

SPOT CASH CLEARANCE SALE

The Greatest Money Saving Event of the Year

New, Clean, Seasonable Merchandise
At a Sacrifice

When we bought our Fall and Winter stocks certain lines were priced way below factory cost. We could not resist the temptation to buy more largely than usual, and we have sold the goods considerably far less than the usual retail prices.

But we find at this time that some lines are broken, and rather than carry the goods over for another season, we are going to close them out at a cut prices. This means that you will buy high grade seasonable merchandise for less money than the same goods cost today at wholesale.

The men's and women's Dry Goods, Clothing, Shoes, Hats, Notions and other merchandise offered in this sale will be just as good a year from now as they are today, but we need the room for our Spring and Summer Goods. It will be better for us to sacrifice our profit on these goods than to carry them over until another season. It will pay you to take advantage of these bargains. Money saved is money earned.

Sale starts Jan. 22d, closes Feb. 7th
