TO-DAY'S GAMES.

Youngstown at Wheeling. Mansfield at Dayton. New Castle at Columbus. Fort Wayne at Toledo.

The Wheelings met defeat yesterday at the hands of the Youngstown Giants, who showed clearly in the ninth inning that they were indeed giants with the willow.

When the visitors came to bat in the ninth it looked like a cinch for the Wheelings, but Pardee let up in his delivery or the opposing batsmen got onto him and the result was three singles, a double and a three-bagger, netting three runs and the game.

Sensational stops by Lyons, Pequinney and Rothelmer were features of the game. Billy Taylor had an off day in left field, letting two liners get away from him at crucial stages of the game.

TO-DAY'S GAMES.

Boston at Pittsburgh. Brooklyn at St. Louis. Philadelphia at Cincinnati.

CINCINNATI, Ohio, May 13.

All of Pittsburgh's errors were costly to-day, and gave Cincinnati the advantage until the ninth inning, when Barrett and Crawford made a mess of two easy flies, which they failed to reach, and Cincinnati lost the game.

Another for Columbus.

COLUMBUS, Ohio, May 13.—Street had swept his old comrades, the New Castles. The Senators jumped on Gregory's curves in the ninth, and batted out a victory.

Walkover for Dayton.

DAYTON, Ohio, May 13.—It was a walkover for Dayton to-day. Irwin was knocked out of the box, and Outfielder Beecher essayed to pitch for Mansfield.

An Eleven-Inning Game.

TOLEDO, Ohio, May 13.—Toledo won an exciting eleven inning game to-day. Both teams scored in the ninth and tenth, but in the eleventh the locals got one and Fort Wayne none. The fielding was very ragged.

BASE BALL COMMENT.

The Youngstown and Wheeling players were arrested just before Sunday's game by Constable Stoehr, from Justice

Ragers' court. The club claims that the fact that part of the proceeds are for charitable institutions exempts them from arrest, and the case is to be contested.

In this afternoon's game, Stricklett or Skopce and McFarland will do the pitching. Yesterday's game showed that Youngstown is no mean foe, and the visitors can be counted on to make it interesting for the Stogies.

Dayton won and is now in the lead, with Wheeling and Toledo tied for second place.

The Cincinnati Enquirer says that Creed Bates, of the Superbas, over whom the Wheeling team, of the Interstate league, and Mayor-elect Fleischmann's Mountain club have had something of a wrangle, left yesterday afternoon for Wheeling.

Keep your eye on those Wheelings. They will come dangerously near winning that flag this year. Bates joined the Stogiemakers yesterday. "Pop" Lytle's team is playing a very fast game.

team work, succeeded in winning both of the professional events. In each race McFarland set the pace for Stevens, carrying him well into the stretch, while the latter went on and won, not, however, without a hard struggle against Owen Kimble, who landed second in each event.

Tom Cooper, the Detroit professional, rode in improved form to-day, but was not able to beat the team work of McFarland and Stevens.

Bald and Kiser did not race to-day, but the former is rounding into form nicely. He rode an unspaced twelfth this morning in 2:55 seconds. Reports that the professionals are to leave here shortly for Canada are characterized by the men themselves as unfounded. They say they will be here for several weeks at the least.

There were three lost children in Bellaire yesterday morning, but all were fortunate in a little while in being restored to their parents. It was a bright, beautiful morning and the little tots wandered away until they were finally taken in charge by strangers and some of them fed and cared for, while others were found by the parents, who were quite as anxious as the little ones. They had simply wandered farther away than they thought to.

The fire has been going under the fifteen-ton tank at the Bellaire bottle works for five or six days, and so far everything is going as nicely as could be desired. The cause of the smoking at one part of it, but it amounted to nothing and by next Monday twenty-one additional blowers will be put to work, twice as many as have been. It will make a wonderful increase in the product of this factory.
