

JNO. L. McLAURIN TELLS OF MARKETING COTTON

Newberry, Nov. 7.—John L. McLaurin of Bennettsville, former United States senator, spoke here Saturday in the court house on warehousing and marketing cotton. His audience was composed chiefly of farmers, though men of other professions were present to hear him. The attendance was not as large as it should have been, considering the importance of the subject and the able manner in which it was discussed. Senator McLaurin spoke for an hour and kept his audience interested all the time.

A large portion of his address was about the proposed new warehouse bill which is to be presented to the next legislature, to take the place of the one passed by the last legislature and declared unconstitutional by the supreme court. He thinks the new bill will be all right in every particular, as it will avoid the features that were fatal to the previous bill.

The speaker stressed the idea that since cotton has become the cornerstone of international finance the south has it in its power to dominate largely the finances of the United States, through the wise directed efforts, instead of occupying a subservient position as it does today.

He said the time has not yet come when southern genius and statesmanship has proved equal to the task, but that some man may rise up and handle the cotton situation as Carnegie has handled steel or Morgan railroads. The speaker told how the cotton market was so controlled as to compel the cotton producer to turn loose, no matter what the price may be, and in this situation it is the small planter who suffers most, for the large planter is usually able to warehouse his cotton, even under present conditions, and hold it for a rise in the market.

The speaker magnified cotton, but said emphatically that no price can do the farmers much good unless they live at home and make their own supplies. The address was a good one and was well received and at its close the audience voted unanimous thanks to the speaker.

FLAGGED TRAIN WITH SHIRT.

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C. once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50c at F. B. Speed's and McMurray Drug Co.

WHY SO WEAK?

Kidney Troubles May be Sapping Your Life Away. Abbeville People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, weak kidneys may be the cause. The slightest symptom of kidney trouble is too serious to neglect. Doan's Kidney Pills have earned their fame by their effectiveness in strengthening the kidneys and keeping them well. Here is Abbeville testimony to prove their worth:

I. S. Gilbert, Abbeville, S. C., says: "For six years I suffered from kidney complaint, the principal symptom being a constant, dull pain in the small of my back. I became tired easily, felt languid and was also subject to headaches and a blurring of my sight. The secretions from my kidneys were too frequent in passage and I was forced to arise during the night. Learning of Doan's Kidney Pills, I procured a supply and began their use. They relieved me from the first and I continued taking them until a complete cure was effected."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
