REPUBLICANS WILL JOILIFY NEXT MONDAY.

The Great Victory Demonstration
Will be One of the Largest
on Record.

DR. BAGULEY CHIEF MARSHAL.

Every Uniformed Club in Wheeling
and the Neighboring Towns
Should be in Line.

ALL CITIZENS ARE INVITED

To Join the Clubs, and There Will
be Plug Hat and Cavalry
Divisions.

At a meeting of representatives of the Wheeling Republican marching clubs, held last night at the office of Lee H. Dobbs, on Chapline street, the matter of holding a great Victory Demonstration in honor of the magnificent triumph achieved for Republicanism and national honor on last Tuesday, was discussed, and it was decided to hold the demonstration next Monday evening. Saturday evening might have been decided upon but for the fact that the streets are in bad shape this week and would not probably be in condition for marching over to-morrow night.

The committee organized by the selection of County Chairman W. H. Hornish as chairman, and R. M. Archer as secretary. After the committee had unanimously decided to hold the demonstration on next Monday night, the selection of a chief marshal was taken up, and by unanimous choice of the committee, Col. H. B. Baguley, of the First West Virginia Rough Rider Regiment, was named. He is empowered to appoint his division marshals, aides, etc., fix the route, order of march and all other details.

It was decided that the parade would wind up at the corner of Fifteenth and Chapline streets, where, from the "German Day" stand, five minute speeches will be made by Hon. Charles Burdett Hart, Congressman Dwyer, Frank W. Nesbitt, Charles J. Schuck and others. The speeches will be on the hyrrah order.

A sub-committee on finance was appointed to raise the money needed to defray the expense of bands, red-fire, etc.

The uniformed and cavalry divisions will be equipped with small United States flags, which will be furnished free of charge by the committee.

Messrs. Charles Selbert and Jess McCausland, of Triadelphia district; W. J. Lyle and Harlan Carter, of Richland district, and William Bonar, of Liberty district, were named as a committee to enlist the country district Republicans into the cavalry division of the demonstration.

There will be a plug hat division, in which business men who desire to march, will be strictly at home.

The secretary was instructed to send invitations to the Republicans clubs of Mountaineers, Benwood, McMechen, Fulton, Martin's Ferry, Bridgeport, Belalre, St. Clairsville, Steubenville, Sistersville, Wellsburg and all other towns in this section.

LAST SAD RITES

Over the Remains of Harry Gattley
Yesterday Afternoon.

The last sad rites over the remains of Harry W. Gattley were said at 2 o'clock yesterday afternoon, in the presence of a large concourse of friends and relatives of the deceased, who gathered to pay a last loving tribute to his memory. The services took place at the home of the parents of the deceased and were in charge of the Rev. Mr. Curran, pastor of St. Andrew's Episcopal mission. The members of the city council and Black Prince Lodge, Knights of Pythias, both of which bodies the deceased was a member, turned out in a body at the obsequies. There were many handsome and costly floral testimonials. The body was shipped to Steubenville after the services, where it will be buried to-day.

New Trial Ordered.

Yesterday, in the criminal court, in the case of the state vs. James Harding and Richard Francis, convicted on the charge of robbery at F. M. Work & Co.'s store, on the South Side, Judge Hughes set aside the verdict of guilty and ordered a new trial.

Wheeling has been good—very good—for there is nothing on the criminal court docket to justify the calling of a grand jury for the November term of court, now in session.

The Rummage Sale.

The Rummage Sale, which has been conducted for some time by the King's Daughters on Main street, will be wound up to-morrow evening. It has been successful beyond the fondest expectations of the ladies in charge, of whom Mrs. Harry J. Mendel and Mrs. R. J. Reed have been especially active.

Brave Men Fall

Victims to stomach, liver and kidney troubles, as well as women, and feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he lives it down and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at Logan Drug Co.'s drug store. Every bottle guaranteed.

...SOCIETY...

Tonight at Arion hall will occur the Autumn ball, under the direction of Prof. George Delbrugge. The programme includes a rustic dance and an old-fashioned quadrille, with figures called. The hall has been tastefully embellished for the occasion, and it gives promise of being one of the most interesting dance parties of the season. Melsters' orchestra will occupy the stage, and in the dining hall refreshments, consisting of old-time delicacies will be served. The patronesses are Mesdames Thomas Chalmers, Moffat, Charles Howard Simpson, George K. Wheat, William F. Stifel, Julius Pollock, Margaret Dalzell and S. S. Bloch.

Last evening, at their handsome Pleasant Valley home, Mr. and Mrs. Joseph C. Brady received in honor of their daughter, Miss Alice Brady, and her guest, Miss Katherine Rhodes. Every appointment was beautifully carried out, and a large number of Wheeling's society devotees were in attendance.

The Married Ladies' Euchre Club will be entertained this afternoon by Mrs. Oliver Thompson Rhodes, of North Main street.

Miss M. Hulda Delaplaine entertains to-night with progressive euchre, at the home of her mother, Mrs. Mary Delaplaine, in honor of Miss Elizabeth Shirley Brockman, whose approaching marriage is engrossing society's attention.

Mrs. Walter Bloomfield and Mrs. T. C. Burke yesterday afternoon entertained the Island Ladies' Euchre Club, at the Burke home, on North Front street, Island.

Prof. George Delbrugge has arranged an Autumn ball for his Monday Night class at Arion hall Monday evening. Meister's orchestra will furnish the music, and in the dining hall a repeat of the old time delicacies will be provided.

The Junior Endeavor society gave a highly enjoyable and well attended social at the Second Christian church, on Zane street, last evening. Refreshments and candy were sold during the evening, and a handsome sum was realized on the affair.

The Lord and Hand Circle of the King's Daughters will give a social at the home of Rev. E. L. Egger, pastor of the Third Presbyterian church, on South Eoff street, this evening. Invitations have been issued for the affair and there will likely be a good attendance. Music and games will be the diversions, and refreshments will be served by the young ladies during the evening.

One may learn more of a person's character in a single game of "prize" euchre than would be discovered in a life time of companionship.

Misses Katherine and Loretta Miller delightfully entertained a number of their friends at their home in the North End, last evening. The affair was the outcome of an election wager, in which the loser was to entertain. Cards were the principal diversion, and there were many spirited contests with the pastebards. Refreshments were served at a seasonable hour.

VACCINATE!

Is the Advice Given by City Health Officer S. L. Jepson—A Case of Small-Pox Brought to Light in Wheeling Yesterday Morning.

Yesterday morning, George Day, a colored man, walked into police headquarters, and asked for a physician. City Health Officer Jepson at once responded, and after an investigation gave it as his opinion that Day was suffering from smallpox. He was at once removed to the municipal smallpox hospital, on the Peninsula, and later in the day it developed that the man's ailment was smallpox.

It was stated that Day had slept at Larue's hotel, in the Second ward, and last evening, under advice from the health officer, Mr. Larue closed his bar in order that it may be fumigated and cleaned. It will open this morning. In justice to Mr. Larue it should be stated that the authorities have no positive evidence that Day slept there.

Dr. Jepson advises general vaccination on the part of Wheeling people, in order to minimize the chances for an epidemic of the dread disease here.

TAKE A RECORD.

See How Many Friends Are Hurt by Coffee.

It would be just as reasonable for a temperance advocate to drink a little diluted whiskey as to drink coffee, for one is as truly an intoxicant as the other, and persistence in the use of coffee brings on a variety of chronic diseases, notorious among which are dyspepsia, heart palpitation (and ultimately heart failure), frequently accompanied by kidney disease, many cases of weak eyes and trembling condition of the nerves.

This is only a small percentage of the great variety of diseases which come from an unbalanced nervous system, caused by the persistent daily use of the drug caffeine, which is the active principle of coffee. Another bit of prima facie evidence about coffee is that the victims to the habit find great difficulty in giving it up.

They will reluctantly pledge to themselves day after day that they will abandon the use of it when they know that it is shortening their days, but morning after morning they fall, until they grow to despise themselves for their lack of control.

Any one interested in this subject would be greatly surprised to make a systematic inquiry among prominent brain workers in America. There are hundreds of thousands of our most prominent people that have abandoned coffee altogether and are using Postum Food Coffee in its place, and for the most excellent reasons in the world. Many of the best of our country's health, strong nerves and great vitality, since coffee has been thrown out and the Postum put in its place.

ANOTHER WONDERFUL OIL WELL

Brought in Yesterday in the Prolific
Lewis County Territory.
The Strike is of

GREAT INTEREST IN WHEELING

As a Local Company Holds Extensive
Leases in the Vicinity of
the New Strike.

Lewis county has come to the front with another wonderful oil strike. Several weeks ago the great Copley gusher came in, with about 5,000 barrels a day, and startled the oil producing world to such an extent that the price of oil tumbled several points on the strength of the development.

Yesterday, at noon, the well of the Turner Oil Company, located about 800 feet east of the Copley, came in, and during the first hour more than filled a 250-barrel tank. The oil is now running riot along a neighboring creek, but efforts made to save the oil will minimize the waste.

Wheeling people were greatly interested in the news from Lewis county, owing to the fact that the Sand Fork Oil Company, whose extensive holdings in Lewis county are in the immediate vicinity of the Copley and Turner gushers, is made up principally of Wheeling men. President L. G. Dillon last night received a telegram from Messrs. Russell and Hancher, of the Sand Fork company, who went to Weston yesterday morning, confirming the report that the Turner was doing 250 barrels an hour, or at the rate of 6,000 barrels a day. It is expected that the Sand Hill company's stock will boom on the strength of this latest Lewis county strike.

Women Entertain Strikers.

Last evening at Mozart hall the members of the local lodge of the Amalgamated Association were entertained by their wives and lady friends in honor of the settlement of the strike. A mandolin and guitar club discoursed music during the evening and a sumptuous repast was served to which all did ample justice. During the evening Al Summers, of Martin's Ferry, who was largely instrumental in bringing about a satisfactory termination of the strike, was presented with an elegant umbrella by the grateful members of the association.

Westhafer, pastor of Fourth street M. E. church. This will be a wide-awake meeting, and the association hall will doubtless be crowded with men.
