AYER'S CATHARTIC PILLS

A RE YOU SICK. FREBLE AND COMPLAINING A Are you out of order, with your system dering sed, and your feelings uncomfortables. These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and sheuld be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the fisordered humorspurify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs producing general aggravation, suffering, and disease, While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the ustural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial sand common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of thems surely, cared by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.
