Brought to the Jail

OF this District, a negro man, who says his name is ELLICK, and that he belongs to Dr. Armstead, living in Petersburg, Georgia. Said negro is about five feet, eight or nine inches high, between thirty and thirty five years of age, and of dark complexion. He has on the upper part of his nose a scar, also one on his right eye. He is inclined to be low-legged. The owner is requested to come forward, prove property, pay charges, and take him away, or he will be dealt with as the law directs. C. H. GOODMAN, Jailor.

IS THIS MEDICINE!

We excluded the other day, on tasting some of Jayne's Tonic Vermifuge. It certainly has none of the nauseous flavor, which one associates with the idea of physic. Children consider it quite a treat, and in taking it their palates are gratified, and their health restored at the same time. Jayne's Tonic Vermifuge not only destroys worms, but carries off the mucus in which they are imbedded, and effects a radical and permanent cure. Every mother knows the prominent symptoms of worms, such as voracity, leanness, sleep breathing, gringing of the teeth during sleep, paleness of the lips, itching of the nose, &c., but there is other indicia not so generally recognized. A dry cough, dull eyes, enlargement of the abdomen, and many other symptoms, and many other symptoms common to other diseases, frequently denote the presence of worms. If their existence is even suspected, the Vermifuge should be administered, because it can do no harm in any case, and may do incalculable good.

Timby's Patent Union WATER WHEEL.

THIS Wheel is adapted to SAW MILLS, GRIST MILLS or other Machinery, requiring water power, and to all heads of water. It will move Machinery with more power, and with a less quantity of water than any wheel now in use, (except an overshot under an extreme high head.) It has been thoroughly tested with different wheels in many parts of the United States, (several cases in this State,) and in all cases has proved superior.

The subscriber is prepared, at any time, to test it still further, with any wheel in this State. It is not liable to be clogged or injured by sticks passing through, or impeded by backwater, so long as there is a head above it. It is made of Cast Iron, is very simple and durable.

The subscriber being authorized to sell Rights of this Wheel in Edgefield District, is prepared to sell to suit purchasers, on terms that cannot fail to give satisfaction and if required will apply them to Mills.

Letters addressed, post paid, to the subscriber, at Edgefield Court House, promptly attended to. H. N. PIPER.

This may certify, that I have recently had put in operation on my place, one of Timby's Patent Union Water Wheels, upon a very small stream, and am very well satisfied with the performance of the same. Discharging about 160 inches of water, it cut during one day's imperfect trial about two thousand feet. I have no hesitation in recommending it as a highly useful invention. W. L. LEWIS, St. Matthews Parish, June 17, 1846.

This will certify, that I have tried Hotchkiss' Patent Reaction Water Wheels, and Timby's Patent Union Water Wheels; and that I greatly prefer the latter, having abandoned the former after a six months trial of them. I have now the Union Water Wheels applied to my Grist and Saw Mills, which operate to my entire satisfaction. WILLIAM J. TAYLOR, Kershaw District, July, 1846.

This is to certify, that after having used a Flouter Wheel for a long time, in a Saw Mill, I tried a wheel called Hotchkiss' Patent Vertical Reaction, and have since had a pair of the UNION WHEELS applied, by Mr. Chapin, and found them far superior to either of the former. ALEX. R. TAYLOR, Columbia, May 7, 1846.

The Subscribers have tried what was called Hotchkiss' Reaction Wheels, on the Columbia Canal, since which they have substituted Timby's UNION WHEELS, and find from experience, that the latter are far superior to the former. CANAL & WAREHOUSE CO. May 5, 1846. J. P. PERRIN, Administrator, Nov 2, 1846.

TO THE FAITHLESS!— If any doubt the wonderful powers of "DR. CULLEN'S INDIAN VEGETABLE PANACEA," we invite them to call upon Mr. Isaac Brooks, Jr., Jefferson street, fourth door west of Schuykill Sixth street, below Locust, and learn from his own lips one of the most astonishing cures of Scrofula ever performed on a human being—or call at the residence of his father, Eleventh and Vine streets. Sold by JOS. T. ROWAND, 376 Market street, Philadelphia. R. S. ROBERTS, Agent, Edgefield C. H. South Carolina. October 28.

SALEM WITCHCRAFT OUTDONE!— Mr. T. Rowand—Dear Sir—For four or five years I have suffered greatly from Rheumatism in my head, which during the last year became worse and worse. For four or five weeks previous to the 15th inst., I had suffered without intermission, my general health was much impaired, my sight injured, and my head so sensitive, that I could scarcely rest it upon the pillow. Two days since, a single application of your "MAGIC LOTION," relieved me entirely in two or three minutes. I have applied it occasionally since, and the soreness is nearly gone! So great and sudden was the change, that I can scarcely realize that I am the same man. I have also cured one of my children, and a female friend of headache in two or three minutes. So great is my confidence in the "MAGIC LOTION," that I would not be without a bottle for "fifty times its cost." Yours respectfully, JACOB W. SOUDER, No. 350 Market street, Philadelphia, January 17th, 1846. Prepared and sold Wholesale and Retail, by J. T. Rowand, 376 Market street. R. S. ROBERTS, Agent, Edgefield C. H., South Carolina. October 15.

Notice. ALL Persons having demands against the estate of Charles Limbeck, dec'd., are requested to present them legally attested, and those indebted are requested to make immediate payment. FREEMAN G. ROPER, Adm'r. November 4.
