the Daily Mail, Dr. Nancy Gilford, who so long denies that she is the midwife of Hildretpoint, Conn., but declares herself absolutely innocent of any connection with the death of Emma Gill, says that she sailed for England under an assumed name owing to "Another matter which she will explain at the proper place." She is now in the infirmary of the Holloway Jail, London, suffering from nervous prostration.

British Soldiers Dying Like Fleas.

LONDON, Oct. 10.-A dispatch to the Daily Chronicle from Alexandria says: "The troops who have returned from Khartoum are dying like flies from enteric disorders, supposed to be due to canned beef and indolence in cheap spirits."

Plangent Dreams.

It does not lie in the painter's fancy to imagine a prettier picture than that of a young girl, with her hair down, and the promise of love, half parted in the smiles of happy dreamland. The mind of happy maidenhood is a clear and polished mirror, which, when the wits go wandering into the ghoulard of dreams, reflects the impressions of waking hours. If those impressions are pleasant and painless, and happy, she will smile in her sleep. If the impressions are those of a suffering woman, tortured with the special ailments to which the feminine organism is liable, the picture is spoiled by the lines of suffering and despondency. Maladies of this nature unfit a woman for joyous and for capable motherhood. They incapacitate her to bear the burdens of life in any sphere of action. Household, marital and social duties alike are a burden to the woman who is constantly suffering from headaches, backaches, dragging sensations and weakening drains. Dr. Williams' Pink Pills for Pale People, cure positively, completely, unfailingly cures troubles of this nature. It imparts health, strength, vigor to the distinctly womanly organs. It fits for care-free, healthy maidenhood, happy wifehood and capable motherhood.

"I have a little step-daughter who had St. Vitus' Dance, which your medicine cured." -Va. Mrs. T. P. Ross, of Ford, Dinwiddie Co. Va. I spent about twenty dollars for doctor's bills and medicine, and did not do the little one cent's worth of good. We commenced giving Dr. Williams' Pink Pills for Pale People, and within a few days she was cured. Now the child is running around every where and is just as happy as ever."

BOTH FROSTY.

"Have you ever been in Iceland?"

"No, but I tried to get a political job."

At Fourth Street Church-Last Appearance of Henry W. Hughes.

A song service of especial interest took place in the Fourth Street Methodist Episcopal Church last evening, and the audience, which occupied all available space, was evidence of appreciation of the work of Mr. Bullard, the director, and a sincere tribute to Henry W. Hughes, to whose farewell appearance before a Wheeling audience was thought of in the arrangement of the programme. Mr. Hughes, under trying circumstances, sustained his position admirably, and it was with a feeling of genuine regret that the last note was heard and the truths realized that the possessor of this magnificent voice is lost to the city for some years at least.

The chorus choir delivered itself beautifully of its part, and the soloists, Mrs. Meda Dungan Morris and Mrs. Zou Hastings Frazier, kept the occasion thoroughly in accord with expectations. Rev. Soo, in a prayer fervent, expressed God's blessing on the young man about beginning his journey in order to make the most of the talent given him, and Wheelings formal goodbye to one of its most promising citizens was spoken. Mr. Hughes leaves to-day for Washington city whereafter a short stay with his family, he sails for the continent to be gone an indefinite length of time, and it is safe to say that Wheeling and the world-at-large will hear of him.

MAY BE INDICTED For the Murder of his Brother-in-law. Cincinnati's Sentinel.

CINCINNATI, Oct. 9.-When the grand jury meets to-morrow sensational developments are expected in the case of W. J. Haldeaman, charged with killing his brother-in-law and business partner, ex-Senator J. C. Richardson, of Glendale.

After they quarreled in their paper mill at Lockland and the fatal shooting occurred September 22, Haldeaman remained in concealment. Richardson died a week later and the day preceding his death Haldeaman left for Chicago. Learning that a warrant had been sworn out by Coroner Haer, charging murder in the first degree, Haldeaman returned last Tuesday and early next morning was bound over for manslaughter by his neighbor, the mayor of Lockland. He was admitted to bail and has not been seen since.

The officers of this city have never been able to serve their murder warrant, but the case will come before the grand jury for indictment for murder in the first degree, and then it will be known whether Haldeaman has really disappeared. His attorneys promise that he will surrender if indicted. Owing to the prominence of both the Richardson and Haldeaman families, the case is attracting unusual attention.

Anniversary of Parnell's Death. DUBLIN, Oct. 9.-Most of the citizens of Dublin wore the ivy leaf to-day, being the anniversary of the death of Charles Stewart Parnell. Thousands participated in the ceremonies at Glasnevin cemetery, the Lord Mayor and corporation delegates from the municipalities and all the chief towns of Ireland, in full regalia, taking part in the procession.
