## NOT A PROFESSOR OF PROFANITY.

**Pious Zeal and Ability Enable  
Dr. T. W. Sloan to Win  
Great Success.**

From a letter recently received from Greenville, the following reference is made to service in the First Presbyterian church of that city:

"We had over a thousand worshippers at the First Church this a. m., and about 800 at tonight's service. Dr. Sloan's preaching is something, without once using the Lord's name, using pronouns instead, and once in a while alluding to the Master."

Dr. Sloan went to Greenville some nine years ago, and since then, we believe the membership of his church has increased from about 450 to about 800. A \$25,000 addition and organ has been put up. The pastor's salary has been increased from \$1,500 to \$3,000 a year. Besides this, his congregation has given him two vacations, and paid his expenses to the Holy Land, or to other equally far distant places. It would seem that Dr. Sloan, at least, succeeds better at singing hymns than at fighting them.

## Abbeville Boy Forges to Front.

Washington, Jan. 24.—About eighteen months ago Barnwell Aiken, a young son of Representative Aiken, enlisted in the navy, and was assigned to service on the battleship Idaho. A few days ago Mr. Aiken was surprised as well as delighted to learn that his son had been appointed yeoman, or petty officer, and had been assigned to a responsible position.

It seems that some time ago that young Aiken decided to try for promotion. He stood the required examination and passed, and secured the appointment without political pull of any kind. He did not say anything to his father, or any of his other friends, about his intentions, but just went in and won on his own merits. None of the officials in the navy department knew he was the son of a congressman, and perhaps none of them know it yet. His father knew nothing of his son's efforts to secure promotion until the appointment was made.

Young Aiken writes that there are other promotions afloat, and that he will go after them later on. The friends of the family in South Carolina will be pleased to learn of his success, and will watch his career with interest.—Anderson Daily Mail.

## How To Stop Stubborn Cough

We don't mean just stop the irritation in your throat—but cure the underlying cause.

Cough syrups cannot do this. It takes a constitutional tonic body builder to do the work properly—and cure you to stay cured. Vinol is the remedy you need.

HERE IS PROOF  
Mrs. Minnie Osgood, of Geneva, Falls, N. Y., writes:—"After trying several remedies for a bad cough and cold without benefit, I was asked to try Vinol. It worked like magic. It cured my cold and cough and I gained in health and strength. I consider Vinol the most wonderful tonic and invigorator I ever saw."

If we cannot stop that cough with VINOL—our delicious cod liver and iron tonic—which is made without oil—we will not charge you a cent for the medicine you buy. This seems like a pretty fair proposition—and ought to be accepted. Don't you think so? With this understanding we ask you to try a bottle of VINOL.

I tried several kinds of kidney medicine and I was in the drug store looking for something different to help him when I heard of Foley Kidney Pills. After he had taken them two days, we could see a change and when he had taken two-thirds of a bottle he was cured. That is about six weeks ago and he has not wet in bed since." McMurray Drug Co.
