

ROUGH RIDERS GAVE THEIR LAST PARADE. Nearly 300 Men Were in Line and the Marchers Were Given a Fine Reception.

WASHINGTON DISTRICT THERE Two Hundred Strong—Fulton Boys' Club a Feature—The Parade Was Delayed.

The fourth and last of the sectional street demonstrations by the First West Virginia Rough Rider regiment, occurred last night over the streets of North Wheeling.

The companies, Washington, Clay and Clay-Union, rendezvoused on Twelfth street, South Side, and owing to the Democratic parade's route being down Market street, the line could not move until the "Demolition" had got out of the way.

Major G. W. Otto and staff. Meister's Band. Washington Rough Riders. Capt. R. W. Otto, 32 men.

Washington District Citizens' Republican Club—30 men. Fulton Boys' Club—20 boys. Clay-Union Rough Riders, Capt. Crawford, 25 men.

Following the marchers was a carriage containing Congressman Dovenor, Colonel Phil Waters, the "colored Demosthenes of the Kanawha valley," and Congressional Chairman S. G. Smith.

The route was through North Wheeling on Main street to Jonathan's ravine, and the North Enders gave the boys in Khaki a genuine old fashioned West Virginia welcome.

At the conclusion of the parade, the speakers were escorted to Turner hall, where a meeting under the auspices of the colored Republicans was held.

AFFLICTED MONARCH. THE EMPEROR OF GERMANY Is a Victim of Producing a Chronic Catarrh, Running Ear.

EMPEROR WILLIAM OF GERMANY.

The Emperor of Germany has a running ear. Just think of it; a man at whose beck one of the strongest armies and navies of the whole earth could be set in motion, a man whose rule is absolute over the country of medical universities, a man whose slightest caprice could press into service the most noted savants and philosophers on earth, has a running ear and is unable to find a cure!

Now contrast the experience of the following citizens of the United States with the Emperor of Germany. Like the Emperor, they failed to find a cure. But, unlike the Emperor, they happened to be plain citizens of the United States, rather than the center of the inner court of the most exclusive and carefully guarded aristocracy of the world.

Running of the ears, deafness or all other affections of the middle ear, are due primarily to chronic catarrh. Running of the ears is properly called chronic suppurative catarrh. Per-na will cure catarrh located elsewhere. This has been proven over and over again in innumerable cases besides the ones just mentioned.

At the conclusion of the parade, the speakers were escorted to Turner hall, where a meeting under the auspices of the colored Republicans was held.

The uniform rank of the Knights of Pythias gave a largely attended masquerade ball in the city hall last night. Mr. and Mrs. W. C. Barclay have returned from a several weeks' visit with relatives in Kentucky and Indiana.

The Republic meeting at the city hall, Bonwood, last evening, was a success and attracted 500 enthusiastic citizens. The hall was taxed to its utmost capacity, every available corner of the
