Veterans at the Park.

Holiday Post and the Woman's Relief Corps of the G. A. R. are having their annual reunion at Wheeling Park to-day. They will get out the morning, and many members of other veteran organizations are expected to attend. A programme of amusements has been mapped out for the entertainment of the old soldiers. The annual reunion of Battery H., of the First West Virginia Cavalry, will also occur, though there remain but few of the members of this famous battery.

The Orchestra Concerts.

Lovers of music and dancing will hall with delight the announcement that the Opera House orchestra proposes to give a series of bi-weekly concerts at the Park during the summer. Invitations have been issued for the first one of the series which will occur Tuesday, August 7. The concert will commence at 8:15 and continue until 10 o'clock, when a programme of waltzes, two-steps and redows will be rendered. These affairs are the most popular ones of their kind given at the Park and are largely attended by lovers of music and the devotees of Terpsichore.

Hearing Postponed.

The cases of James Harding, Richard Francis and John Kreiter, the boys charged with robbing the store of F. M. Work & Co., the other evening, were to come up before Squire Greer last night, but were postponed until 6 o'clock tonight to enable the authorities to secure more evidence. The Kreiter boy was arrested by Chief Clemans Thursday night. He had some of the stolen goods on his person and could give no satisfactory explanation as to how they got there. When he was being taken up the steps leading to the jail he tried to throw some of the property away, but was caught in the act.

The New South Side Club.

The next meeting of the young men interested in the new club on the South Side will be held in the Wesley Methodist church, Tuesday evening at 8 o'clock. A finance committee composed of George Bowers, Charles Kettler, Sam Simpson, Clifford Smith and Sam Gibbons are soliciting subscriptions and are meeting with much encouragement. The club starts out under the most flattering auspices, there being already sixty-five members in the organization. The membership committee has reported favorably on a name and it is likely the club will be known as The Young Men's Reading and Improvement Association. The Kettler building, below Fortieth street, on Jacob, will likely be selected as the club's quarters.

NATIONAL GUARD NOTES.

Clarence Echols, trumpeter of Company A, has been promoted by Colonel Clarence L. Smith, commanding the First Infantry, to be chief trumpeter of the regiment. This promotion leaves Company A without a bugler. Each company is expected to have two. There are not many buglers in Wheeling, and it looks as though the home company would have to go to the encampment without any.

WORKING ON A CLUE IN THE CONWELL CASE.

At Last the Authorities Strike Something Tangible, and it is Believed

"THE RED WHEELED BUGGY"

And Its Drivers Will be Run Down. Post Mortem Yesterday, Inquest To-day.

It is learned that the mystery surrounding the "red-wheeled buggy" and its drivers will be cleared up within a day or two, and that the identity of the men who ran down aged R. S. Conwell, out the pike, Sunday night, will be disclosed. Since the accident all efforts to locate the buggy and its drivers have been fruitless, and the authorities were beginning to believe that the affair would continue to be enshrouded in mystery. Now, however, it is said that the buggy and the men have been located in the city, and that the arrest of the latter may take place within a few hours.

Yesterday afternoon, County Coroner John W. Schultze began his formal investigation into the causes that led to the death of Conwell. A post mortem examination was held in the afternoon, conducted by Drs. Armbricht, Megrill and Myers, at which it was disclosed that Conwell's injuries consisted of the fracturing of his skull at the left side of the head, causing heavy hemorrhages of the brain.

The report of the physicians will be made to the coroner's jury at the inquest, to be held at Squire Schultze's office this evening, at 7 o'clock. The six or seven persons who witnessed the running down of Conwell will be summoned.

W. G. WILKINSON DEAD.

A Well Known Citizen Passes Away After a Long Illness.

Last night at 8:30 o'clock, at his home on North Main street, occurred the death of William G. Wilkinson, in the fifty-fifth year of his age. The deceased had been a sufferer from throat disease for several years, and three weeks ago he was taken to Mountain Lake Park in the hope that the change of air might benefit his health. Unhappily, no relief came; on the other hand, his condition became steadily worse, and last Friday night the sick man was brought home to die.

The deceased was well known throughout the city. He was formerly bookkeeper at the Exchange bank, and in later years has been a general accountant. He was the son of Colonel N. Wilkinson. He is survived by his wife, who was Annie M. Hughes, a daughter of the late James Hughes. He was connected with St. Matthew's P. E. church. Mr. Wilkinson was well liked, and the news of his demise will be received with regret. The funeral occurs Sunday afternoon at 4 o'clock from the family residence.

MR. MORGAN L. OTT'S BIRTHDAY

Anniversary Celebrated Last Evening by a Party of Friends.

Last evening at his home in Echo Point, a number of the friends of Mr. Morgan L. Ott assembled to do him honor on the occasion of the seventy-second anniversary of his birth. Time has dealt lightly with Mr. Ott, and only his most intimate friends have realized that he has reached and passed the allotted three score and ten. His continuance in the field of business activity has been frequently commented upon as most unusual, but with his rare vigor, Florence, did the honors of the occasion and her sprightly wit added much to the enjoyment of an altogether delightful evening. The Intelligencer joins Mr. Ott's guests in wishing him many returns of his birthday, and hopes that his useful life may long be spared to the community in which he is honored and respected.

SOUTH SIDE BLAZE.

Fire Almost Destroys a Stable in the Rear of Sihler's Residence.

Yesterday, about 12 o'clock, a blaze was discovered in the stable of Mrs. David Sihler in the rear of her residence on Thirty-seventh street. The Eighth ward engine company was immediately notified and responded promptly. Later the Niagara hose wagon was sent for.

The flames originated in the hay loft and its origin is a mystery, as there was no person in the stable or that vicinity when the blaze was discovered. The firemen had streams playing on the fire in a short time and soon had it under control. The residence, a frame structure, lies adjacent to the stable and it required the utmost efforts of the firemen to keep the fire from spreading to the house. The blaze was extinguished in about three hours, after the stable was almost entirely consumed.

The place was insured for \$300, but the actual loss will amount to nearly \$500.

IN THE JUSTICE SHOPS.

In Squire Fitzpatrick's court yesterday the case of Louis Combs for assault and battery on Margaret Combs was heard. He was arrested on a warrant sworn out by Edward King. The evidence did not sustain the charge and the case was dismissed.

Britt Falloure was tried on an assault and battery charge sworn out by John Schupbach. He was fined \$5 and costs and placed under a bond of \$50 to keep the peace for six months.

In Squire Rogers' office Sherman Kraft was sent to jail in default of \$300 bail. He is charged with stealing a suit of clothes from Joseph Farrell, the agent for Wanamaker & Brown. He walked into Farrell's place, had a light summer suit fitted on, and then proceeded to make himself scarce, with Farrell at his heels. Kraft soon distanced his pursuers, and was making ready for a trip to the oil fields, when Officer Walker nabbed him in the Second ward. His case will be heard at 10 o'clock this morning.
