**CRITICS** concede that the Bostonia Sextette Club is the best musical organization of its kind in the country.

**PATIENCE, THEY NAME IS WOMAN.**

The patience of women is proverbial, and it argues a patience almost more than human which enables them to endure so much pain and suffering, which the joyful experience of their happier sisters ought surely to induce them to escape from.

"I suffered from female sickness for fifteen years," writes Mrs. A. C. Scott, Le Roy, Colo., "suffered untold agonies—doctors could not give me any relief. A lady friend told me to get Warner's Safe Cure. I got a bottle and it helped me right away. I have taken six bottles and my health is better than it has been for twenty years."

And Mrs. L. B. Smith, of Ballston Spa, N. Y., after recounting how she was almost providentially led to the use of Warner's Safe Cure, thus recounts the happy results: "My nervousness is all gone. I am able to do lots of work and am cheerful, for I can now say what I could not at one time, that is, that everything looks bright and life is worth the living."

Use Warner's Safe Cure. It will restore the rose to your cheek, and the brightness to your eye, and will make you what you were intended to be, a helpmate to your husband.

### THE SWORD FUND.

To the Public:

We endorse the initiative action taken by the Wheeling Intelligencer, both in inviting Admiral Dewey to take part in the ceremonies attending the setting of the Fort Henry commemorative tablet, and in proposing the raising of a fund by popular subscription for the purpose of purchasing a suitable sword, to be presented to Lieut. John Dorrige, U. S. N., in recognition of his services contributory to the great victory won by Admiral Dewey in Manila Bay.

We suggest that the Intelligencer proceed at once to receive subscriptions to the Dorrige Sword Fund, to the amount of \$500, same to be expended by the Fort Henry Tablet Committee in purchasing the sword, to be presented to Lieut. Dorrige, in connection with the Fort Henry ceremonies, February 22, 1900.
