#### Slight Blaze at Bridgeport.

Last night about 6:30 o'clock, the Island reef was summoned to the Hotel Main, in Bridgeport, but the blaze was extinguished before the attachments to the fire plugs were made. The fire originated in a small room on the third floor, and it was difficult to get at, owing to the smoke which enveloped the room and surroundings, but the bucket brigade finally got in its work. The cause was a defective flue and the damage was slight.

#### In the Circuit Court.

Yesterday, in the circuit court, in the case of Ann Delaplaine's administrator vs. Louis Delaplaine and others, defendants, Louis and Hulda Delaplaine, by leave of court, filed their answer to the bill of complaint.

Edward C. Flaccus vs. C. Flota, et al, receiver ordered to pay to complainant \$200.29, after deducting commissions of receiver.

James A. Henry vs. W. J. Cotts and James A. Dunsmuir, continuing. The judge against defendants to show why a writ in prohibition should not issue.

#### Gang of Juvenile Thieves.

East Wheeling has some very bad boys, judging by developments at police headquarters last night. It appears that there are two organized gangs of boys who prey on huckster and delivery wagons and then rendezvous in the vicinity of the Central gas house. A green gang, named Cook, was robbed of a large supply of his stock in trade yesterday and similar complaints have been made of late. Last night the police rounded up one gang of fifteen boys and another of seven. They were too young to be prosecuted, and Chief Clemans dismissed them with a lecture. Their depredations have been extensive, and the police effected their arrest last night by "laying" for them.

#### In Clerk Robertson's Office.

Yesterday, in Clerk Robertson's office, the following transfers of real estate were recorded:

Deed made February 9, 1899, by Winifred A. Crawley to Andrew A. Schramm; consideration, \$570; transfers interest in south one-half of lot No. 115, west side of Market square, No. 1043 Market street.

Deed made January 25, 1899, by John Boyd and wife to Hugh Boyd; consideration, \$1,000; transfers part of lots 7 and 8, in square 11, in J. & K. Baker's addition.

Deed made January 25, 1899, by John S. Halstead to Andrew Steele and wife; consideration, \$500; transfers lots 2 and 3, in section E, of Linton's sub-division in Elm Grove.

Two bills of sale for personalty were recorded.

A marriage license was issued to Edward D. Shorters, aged twenty-three, and Mary A. Wilson, aged twenty-two, of Washington, Pa.

Two ferry monthly tickets are unlimited to the number of trips.

#### Was Shy on Evidence.

Without a thread of evidence to substantiate the charge against him, C. H. Williams, a colored man, was arraigned before Squire Rogers yesterday, on a warrant sworn out by Jake Kaberlin, a clothing dealer, who alleged that Williams had entered his store and taken the sum of \$8.00. The complainant suspected Williams because the latter was in the store during the day and his suspicious minus contents have been made him pay the costs, the case being dismissed.

## MRS. SULLIVAN'S DEATH.

She was a Grand Daughter of Ebenezer Zane—Events of her Life Recalled—Her Testimony to Slavery. Mrs. Helena Louisa Sullivan whose death at Zanesville has been announced as the relict of Alexander Sullivan, grand daughter of Ebenezer Zane and the niece of Mrs. John W. McIntyre. She was born near Wheeling on February 16th, 1814, her parents being John Clarke and Rebecca (Zane) Clarke. Most of her long life was spent in Zanesville and was intimately connected with the development of the city from a small village. She was a member of Second Street M. E. church for sixty years, and worshipped in four different tabernacles erected on the same spot. Possessed of a fair mind and with great dignity and nobility of character, she was an ornament to church and society.

To the close of her life she was connected with the Ebenezer Society and a friend to the poor. Her ear was always open to the cry of the needy in her locality. She was one of the original board of managers of the Children's Home, and at her death was the only one of the original board still in active service.

She was a member and took an active part in the Ebenezer Society and the Daughters of the Revolution, and a frequent attendant of the meetings of the Muskingum County Horticultural Society.

In her infancy and youth she was nursed by an old and faithful slave, "Daddy Sam," who belonged to Col. Ebenezer Zane, and who served with him in the defense of Fort Mifflin, at Wheeling in its five sieges by Indians and British soldiers. She was also a resident for a year in the house of Ebenezer Martin, at Martin's Ferry, where she frequently met her great aunt, Elizabeth Zane, of "powder carrying" fame.

When about seven years of age, standing in the Ebenezer cemetery, the home near Wheeling, she saw a group or string of slaves passing along the Wheeling road going west on their way from Virginia to Kentucky, and then down the river to the mouth of the Ohio. She numbered about three hundred and walked in double file with a strong rope passing between each two and to which the negroes were attached. She saw men bareheaded, were tied by their wrists. At intervals armed drivers on horseback rode beside them. A strong feeling of pity and repulsion to the institution of slavery possessed her, and her sympathetic heart from that moment.

In 1837 she went to Zanesville to visit her aunt, Mrs. Sarah Young, wife of Rev. David Young, wife of John McIntyre and daughter of Ebenezer Zane. Here she met and married Alexander Sullivan.

A very successful revival has just closed at the Christian church in Canton. The meeting continued three weeks and resulted in fifty additions to the church. In the early part of the meeting the weather was not favorable, but the interest gradually increased until at last the audience could not be comfortably seated for lack of seating capacity. The meeting closed because the pastor, who had done all the preaching except on three evenings, was unwell. On the last night of the meeting there were eight confessions, with increased interest. The new church edifice was dedicated on New Year's day, and since that time the Lord has blessed the church with an increase of 50 per cent.

The Wheeling Methodist Preachers' Association will meet Monday at 1 p. m. instead of the regular hour, 2 p. m., at the Fourth Street M. E. church.

At the First Presbyterian church, the pastor, Dr. Cunningham, will preach at 10:30 a. m. and 7:20 p. m. All the other services at the usual hours.

Wheeling lodge No. 28, B. P. O. Elks, will attend service at St. Andrew's P. E. church, Forty-second and Jacob streets, Sunday evening at 7:30 o'clock.

To-morrow there will be preaching at Zane Street M. E. church, by the pastor at 10:30 a. m.; Sunday school at 2 p. m.; love-feast at 6:30 p. m. Rev. A. Moore will preach at 7:30 p. m., after which will be the communion service.

The services of the English Lutheran church on Sixteenth street, will be conducted by the pastor, Rev. Samuel Schwarm. The subjects will be appropriate to the Lenten season and vital to the salvation of the soul. A cordial invitation is extended to all, and especially to non-church goers. The pews are all free. A three weeks' series of special services will be held in this church prior to Easter. The pastor expects the help of some neighboring pastors.

## FOUR BOXES DID IT.

Remarkable Success of a New Pile Cure.

People who have suffered for months or years from the pain and inconvenience of that common disorder, piles, will look with skepticism upon the claims of the makers of the new discovery for a cure of all forms of piles, known under the name of Pyramid Pile Cure; nevertheless, the extraordinary cures performed by this remedy are such as to warrant the investigation of any sufferer. As a case in point the following letter speaks for itself.

Mr. Henry Thomas, of sub-station No. 3, Hasagok Ave., Columbus, Ohio, writes as follows:

Pyramid Drug Co.:

Gentlemen:—I want you to use my name if it will be of any use to you. I was so bad with piles that I lost work on that account. Nothing helped me. I read in Cincinnati of the new cures of piles by the Pyramid Pile Cure and I went to a drug store and asked for it. The drug clerk told me that he had something else that he thought was better, but I told him that I wanted to try the Pyramid first.

The first box helped me so much that I tried another, and then to complete the cure used two more boxes, making four in all. I am now completely cured, and I do not fear a recurrence. I had suffered for four years with the worst kind of protruding piles.

I suffered death from piles, but I have found the Pyramid Pile Cure to be just as represented. I had recommended it to several of my friends and am thankful to be able to write you what good the remedy has done me.

Physicians recommend the Pyramid Pile Cure because it contains no opium, cocaine or mineral poison of any kind, and because it is so safe and pleasant to use, being painless and applied at night. The patient is cured in a surprisingly short time and with no inconvenience whatever.

The Pyramid Pile Cure is sold by druggists at 50 cents per package, and if there is any constipation it is well to use the Pyramid Pills at the same time with the Pile Cure as constipation is very often the cause of piles and the pills effectually remove the coactive condition. Price of Pills is 25 cents per package.

Write to Pyramid Drug Co., Marshall, Mich., for little book on cause and cure of piles; sent by mail free.

## MR. CAMPBELL'S INFLUENCE.

Ohio Valley Manufacturer: White Mr. Campbell has taken a less prominent part in public questions lately, his opinion on matters of public policy was sought by men eminent in the national councils. He was always a strong Republican, but never blind to the departures of his party from fundamental ideas of morality or integrity of purpose. He was true to his own standards of right, and being so, necessarily incurred the displeasure of his course by those whom he opposed. However, he never ceased to command the respect of all for integrity of thought and sincerity of purpose. In Wheeling Archibald Campbell's death leaves a vacuum that will for a long time be conspicuous; for in the intellectual life and public sentiment of the community his ripe knowledge and wide familiarity with the past and present of his country and nation peculiarly qualified him to voice the sentiment of the community on many important questions, as it was he, to a large degree, who has been the schoolmaster of the people and educated it along the lines of thought and opinion that crystallize into a general sentiment on public questions.

## GREAT TIME PROMISED.

The "Dokies" will initiate many Tyros Early in April—Much fun for Arabs.

Dahna temple No. 64, D. O. K. K., is to hold another ceremonial session and from the preparations now being made for the event, it will surpass all its predecessors in the way of novel and complete methods of torture that the uninitiated will be subjected to before they are declared fit to have their names added to the roster of tried and true "Dokies."

The date for the next session has been set, and it is decreed that on Dhul Kaada, 9th A. H., 1316, votaries of all temples will array themselves in their costumes of many colors, and assemble at Pythian castle where work of a most interesting nature will be essayed. Of course every "Dokie" understands the date without any explanation, but for the information of the uninitiated, the session will be held on Tuesday evening, April 11.

Already over a dozen Knights of Pythias who have as yet not taken this degree, have presented their applications to Secretary E. F. Higgins, and as this will be the only session held before the meeting of the grand lodge here, it is expected that the class will be one of the largest ever crossing the heated sands of Dahna's great and sandy desert. The usual parade and banquet will be features of the session and that there will be fun galore goes without saying.

A meeting for the purpose of electing officers and transacting other business will be held Shawwal 19th, A. H., 1316, or on Tuesday evening, March 14, at which time further preparations will be made for the April "crossing" and also for the sessions to be held during grand lodge week.

## MIRACULOUS ESCAPE.

Shocked by a Live Wire a Riverside man Falls a Great Distance.

Everett Butts, an employe of the Riverside tube works, escaped on Thursday night with a few bruises in what might have easily been an accident fatal to him. He was engaged in greasing the machinery twenty feet above the ground, and his hand grasped an electric wire overhead for support.

The insulation had previously dropped off the wire, which was consequently "hot" and he immediately fell to the floor, alighting on the broad of his back, sustaining minor bruises. The shock prostrated Mr. Butts, and Dr. A. J. who was called later than the injured man's heart action was most peculiar. Mr. Butts is confined to bed, at his home in Benwood, but he will be able to be out in a few days. His escape, considering the contents of the live wire and a fall of twenty feet, with his life, is remarkable.

## Met at the Infirmary.

The board of county commissioners met last night at the county infirmary, Elm Grove, and took an inventory of the goods and chattels of that institution. The rumor that some action was being taken on the debt, resulting from the recent Republican caucus, was incorrect. Concerning this matter, a member of the board stated last night that Mr. McCollister, the Democrat in charge of the Richmond district, would likely supply the five Republicans, and his vote will provide the necessary majority.

## Excursion Rates.

Central Passenger Commissioner Donald has called the attention of the members to the disregard of several rules applying to excursion rates.

According to the rules of the association, where a one-fare for the round trip is less than \$1.00, the one and one-third rate shall apply unless the latter rate is more than \$1. In that event, the rate should be \$1.

This rule, according to the information given out by the commissioner, is not being observed. It was intimated by passenger men to-day that this threatens to cause considerable trouble, and the commissioner is to pour oil upon the troubled waters.
