Letter From Ohio Merchants.

[The following rather unusual dispatch was sent, last night, no doubt at the instance of the Baltimore and Ohio Railroad Company.]

BALTIMORE, Dec. 2.—The following letter is furnished by the Ohio merchants who were arrested at Harper's Ferry.

To the Public.—We the undersigned, having been arrested by military authorities of the State of Virginia, on the morning of Wednesday last, while proceeding over the B. & O. R., as passengers for the East, were disposed to overlook detention and annoyance to which we were subjected, in the belief that officers were not to be treated with disrespect.

On the arrival of the cars, two persons who were unable to give a satisfactory account of themselves were sent by an armed escort across the Maryland line. Four suspicious characters have been arrested since Wednesday; one of them was supposed to be Coggie's brother. All have been detained for the present at Harper's Ferry.

The work of erecting the scaffold was commenced yesterday. It is said, admits his participation in the Kent's massacre, but offers various excuses in palliation. The feeling produced here against him by Mrs. Doyle's letter is very great.

MORE TO BE ADMIRER THAN THE RICHEST DIADEM.

WORN BY KINGS OR EMPERORS.

What! Why a Beautiful Head of Hair? BECAUSE IT IS THE ORNAMENT OF HIMSELF. It provides for all our wants. Tender, although the eye may be dazzled by its brilliancy, it is as soft as ever, so sparkling the teeth of those of pearls, if the head is bereft of its covering, or the hair is scattered and shaggy, and the face is worn and still, if sprinkled with gray, nature will not permit her charms. Prof. Wood's Hair Restorative is permanently secure to all such cases, and restores the following and Judge. The writer of the first is the celebrated Parrot Tail; the second is the celebrated Dr. Wood's Hair Restorative.

Dr. Wood's Hair Restorative. New York, April 10, 1858. Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color, about the time of my arrival in the United States. It was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.
