

A word to the wise is Sufficient!

REMEMBER--That we are headquarters for anything in the way of General Merchandise. Our Motto: "The Best Goods for the Least Money."

Every point is in favor of you making your purchases at our store. We do not expect every one to see it in this light, because it is not every one who will take the trouble to investigate, and know that they are spending their money judiciously. But we know that there are hundreds of people who believe that their money is better spent here, as proven in the large amount of business we do. One point in your favor is that you do not have to question the quality of our Goods. We guarantee to satisfy you.
