**FORCED TO DO IT—**

On account of the high price of meats of all kinds, I am forced to raise the price of my meats a s follows:

Steak, 25c; Roast, 17 1-2c; Stew, 12 1-2c; Lard, 20c. I have tried to keep prices down, but the high cost of meats has forced me up, and I hope my customers will realize the COST of meats at this present day and continue to give me their ppatronage, and oblige. Yours for business,
