[CIRCULAR.]
To Planters & Merchants.
BEG leave to inform you, that I continue the WAREHOUSE and COMMISSION BUSINESS at my old stand, known as the WATER-PROOF WAREHOUSE. Detached as it is from other buildings, its location renders it nearly as secure from fire as if it was fire-proof. The floors have been elevated above the high water mark of the great freshet of May, 1840.

Planters will thus be secured from the possibility of loss and damage by freshets. I avail myself of the present occasion, to return my thanks to my friends and patrons, for their liberal support during the past season. I solicit from them and the public generally, a continuance of this confidence, and assure them that in return for their patronage, I will use my best personal efforts to promote and protect their interests, committed to my charge. In addition to this assurance, I pledge myself that I will in no case purchase a bale of cotton, directly or indirectly. I will attend personally to the sale and forwarding of cotton to Savannah or Charleston; also, to the sale of Bacon, Flour, &c. &c., and to the receiving and forwarding of goods to the up-country. Having a fine wharf attached to my Warehouse, no wharfage will be charged on cotton to my care, either for sale or to be forwarded to Savannah or Charleston.

My commissions for selling cotton, will be 25 cents per bale, and 12 1/2 cents for forwarding. I will also attend to the buying of goods per order.

Very respectfully, yours, &c.

DR. SPENCER'S VEGETABLE PILLS
A PUBLIC BLESSING.
THESE PILLS have long been known and appreciated, for their extraordinary and immediate powers of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable. They are particularly recommended to all those persons who are afflicted with any kind of chronic or lingering complaint, as there is no medicine before the public which has so natural and happy effect upon the system in correcting the stomach and liver, and in the formation of healthy chyle and thereby purifying the blood.

They are acknowledged by the hundreds and thousands who are using them, to be not only the most mild and pleasant in their operation, but the most perfectly innocent, safe and efficient medicine ever offered to the public.—Those who once make a trial of these Pills never afterwards feel willing to be without them, and call again and again for more, which is sufficient proof of their good qualities.

HEADACHE—SICK OR NERVOUS.
Those who have suffered and are weary of suffering with this distressing complaint, will find Spencer's Vegetable Pills a remedy at once certain and immediate in its effects. One single dose of the Pills, taken soon as the headache is felt coming on, will cure it in one-half hour entirely.

As a remedy in summer and bowel complaints, they display their wonderful powers to admiration, and are far superior to anything in use for these complaints.

In Dyspepsia and Liver Complaint, they stand unrivalled. Many have been cured in a few weeks, after having suffered under the dreadful complaint for years.

In Habitual Constipation they are decidedly superior to any Vegetable Pill ever brought before the public; and one 25 cent box will establish their surprising virtues, and place them beyond the reach of doubt in the estimation of every individual.

They are invaluable in nervous and hypochondriacal affections, loss of appetite, and all complaints to which females alone are subject. They are mild in their action, and convey almost immediate conviction of their utility from the first dose. They may be taken by persons of any age; and the feeble, the infirm, the nervous and delicate are strengthened by their operation, because they clear the system of bad humors, quiet nervous irritability, and invariably produce sound health.

Upwards of three hundred and seventy thousand boxes of these invaluable Pills have been sold within the last twelve months in three States alone, and more than three times the same quantity in other States.

As an anti-bilious medicine, no family should be without them. A single trial of them is more satisfactory than a thousand certificates.

Talladega Springs, Talladega Co. Ala. } August 17, 1842.
This is to certify, that I have been afflicted with Sick Headache, Dyspepsia and Liver Complaint, and Constipation for the last eight or nine years, during which time I had taken, as well as I recollect, about sixty boxes of Bock's Pills, twelve boxes of Peter's Pills, and a number of boxes of Chamberlain's and Brandreth's Pills, all of which afforded me but little or no relief. At last I was recommended to try Dr. Spencer's Vegetable Pills, and well I did! For I never had but one attack of the Sick Headache, after I commenced taking the Pills, (now about six months,) and I candidly confess, that I have derived more real benefit from the use of Spencer's Pills, than from all the other Medicines and Pills that I have ever taken, and I would earnestly recommend them to all as being in my opinion, the best medicine in use for all lingering complaints. The Pills have done me so much good, that I would not feel willing to be without them for five dollars a box; and I cannot but feel very grateful to Dr. Spencer for having prepared such a valuable medicine, and the distribution of it is conferring a very great favor on the public, as it is a thing of the utmost importance that every family should have a supply of Dr. Spencer's truly valuable Pills constantly on hand.

SHEFFIELD, Fayette Co. Ala. Jan. 10, 1842.
Dr. Champion:—Dear sir, I have been a great favorite of Dr. Sappington's Pills, and until last fall had not heard of your Pills. Your agent has left some in this country, and I have used them in my practice to a considerable extent, and I can with pleasure say, that as far as my knowledge extends, they are much superior to any medicine I have used in cases of Fevers. I am so forcibly and from personal knowledge convinced of the salutary and all important effects of your Pills, that I am extremely anxious to have you make an agent in this vicinity. There can be a large amount sold here for cash.

Yours truly, H. P. LEONARD, M. D.

Dr. Champion:—Dear sir, Of the pills which I received from you, I have found sale for a considerable quantity. I think that it will be sickly here in consequence of the wet spring. Your pills give such general satisfaction here, that I am persuaded by my neighbors to write to you for a large supply of both kinds. It is now known that I keep them, and people will come 30 or 40 miles for them. Please send them soon, as I expect to sell all that I have written for by the time your agent is around in July.

Yours with much respect, BENAJAH KING.
