## AN INJUNCTION AGAINST THE BETHANY FAIR

Applied for Yesterday Before Judge Hervey, of the Ohio County Circuit Court.

### APPLICATION WAS DENIED

By the Court and the Use of the Track This Week Will Not Be Interfered With.

The first Bethany fair opens to-day, and is expected to draw great crowds from the Pan Handle counties and from eastern Ohio and western Pennsylvania, but for a while yesterday the fair managers feared that a little piece of litigation would seriously interfere with the success of their enterprise.

The new half-mile track, it seems, was partially constructed by N. W. Shannon, but for some reason Shannon refused to complete his contract, and the fair association itself was compelled to complete the track. Shannon then determined to tie up the track in the courts in such shape that the association would be unable to use it for the scheduled races in connection with the fair this week. Acting along this line, he secured the services of Attorney John B. Wilson, of this city, and application was made yesterday to Judge Hervey, of the circuit court, for an injunction restraining the association from the use of the track. Secretary C. B. Scott, of the fair association, came to town yesterday, in company with his legal representative, Attorney J. C. Palmer, of Wellsburg, and in the afternoon at 2 o'clock the contending parties were given a hearing in chambers by Judge Hervey, with the result that Judge Hervey declined to issue the injunction prayed for. The Bethany people, of course, are highly elated over this development, for the granting of the injunction would have killed their fair.

The fair promises to be quite a success, and will attract many Wheeling people, especially on Wednesday, when there will be a political meeting in connection with General O. O. Howard as the principal speaker.

The easiest route to Bethany is via the Pan Handle road to Wellsburg, and thence by conveyance out the pike to Bethany, a distance of seven miles.

Surprisingly numerous are the entries that have been received for this fair, says Secretary Scott. Already the cattle and hog stalls are filled, and additional stalls are being built. The other classes are also well filled.

The track is in good condition, and many entries for the races have been received. The farmers' race is already full to overflowing.

### MAJOR HAZLETT SENTENCED

Yesterday at Washington to Eighteen Months' Imprisonment.

Says last evening's Washington (Pa.) Reporter: Major Samuel Hazlett, against whom the jury returned a verdict of guilty of embezzlement as a banker, last week, was sentenced by Judge Taylor, Monday morning, to one year and six months in the Western penitentiary, a fine of \$775, double the amount embezzled, and the costs of the prosecution. His attorney, John C. Bane, went to Pittsburgh Monday at noon to obtain a writ of appeal, which will be presented to the court at 5 o'clock this afternoon, to act as a supersedeas—that is, suspend the execution of the sentence until the superior court passes on the appeal. If the local court refuses to allow the writ to act as a supersedeas, as will likely be the case, then Major Hazlett will be in the hands of the sheriff unless the superior court judges issue a supersedeas that will prevent the carrying out of the sentence at present.

After being sentenced Monday morning Major Hazlett went home. Whether he will be imprisoned or not lies with the sheriff, but it is not likely he will be taken to jail, but will be allowed to remain at his own home, with a deputy in charge. When asked if he had anything to say before the sentence was pronounced, he arose and said he had nothing to say except that he asked that no remarks be made in passing sentence—a request similar to what he made the last time.

### DR. TALKS OF FOOD.

Pres. of Board of Health.

"What shall I eat?" is the daily inquiry the physician is met with. I do not hesitate to say that in my judgment, a large percentage of disease is caused by poorly selected and improperly prepared food. My personal experience with the fully cooked food, known as Grape-Nuts, enables me to speak freely of its merits.

"From overwork, I suffered several years with malnutrition, palpitation of the heart, and loss of sleep. Last summer I was led to experiment personally with the new food, which I used in conjunction with good rich cow's milk. In a short time after I commenced its use, the disagreeable symptoms disappeared, my heart's action became steady and normal, the functions of the stomach were properly carried out and I again slept as soundly and as well as in my youth.

"I look upon Grape-Nuts as a perfect food, and no one can gainsay but that it has a most prominent place in a rational, scientific system of feeding. Any one who uses this food will soon be convinced of the soundness of the principle upon which it is manufactured and may thereby know the facts as to its true worth. W. B. Conway, M. D., Pres. Athens, Ga., Board of Health.

No need to fear sudden attacks of cholera infantum, dysentery, diarrhoea, summer complaint of any sort if you have Dr. Fowler's Extract of Wild Strawberry in the medicine chest.—I.

Of North End Republicans—Organize a Rough Rider Club.

The Republicans of the North End held a well attended and enthusiastic meeting at the Vigilant engine house, and organized a Rough Rider regiment last evening. They also decided to erect a wigwam on Main street, above Sixth, and have already given out contracts.

About 150 Republicans responded to the call for the meeting, and intense enthusiasm prevailed throughout. The club starts off with an enrollment of seventy, and this will be largely increased at the next meeting, to be held next Friday night. E. Buckman was elected temporary chairman, and Jacob Snyder temporary secretary.

A committee was authorized to have a wigwam constructed and empowered to go right ahead with the work. They expect to have it finished by Saturday evening, when Captain Dovener will deliver an address to the Republicans of the North End.

### AMUSEMENTS.

The Ideals opened their week's engagement at the Grand last night to an audience which crowded the theatre to the doors. The enthusiasm of the crowd was commensurate with its size. "In the Heart of the Storm" was given an elaborate scenic production, and each setting called forth appreciative applause. The work of the cast was beyond criticism. Miss Beatrice Earle not only sustained her role admirably, but gave several very pleasing specialties between acts. Mr. Mack's work as Captain Hudson is deserving of especial mention. If the opening bill is a criterion, patrons of the Grand will have an opportunity to see high class productions this week at popular prices. To-night's play will be "Eagle's Nest." Wednesday matine and night, "Northern Lights."
