

ABBEVILLE, WINS GAME

From Laurens Thursday by Score Of 4 to 2.

After losing Tuesday Abbeville went back to Laurens and takes first game by score of 4 to 2. Kennedy's pitching for Abbeville was as good as could be asked for, letting the heavy hitting Laurens boys down with two hits and two runs. The whole team played well and hit the ball when hits meant runs.

Scoggins led the way for our boys, getting three hits in as many times up.

By winning while Greenwood was losing to Anderson, put Abbeville and Greenwood tied for first place.

Anderson Wins.

Anderson, June 29.—Heavy hitting by Anderson and the airtight work of their infield combined to give them a 15 to 2 victory over Greenwood in the first game of their two game series here today.

Calvert, Watson and Stewart were one after another knocked from the box by the Electricians, who secured an even dozen hits, including a triple and one double. Jones allowed the visitors to chalk up but seven hits and the teamwork of the Electricians rendered these little value. Major and McGee played stellar ball for the locals, while Stuart and Lumly did good work for Greenwood, all of these getting a couple of hits.

TARIFF RATES GAIN APPROVAL

Washington, June 29.—Rates on cattle and meats written into the tariff bill with the approval of the Republican agriculture-tariff bloc and ranging generally higher than those in the house measure were approved today by the senate by overwhelming majorities. Not only did the Republicans vote solidly for the first time since the bill was called up nine weeks ago, but there was the first real split in the Democratic ranks.

Five roll calls were demanded during the day and all showed about the same results. The first was on the rates of one and a half cents a pound on live cattle weighing less than 1,050 pounds and two cents a pound on such cattle weighing more than that amount and the result was 48 to 15. Senators La Follette and Norris (Republicans), who consistently had opposed duties in the bill, voted with the solid Republican majority while Democrats who supported the committee amendment were Ashurst of Arizona, Jones of New Mexico, Kendrick of Wyoming, Pittman of Nevada and Sheppard of Texas.

The second roll call was on the committee amendment to increase to three and a half cents the two rate proposed by the house on fresh beef and veal. The vote was 47 to 17 with six Democrats voting with the solid Republican majority. Senator Broussard (Democrat) of Louisiana, who had voted for the committee rates right along and who announced that he would vote for the bill on its final passage was the sixth Democrat on this roll call.

DOUBLE BILL ON FOURTH ANDERSON AND ABBEVILLE

Other Forms of Amusement On July 4th For Intervening Periods

Arrangements were completed this morning by which there will be a double bill between Anderson and Abbeville teams of the Carolina league, here on July 4th, to supplement the various other forms of amusement that have been provided for the day. Previously it was arranged that Anderson would play Orr in one of the games and Abbeville in another, however, Abbeville will figure in both contests on that day.

The morning game of the double header will be called at 10 o'clock while the afternoon contest will be at the usual hour of 4 o'clock. Other forms of amusement will serve to engage the attention of the July 4th visitors in the intervening periods, between the games.

It is expected that both of the teams will begin the day under a full head of steam, they having divided on the first series played here.—Daily Mail.

NUXATED IRON

READER TAKES NUMBER FORM OF IRON—FEELS YEARS YOUNGER

"Six weeks ago I saw a special offer in the paper telling how thousands of people grow old in looks and energy long before they are really old in years, because, as examinations by physicians have shown, an enormous number of people do not have enough iron in their blood. I have been taking Nuxated Iron for two weeks: the results are simply astounding. The roses have come back in my lips and cheeks, and I can conscientiously say that I feel ten years younger." The above is a hypothetical case showing the results that have been achieved by a great many people since we started this "satisfaction or money back" offer on Nuxated Iron. We will make you the same guarantee. If, after taking the two week's treatment of Nuxated Iron, you do not feel and look years younger, we will promptly refund your money. Call at once for a bottle of Nuxated Iron at Austin-Perrin Drug Co. or any other Drug Store.

Guests are invited to private bull fights in Madrid as they would be to a dinner.
