Brolis Lured into Ambush and Died Down the Line at a Camp in Honolulu City.

Marine City—The war department's latest official dispatch on the tongues of war on the front line of the campaign against the Nipponese is that the Allied forces have completely routed the enemy's forces in the north of the islands of the Philippine archipelago. The first statement of the war department was that the Allied forces had made a successful stand against the Nipponese forces in the south of the islands, but the new statement is that the Allied forces have completely routed the Nipponese forces in the north of the islands. The Allied forces have completely routed the Nipponese forces in the north of the islands, and the Allied forces have completely routed the Nipponese forces in the south of the islands.
