Female Beauty. CULPABLE NEGLECT—It has been observed by visitors from all other countries as well as by persons of the best cultivated taste in this, that in no country is there a larger class of female beauty and excellence, than in this city. Yet, while the shoe-fitter, dress-maker, and milliner are engaged in adorning "nature's best gift to man," one part appears almost totally neglected—the Hair. How often do the ravages of disease lay waste the delicate form of the fair and beautiful, and though restored to health again, yet these flowing locks which once adorned their heads, fall off and never again return to their original beauty. It is inconceivable how any person, more especially a lady, can manifest so much neglect on this point, when a "never failing remedy" can be obtained at No. 8 South Third street, Philadelphia, and asking for Dr. Jayne's Hair Tonic, which will perfectly restore this only neglected part of female beauty. What is a dollar or two to complete the crowning point of female beauty? Bronchitis, Cough, Consumption—Thousands die annually with the above diseases. Jayne's Expecto-rant never fails to relieve, and permanently cures nine out of ten who use it as directed. R. S. ROBERTS, is Dr. Jayne's only Agent at Edgefield C. H., South Carolina. READ! READ! READ!—Having used HEWES' NERVE and BONE LINIMENT, prepared by JOSEPH T. ROWLAND, I can certify to its good effects. A troublesome rheumatic affection in my right shoulder of three years' standing, was by a few applications thoroughly cured. Fifteen months have elapsed since its use, without a recurrence of the complaint. Several relatives and friends to whom I recommended it, have also received great benefits from its use. A general knowledge of its virtues would be the source of the alleviation of much pain and inconvenience. With this object in view, I have without solicitation authorized Mr. Rowland to make use of this testimonial as he may think proper. Thos. J. Houry, 201 North Sixth street. PROSPECTUS OF THE Southern Baptist Review, PENNFIELD, GA.

IT is proposed to publish in this place a Quarterly Review, adapted to the wants of Baptists in the Southern States. Of the importance of such an enterprise, we presume there can be no doubt. Hitherto, we have been content to trust to the north for a large portion of our religious literature.—With the exception of weekly newspapers, scarcely any publications have been issued by Southern Baptists, with a view of keeping pace with the intellectual advancement of the age. The direction of opinion upon subjects of great importance and of peculiar interest to us has been committed to other, and often hostile hands; and publications have been circulated among our churches containing sentiments adverse to our institutions, and injurious to our christian character. It is time that we should think and write for ourselves. The Review will contain articles on important subjects; reviews and notices of literary and religious works, as well as other interesting and valuable matter. It will be published quarterly at \$3 per year, payable on the delivery of the first number. To those who take the Index, the Periodical Library, or the denominational paper published in the State in which they reside, it will be put at \$2.50 the year. Four will make an octavo volume of 600 pages. The Review will be published by Rev. J. Joseph S. Baker, and edited by Rev. J. L. Reynolds, Professor of Biblical Literature, Mercer University. The first number will appear in April, should the enterprise meet with the encouragement which is confidently expected. January 20. 4t 52

DR. JAYNE'S VEGETABLE PILLS AND SPENCER'S PILLS & RESTORATIVE BITTERS. The following Certificate is from Tobias Folsom, Esq., of New-Haven Dist. S. C. Kershaw District, S. C., June 2d, 1846. I HAVE used in my family Spencer's Pills, for two years past, and during that time my confidence in their superiority over every other similar preparation within my knowledge has been constantly increasing. I now esteem them to be the best cathartic Pills in use. From my earliest remembrance I have been afflicted with Sick Head-ache and Costiveness, and for a number of years past have been trying various advertised remedies, among others; Beckwith's, Low's and Peter's Pills; but failed to obtain any permanent relief, until Jan. 5, at which time Dr. Spencer's Agent left me some of his Pills; recommending me to try them for my complaint. I did so; and by their superior action upon the morbid matter, and their mild yet effectual purgative properties they so cleared my stomach, and bowels that they removed both the head-ache and its cause, and gave me certain and speedy relief. My mother-in-law has also used them with success in the same complaint which she has had, so severe as to throw her into spasms and convulsions, being obliged in these cases to resort to cupping and other severe applications. Have also made frequent and constant use of these Pills in my family, in cases of Bowel Complaint, brought on by the too free indulgence in use of Berries and Fruit, and in ALL CASES with success. In short I have never known of their failure in any disease which they are recommended to cure, for which I have known of their being tried, if their use was persevered in, and directions strictly followed. Jayne's Expecto-rant, THIS Medicine has already proved itself to be all that it has been recommended, by those who have given it a fair trial in this country, and the demand for it increases daily. We have just heard of an important cure of Asthma, which has been effected by the use of it in a neighboring town—the case was that of a female, who had for a long time been under the care of a physician, but had received no relief, and her case was considered hopeless. As a last resort she purchased a bottle of Dr. Jayne's Expecto-rant, which caused her to expectorate freely, gradually eased her cough, and rapidly restored her to health. We have no hesitation in saying, that this preparation of Dr. Jayne, for the cure of Coughs, Colds, Influenza, Asthma, Consumption, &c., is the most valuable medicine ever offered to the American public. There is no quackery about it—Dr. Jayne is one of the most skillful practicing physicians in Pennsylvania, and wherever his various preparations have been thoroughly tested, he is looked upon as a great public benefactor.—Somerset (Maine) Journal. WORMS IN CHILDREN!! Of all diseases to which children are exposed, none are so fatal to them as worms. Unfortunately, children are seldom free from them, and as they imitate the symptoms of almost every other complaint, they often produce alarming effects without being suspected. Worms are not only a cause of disease themselves but by their irritation aggravate all other diseases, wandering from one part of the body to the other, winding themselves up into large balls, and obstructing the bowels and frequently the throat, causing convulsions, and too often death. The desired remedy will be found in Dr. Jayne's Tonic Vermifuge—which will very soon destroy the worms, and invigorate the powers of digestion, so as to prevent a return of them. Consumption, Cough, Spitting Blood, &c.—To Consumptives, Four-fifths of you are really suffering from neglected colds, or an obstruction and consequent inflammation of the delicate lining of those tubes thro' which the air we breathe is distributed to every part of the lungs. This obstruction produces pain and soreness, hoarseness, cough, difficulty of breathing, hectic fever and a spitting of blood, matter, or phlegm, which finally exhausts the strength of the patient, and death ensues.—Jayne's Expecto-rant never fails to remove this obstruction, and produces the most pleasing and happy relief. It is certain in its effects, and cannot fail to relieve. R. S. ROBERTS, sole Agent, at Edgefield C. H., South Carolina. January 13. 5t

SAMUEL WITCHCRAFT OUTDONE.—Mr. T. Rowland—Dear Sir—For four or five years I have suffered greatly from Rheumatism in my head, which during the last year became worse and worse. For four or five weeks previous to the 15th inst., I had suffered without intermission, my general health was much impaired, my sight injured, and my head so sensitive, that I could scarcely rest it upon the pillow. Two days since a single application of your "MAGIC LOTION," relieved me entirely in two or three minutes. I have applied it occasionally since, and the soreness is nearly gone! So great and sudden was the change, that I can scarcely realize that I am the same man. I have also cured one of my children, and a female friend of headache in two or three minutes. So great is my confidence in the "MAGIC LOTION" that I would not be without a bottle for fifty times its cost. Yours respectfully, JACOB W. SOUDER, No. 350 Market street Philadelphia, January 17th, 1846. Prepared and sold Wholesale and Retail, by J. T. Rowland, 376 Market street. R. S. ROBERTS, Agent, Edgefield C. H., South Carolina.
