The Society then strengthen the hands of arbitrary power, president; (everybody, I believe, is aware of the nature of his relations with General man in Major Haskell's employment, and General Fremont affirmed to me to belong Now, my friend, will you come over from to himself; fourthly, of Mr. Alden, who in this affair plays the mere part of secretary, the combat between light and darkness, and fifthly, of myself, everybody's dupe, it would appear, from having believed Gen. Fremont's word.

I ask any men knowing New York if the four members of this association represent anything whatsoever, or whether they are capable of answering for the publication of anything whatever. Can a society whose stock is not subscribed, and whose members do not possess anything, be called a real society? The president of the society cannot pay a bill of two hundred dollars This society was not a real one; it did not fulfill any of the obligations of the contract; not only has it not paid me, but it has left me to pay the expenses of the newspaper, and does not refund that money. would not. As well might St. Michael this, General Fremont, having a certain political bargain in view, with which I have refused to associate myself, has let loose upon me those who hide his name; the door of the editorial rooms have been forced; my books have been taken away;

> York in his own favor; but I doubt if he can stop that of public opinion. Although Mr. Lincoln is tar from being the candidate of my choice, between him and McClellan, no loyal man can besitate; the New Nation will not besitate; it repu diates all sorts of bargains and will not aid them, if either afar off or near, directly nor indirectly, but it will always be the vanguard of loyal patriots for liberty against slavery. We have often reproached Lincoln with the want of dignity as evinced in his jokes, but Fremont's jokes are worse Hall, in a late number for they are played at the expense of hon-

who has boasted to me that he could stop

Yours, esty. G. CIUSERET. The Baltimore and Ohio Road. A correspondent writing from General Sheridan's army, speaks as follows in remuch nourishment as \$2,25 worth of roast gard to the efforts of the Baltimore and

During last week the initiatory steps

were taken towards repairing the damages

caused by the recent rebel raids on the Baltimore and Ohio Railroad, and although the attempt proved abortive it shows a spirit of enterprise and energy highly commendable to the company and is indefa-tigable master of transportation, Mr. W. P. mith. A detail of 100 men, from the One Handred and Sixty-fifth New York volunteers, under command of Capt, John P. Morris, were sent out as a guars for the protection of the Construction Corps, and on Thursday the train left this place and pushed on in safety as far as Kearneyville, where operations were commenced. While engaged in preparing for operations the master of of the corps received a telegram from Martinsburg that the rebels had again possession of that town. Shortly after stray cavalrymen came in stating that Averill had fallen back to Lestown, but Avering that no rebels were yet in sight. The Con-25 per cent. struction corps chief, finding it impossible 22 per cent. to telegraph to the Ferry or Baltimore, According to the above tables, cucum-bers are of very little value, and apples, rying military despatches, seterminour lines in September, 1862, tells us that cabbages, turnips, and even potatoes, at ed refuctantly to abandon for the Southern officers let their flowing ringlets fall down on their shoulders, and in dress togetables and fruits, should, however, turn. The guard also received instructions enter into the family consumption, even if to come back with the train. I understand time of Charles the First. A few months purchased for sanitary reasons. Among that the damages on the section of the those which contain the most saccharine road traveled over by the corps are not of note. He tells us that this is a war of matter, sweet potatoes, paranins, beets, a serious nature, but it is thought that it races, "representing not differences in blood and carrots are the most nourishing. Beast will prove otherwise above and near Mar-

timbers have been gradually accumulating along the road between this place and Baltimore, and the foundries of the company are still busy in turning out the immense amount of iron work requisite to build the destroyed bridges, tanks and culverts along the damaged route. No doubt this company will be enabled to resume operations at an early day, should the move-ments of Gen. Early prove propitious, and it is a consummation devoutly to be wished.

THE following terms of peace were proposed by the rebels through the Richmond Examiner, on the 18th of August, more than ten days before the Chicago Convention

no peace whatever, and must fight till doomsday rather than yield an lota of

them, and our terms are: "Recognition by the enemy of the inde-pendence of the Confederate States. "Withdrawal of the Yankee forces from every foot of Confederate ground includ-

ing Kentucky and Missouri

of all varieties of diseases, both acute and chronic.

Dr. K., as heretofore, will devote a good share of his time and attention to the treatment of all chronic diseases of both sexes, such as Consumption and all varieties of Long Diseases, all Diseases of the Throat, Catarrh, Dyspepsia, Liver Complaints, Mercurial and Nervous Diseases, Rheumatism, Scroftla, every variety of Blood and Skin Diseases of the Education of the Bye and Ear, &r. ### A CARD.

DR. R. H. LEE-PHYSICIAN, SURGEON AND ACOUGHES—thankful for past favore would respectfully inform his friends and the public generally that he is still doing business at his old stand, Main street, near the Suspension Bridge, where he will be happy to attend to any business in his line that may be entrusted to his care. Night calls promptly attended to. Dr. Lee is a graduate of the Ecletic Medical Institute of Cincinnati, and of the Ecletic Medical Institute of Cincinnati, and has been variously engaged in the practice of his profession for the last fourteen years. Dr. Lee is now prepared with all the necessary apparatus for the Medical application of Electricity in the treatment of Chronic diseases, to which he would invite the special attention of the afflicted. So perfect is the "Healing Art" of the present day (as practiced by Eclectica) that few need despair of receiving permanent benefit if they cannot be perfectly cured. Special attention given to diseases of women and children. All communications strictly confidential. Our practice is safe, certain and prompt, leaving no mercurial taint in the system, but cleansing renomercurial taint in the system, but vating and strengthening the general system, acting in unison with Nature's unerring laws.

Where it is, where Ya., Dec. 4th, 1863.
To all whom if may concern: We, the undersigned members of the West Virginia Legislature, take pleasure in saying that we have known Dr. Richard H. Lee many years previous to the breaking out of the Rebellion, as a successful and energetic practitioner of Medicine (of the Eclectic School) both in Kanawha county Va., and Galia county, Ohio.

G. SLACK, Senator 7th Dist. W. S. DUNBAR, M. H. D. JOHN M. PHELPHS, Pres. Senate. Office one door south of Kramer's Hotel,

Ladies wishing to consult the Dr. (if they prefer n call at room No. 89. Grant House, and the will take plebsure in accompanying them the office. Can be found at the Grant House a night.

### WEST VIRGINIA Business College,

AT WHEELING. CONDUCTED BY

L HITCHCOCK. AT NO. 118% MAIN STREET,

THE purpose of this institution is to instruct young men (and women too) in the principles which govern the correct transaction of pecunical business, and in Accountantiship and its concomitants.

BOOK-KERPING,
stripped of its absurd verbiage and ancient prolimity and intricacy, and adapted to the modern
mode of doing business, expecially in the United
States is the leading subject of attention. Its Laws,
which are as eract, unerring and free from exception as those of nature and comprised in very few
words, are first made familiar to the student, who
who is then conducted through a course of practical
Book-keeping, in numerous sets of books in great
variety of forms, till he thus acquires a mastery of
the art which enables him to apply it with facility
to any kind of business.

A WRITING SCHOOL

is open day and evening, attended by both ladies and gentlemen, where, without entering for the full course, a good hand-writing can be obtained in a few weeks.

receive the attention their primary importance de-mands. The student will be made acquainted with several modes of calculation not found in books, tending greatly to the abbreviation of his work. There is open to the student also a course of

BUSINESS SCIENCE
comprising Political Economy, Cummercial Law and
usages, Finance, Banking and Currency; also maxim
of eminent Business Men in regard to the bea
methods of conducting business successfully an
avoiding fasture.

Instructions in the above subjects are intersper
of with maxims and inculcations tending to the
formation of high character as men and citizena.
The course of instruction is intended to be as
comprehensive and therough as that of any of the
Commercial Colleges, while the expense to the student is much less.
