## SECEDER CHURCH TO GET GREETINGS.

### PRESBYTERIAN GENERAL ASSEMBLY NAMES DELEGATES TO THE SYNOD.

#### Closer Relations May Be The Result.

Columbia, Nov. 4.—Rev. R. C. Reed, of Columbia, has been selected as the delegate of the Presbyterian General Assembly of the South to bear fraternal greetings to the synod of the Associated Reformed Presbyterian Church, which will be held in Charlotte next week. This is the first time in the history of the Seceder church that a representative has been officially delegated to bear fraternal greetings to its leading council from the main body of the Presbyterian faith, and this fact is believed to presage closer relations of these two branches of the faith—if not at once, then in the next several years. The selection of Dr. Reed for this important mission is a most happy one. It is hardly probable, however, that the two branches of the faith will be reunited, through the two churches have been on most friendly terms for years. The Seceders have never yet been able to lay aside their unique individuality, even to uniting with the United Presbyterian Church of the North, whose form of worship is identical with theirs. The chief difference between the two churches in the South is the resolution of the Seceders to bar human compositions from their worship. The visit of Dr. Reed to the synod in Charlotte will be, nothing else, another step toward bringing the Protestant churches closer together in that work which each denomination is doing in common with the others. Dr. Reed's presence will add to the interest taken in the synod by the general public and will probably inaugurate a custom that will, in time, be adopted by other churches whose differences are no greater than those of the Presbyterian churches.

### Saves an Iowa Man's Life.

The very grave seemed to yawn before Robert Madsen, of West Burlington, Iowa, when, after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Electric Bitters. For, after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. It's positively guaranteed for Stomach, Liver or Kidney troubles and never disappoints. Only 50c. at Speed's drug store.

## CURING CATARRH.

Accept Our Advice and Try this Remedy at Our Risk.

Catarrh is a disease of the mucous membrane. The mucous membrane is, one may say, the interior lining of the body. Catarrh therefore may exist in any part of the system. When the catarrhal poison attacks the mucous membrane, inflammation and congestion are produced and nature falls to throw off the accumulated poisons. The organ which has been afflicted refuses to perform its proper function as nature intended it should. The result is, complication upon complication, which may lead to other even more serious afflictions. We honestly believe Rexall Mucuo-Tone will do wonders toward overcoming catarrh. It is made from the prescription of an eminent physician who made a long study of catarrh, and his great success with this remedy was an enviable one. We want you if you are a sufferer from catarrh in any form, to give Rexall Mucuo-Tone a thorough trial. Use it with regularity and persistency for a reasonable time, then if you are not satisfied, come back and tell us, and without question or formality we will hand back to you every cent you paid, us. This is certainly the fairest offer that any one could make and should attest our sincerity of purpose. It comes in two sizes, prices 50 cents and \$1. Remember you can obtain it only at—The Rexall Store. C. A. Milford & Co.
