Mr. Wolfe is a traveling salesman for the Cincinnati Cordage and Paper Company, and is in a position to note the business conditions over the country and especially in the middle states. CITY SUPERINTENDENCY

Discussed at Secret Meeting of the Board of Education. The newly elected board of education met last night in secret session and discussed the superintendency of the city schools. All the members except Judge Cranmer were present. The superintendency was the only matter under consideration, and the names of Superintendent W. H. Anderson, Principal Work of the high school, Principal Crago, of Ritchie, and Principal Hammond, of Union, were mentioned. Judge Cranmer sent by another member his preference in the matter of the superintendency. All the members were present and declined to state what conclusion they reached. It was not a caucus, as all the Democrats and all but one of the Republicans participated.
