### TAX ON LUXURIES

TO RAISE BONUS

Washington, April 2.-Soldier relief legislature with probable provision for a cash bonus fund for which would be raised by a sales or luxuries tax was approved today by the house ways and means committee by a vote of 15 o 6. Details of bill to be worked out by subcommittees to be appointed Monday.

Members of the committee hope to obtain final action by the house before the contemplated recess for the national political conventions, but they expres doubt whether action by the senate could be had at this

session.

Senator Lodge Massachusetts Republican leader after a conference today with other senate Republicans as to future legislation in the senate, said he thought this would include a bill to give a money bonus to former service men, with provisions for a special tax to raise the necessary funds. The program approved by the house committee declares against ny bond issue. It is understood to ave been submitted by Representative Longworth, Republican, Ohio, and was discussed at great length in xecutive sessions.

While the exact form of legislation was not decided upon, committee discussion was said to have indicated approval of a plan of extending vocational education as an alternative to the cash bonus. These two plans are a part of the American Legion's program. Its other selected plan of government aid to soldiers and sailors for building some homes or obtaining ownership of farms were said by some members of the committee to involve too many differences to be worked out by legislation before the recess.

Spokesmen for the committee said it was planned to have the final draft of the legislation ready for submission to the house within a fort-night. As no decision was made as to the amount of the bonus or the cost of other plans that might be adopted, it was said that no estimate of the funds needed could be made at this time. It also was said that there has been no decision as to whether the bonus would be paid in a lump sum or be graduated according to the length of service of each individual.

The program is understood to have the approval of the Republican leaders of the house assuring early consideration for it.

### BEST MEDICINE HE EVER SAW

"I want to recommend Meritone as the best medicine I ever saw," said W. H. Prather, a well-known employee of the N. C. & St. L. Ry., of No. 4 Bessie Street, Chattanooga, Tenn.

"My son's health was all run down after he got up from an attack of the influenza. He had no energy at all and could hardly drag around. His appetite was so poor that he didn't care for anything to eat.

"He kept going down and fell off in weight and nothing did him any good.

"Finally I heard of Meritone and what it was doing for others, and decided to let him try it."

"Since taking two bottles he has gained five pounds and just cant get enough to eat."

"That tired, draggy feeling has left him and he delights in doing his school work now."

"He has a better color and sleeps fine. In fact, Meritone has made a new boy out of him and he is as happy as can be."

Meritone is sold exclusively in Abbeville by The McMurray Drug Co.

### EAT LESS MEAT IF BACK HURTS

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

At a moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

### Health About Gone

Many thousands of women suffering from womanly trouble, have been benefited by the use of Cardui, the woman's tonic, according to letters we receive, similar to this one from Mrs. Z. V. Spell, of Hayne, N. C. "I could not stand on my feet, and just suffered terribly," she says. "As my suffering was so great, and he had tried other remedies, Dr. — had us get Cardui. . . I began improving, and it cured me. I know, and my doctor knows, what Cardui did for me, for my nerves and health were about gone."
