Come When and Where Opportunities Are Greatest

Our Semi-Annual Sale is firmly established as the greatest Price Reducing Event in this section of the country, and this July Sale will eclipse all of our previous efforts, because never in the history of our business have we had so many or such unusual values for you. Our entire stock must be sold and the old saying "at cost" isn't to be regarded. The hot months are young yet and our line of Cool Goods is complete, so this is your opportunity of securing Seasonable Goods at unheard of Prices. Then we are not confining our sale to Summer goods, but our entire stock is included.

Don't wait until the second day to come as the very item you want might be closed out. Let's all meet bright and early Thursday morning, July 7th, and as many days as we can for 14 days.
