ANNOUNCEMENTS.

ANNOUNCEMENT.

I hereby announce myself as a candi-date for the nomination for Justice of the Peace, subject to the decision of the Re-publican voters of Union district, Marshall county, and respectfully solicit your sup-nort.

I desire to announce to the Republicans of Ohio County, that I am a candidate for County Assessor, Country District of Ohio County, at the primary slection. Your support is respectfully solicited.

H. M. SMITH.

REPUBLICANS

Of Ohio County Will be Represented

at the Parkersburg

STATE LEAGUE CONVENTION

To be Held on March 9-A Meeting of the Ohio County Republican Club Called For Next Wednesday Evening, at L. O. O. F. Hall, When Delegates Will be Selected—Other Clubs Are to Meet Soon.

Ohio county Republicans are to be noon Chairman Will H. Hornish, of the county committee, issued a call for a special meeting of the central campaign organization, the Ohio County Republican Club, to be held next Wednesday evening, Feb. 14, at I. O. O. F. hall. It is hoped that there will be a large attendance. Speakers will be on hand and a genuine party "love feast" is the object the club will seek to bring about. At, this meeting the club will elect officers for the ensuing year.

Chairman Hornish is now arranging to have all the ward clubs in the city and several Republican campaign clubs in the country districts hold meetings, at which to select delegates to the Parkersburg convention.

The campaign for the Republican nomination for chief of police is on in earnest. Chief Clemans and ex-Chief Bennett are the avowed candidates, while it was announced yesterday by a close friend of Wharf Master John Nor rington that he would be in the field for the sergeancy. It has been intimated that Samuel K. Johnson would also enter the race, but the following card, handed by Mr. Johnson to the Intelli-gencer, shows conclusively that he not

in the race:
To the Editor of the Intelligencer.
SIR;—My name has been given some mention in the last few days relative to my making the race for the Republican nomination for chief of police at the next city primaries, and while I am grateful to my friends for the kind interest displayed, I wish to say that I will not be a candidate, for the reason that I do not desire to oppose the present incumbent for a second term. The argument was used against me when I ran three years age that the incumbent should be given a second term. ond term. The argument was used against me when I ran three years ago that the incumbent should be given a second term, secording to an unwritten law, and in compliance with this custom I will not be a candidate against the present chief. In this I am adhering to the argument advanced in favor of the successful candidate three years ago. Respectfully, SAMUEL K. JOHNSON. Wheeling, February 7, 1900.

principal topic among the politicians of both parties. It is said Mr. Irwin may now encounter opposition for the sherheld by some of his party men that the Kentucky interview will lose him hun-dreds of votes. Pannel Garden, who has just resigned the captaincy of the cap-itel police at Washington, is being mentioned in this connection.

If Wheeling is to get the Republican state nominating convention it will be secured only after a hard fight, as Parkersburg is out for it with both feet. Every hotel in Parkersburg is said to have contributed at least \$100 to the convention fund. Will Wheeling hotel men do as much? A meeting of the chamber of commerce committee, to which the campaign for the convention vas delegated, ought to be held for discussion of the situation.

Friends of Dr. W. C. Etsler, of the Island, announce that he will be a candidate for the vacancy in the first branch of council, caused by the death recently, of Councilman W. P. McKelvey. The doctor is a member of the county committee, and a former president of the Ohlo County Republican Club.

ONE OF THEM CONFESSED

And Soon Three Martin's Ferry Burglars Were Arrested.

The mystery surrounding the burglaries at Martin's Ferry on Sunday night, was cleared last night, by the arrest of three colored boys, who confessed their guilt. Two of them were caught in Wheeling by Chief Clemans after a hot Martin's Ferry by Officer Ervin, of the latter town. Marshall Lindemuth and Officer Erwin were chiefly instrumental Officer Erwin were chiefly instrumental in the capture of the youthful thieves. The officers worked up the case and first arrested Luther Gibson at his home in Martin's Ferry, and Gibson implicated Daye Linder and Harry Lucas, both of whom had fied across the river to Wheeling. Officer Ervin came to this city and was given the assistance of the local force. None of the boys are over eighteen years of age and all live in Martin's Ferry. They entered Shell Martin's grocsyy and Henderson's hardware store, and got plunder amounting to about 355. Their trial will occur some time to-day. Officer Arthur Ingram arrested two respectable young colored men from Martin's Ferry, at the Grand Opera House on suspicion, after he sor word to look out for the thieves, and they were released, after being taken to police headquarters.

BISHOP M'CABE.

The Famous Minister's Experience With Coffee.

With Coffee.

The well-known bishop said to one of his friends, some years ago, "I was a great sufferer from severe headaches, and at times after traveling many miles to dedicate a church or perform some other important duty, found myself confined to a bed when the time came, and was unable to carry out my work. I finally discovered that when I left off coffee for a few days, the head; ches disappeared, and by further experiment discovered that the coffee was undoubtedly the cause of the difficulty, which finally entirely disappeared when I left off coffee altogether."

The person to whom this remark was made is Mrs. Amy K. Glass, wife of a Methodist minister at Rolfe, Ia. She says: "My own experience with coffee was very convincing. I was grown upbefore I ever drank coffee, but was advised by a friend (who meant it kindly) to use weak tea and coffee, because a warm drink aided digestion. I soon thereafter commenced to have nervous and sick headaches; could not believe it was the coffee. "My husband, who had suffered from

thereafter commenced to have nervous and sick hendaches; could not believe it was the coffee.

"My husband, who had suffered from dyspepaia while a young man in college, and found rehef by leaving off coffee, often told me he was satisfied my headaches were caused by coffee, so I gave up the coffee and took up Postum Cereal Food Coffee. The change taught me in a most convincing manner that coffee was the cause of the headaches, but now I have an equally good coffee in Postum, and its health-giving properties are simply undeniable. Our Bitle children use Postum regularly and go off to school as healthy and happy as children should. If ever husband or myself take a drink of weak coffee at an evening gathering or church social, we are kept awake until past the middle of the night. Yours for health."
