Of a suit of clothes or an overcoat is the desire of every man who wishes to be considered by his friends

A NOTABLE EVENT

In Wheeling Religious Circles is the Semi-Centennial of the

THIRD PRESBYTERIAN CHURCH

Which is to be Appropriately Observed This Evening, with Speakers Representing Other Protestant Churches in the City—Sketch of the Rapid Growth of This Church Within the Last Twenty Years.

One of the most notable events in the history of the Third Presbyterian church of this city, takes place to-night. To-day fifty years ago the Third church was organized in the Boggs' Run school house. For many years after its organization the struggle for existence was great, but within the last twenty years its growth has been remarkably rapid, and to-day it ranks among the most successful religious institutions of this city.

The membership is now 700, while the Sabbath School numbers 500. The Sabbath School library there are more than 700 volumes. Last year more than \$8,000 worth of improvements were put on the church edifice, making it one of the most commodious and beautiful churches in Wheeling. The spirit of harmony and enthusiasm prevails among the membership.

Great preparations have been made for to-night's celebration. The decorating committee has been especially active and if everything goes well a surprise awaits the public. The programme consists of a number of eminent speakers, each being limited to ten minutes time, thus presenting a programme of great variety, and of agreeable duration. The choir has been rehearsing some special music.

All the congregations of the city have been extended invitations to be present. The celebration will continue on next Sabbath morning, when a special sermon will be preached by the pastor, the Rev. R. R. Bigger, Ph. D., and will be conducted with a special programme on Sabbath evening, which will be of an historical and reminiscent nature.

One thousand copies of the fifty years history of the Third church have been printed. They may be seen at the corridor of the church to-night.

WILL BUILD A CHURCH.

The German Lutherans of Benwood to Have a Place of Worship.

The congregation of the German Lutheran church of Benwood is to have a new place of worship, and one that will reflect great credit upon the flock and be an ornament to the town.

Some time since the trustees of the church began looking about for a suitable site for the new church building, and have finally purchased the old Koehline property, in Upper Benwood. The deed having been made to Messrs. August Schrad and H. W. Schrebe, who represent the congregation. In the deal upon this ground will be erected a magnificent church structure, costing \$10,000, and work on it will be commenced early in spring.

The present church is located in Lower Benwood, but owing to the larger portion of the members living in the upper end of the town, the congregation decided to erect the new building there. The site is located on what will be the continuation of Eoff street, at the corner of Second street, and is a good one.

It is expected that the new church will be ready for dedication about the middle of next summer.

BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

Grand to-night—Audrey Dramatic Company.

Gypsy camp of fortune tellers is the latest addition to the business district. The Pleasant Valley Social Club will open its winter season at Pleasant Valley Park to-night.

Rev. J. W. Hamilton, D. D., of Cincinnati, will preach at the North street M. E. church next Sunday.

Barney Brady was arrested by Officer Donovan, and C. E. Lewis by Officer Wells last night for drunkenness.

For an off year there are more political rumors and more wire pulling than was ever seen in the city before. The political pot in the Eighth ward is sizzling.

The frame false work over Boggs' run, preparatory to arching it with brick, has been put up, and the bricklayers will resume their work covering it to-day.

Yesterday, at a special term of the circuit court, Judge Hervey on the bench, arguments were heard in the case of Noah Beck et al. vs. the National Supply Company.

The criminal court convenes for its November term next Monday morning, with Judge T. J. Hugus on the bench. The grand jury hasn't much business to engage its attention.

The stone foundation for the new addition at Schmulbach's brewery is about half finished, and it is expected that it will be ready for the brick laying to commence in about ten days.

The members of the Uniform Rank, K. of P., will attend the military ball at Pythian Castle next Monday night in fatigue uniform. Melster's full orchestra will furnish the music.

Next Monday evening at the Carroll Club, Dr. C. A. Wingerter will deliver the illustrated Stoddard lecture on "Egypt." This is free to members of the club, and a nominal admission will be charged others.

The committees in charge of the approaching Cathedral fair, to be given at the Carroll Club early in December, are working on the arrangements, and promise something in advance of anything of the kind ever attempted here.

This evening, at the Carroll Club, there will be a meeting of the ladies who have interested themselves in the work of the club, for the purpose of forming a women's auxiliary to the club. A large attendance is anticipated. Officers will be elected.

The funeral of John, the three-year-old child of Mr. and Mrs. W. J. Lewis, of the Island, whose sudden death was chronicled yesterday, will occur this afternoon at 2 o'clock from the family home, on Maryland street. Interment at Riverview cemetery, Martin's Ferry.

Sheriff McVey, of Fayette county, brought Lud Madison, Frank Walker, Will Pugh and Mat Donald, of that county to the penitentiary yesterday. Madison and Walker are sentenced to hang on Christmas day for murder; the other two are in for life on the same charge.

The news that the United States Glass Company had lowered its figure on the old Hobbs property to a reasonable sum, and that there is a probability that the plant will be started up again, was received with delight on the South Side yesterday, and the interest displayed by the merchants makes it doubly sure that enough stock will be subscribed to put the deal through.

Evangelist Randall, after three years absence from this city, has returned, and is ready for "another hard winter's work fighting Satan." He expects to inaugurate a movement against the immoral districts with the gospel wagon, and will try Alley C first. He has solicited the aid of the Christian merchants, and will no doubt meet with the success his former efforts in this particular did.

Postmaster Wise is elated over the fine showing made during the year just ended in the suburban delivery service from the Wheeling postoffice. The business now, as compared with that of one year ago, shows the following increases: First class matter, 70 per cent; second, third and fourth class matter, 76 per cent. The service was established eighteen months ago, and is highly appreciated by the suburban residents.

Thomas conducted the services at 10:30 a. m., and at St. Joseph's cathedral mass was celebrated at 5:30, 6:30 and 8 o'clock; at 10:30 high mass was celebrated by Bishop P. J. Donahue. There were large congregations at each of the churches, and the services were of an interesting and solemn nature.

Mr. T. M. Garvin has decided to publish work on chancery pleading and practice especially adapted to the state of West Virginia. The work is now in preparation, and will be issued within a short time.
