THE ADVERTISER, Edgefield, S. C.

WEDNESDAY, OCT. 21, 1903.

When a woman goes into society her husband usually goes into bankruptcy.

It's just this way: If you wide tire your vehicle it will not be necessary for you to tire your horse.—Ex.

The Governor of North Carolina might say to the Governor of South Carolina that it is a short time between acquaintances.—Greenville News.

Hon. F. B. Gary has again been honored by being appointed to preside at a special term of Civil Court to be held at Lexington on November 16th.

It is rather remarkable that out of four newspapers published in Edgefield county, none of them have a good word for J. H. Tillman. On the contrary, they all seem to have a pretty poor opinion of him.—Bamberg Herald.

Mr. E. D. Andrews, of Greenwood, executor of the estate of the late J. L. Andrews, has through his attorneys, Sheppards and Grier, brought suit against the Southern railroad for \$65,000 for killing Mr. Andrews some months ago.

Once again South Carolina has had odium heaped upon her by the recent flagrant miscarriage of justice. Soon after the verdict "not guilty" was flashed over the wires from Lexington, the writer was on a train in conversation with a gentleman, a non-resident of this state, whose short but significant comment was: "If I ever want to kill a man I'll entice him to South Carolina."

With the rendering of the verdict "not guilty" the curtain has fallen upon the most unfortunate tragedy that is recorded upon the pages of South Carolina's history. And now that James H. Tillman has been relegated to private life the press should withhold further criticism. However, in future should he aspire to fill public office, then those who mould and shape public sentiment should do their full duty in the premises.

A resident of New York, a Christian Scientist and believer in faith healing, failed to provide a physician for his little daughter who was stricken with and subsequently died of pneumonia. The father was indicted and convicted of criminal negligence, receiving a sentence of 500 days imprisonment. He should not have been ungrateful of the fact that we are enjoined to watch as well as pray. That is, to use the means at hand to accomplish the desired end while invoking Heavenly aid.

Augusta is making great preparations for the annual reunion of the Confederate veterans of Georgia which is to be held November 10-12th. South Carolina veterans are invited. Free lodging and meals will be provided for all who are unable to defray their own expenses. This will also be a gala vacation for the young people, Broad street being the scene of a veritable exposition midway. Augusta will be in holiday attire and will keep open house for her country cousins.

We are not opposed to college athletics when kept in proper metes and bounds but we are unalterably opposed to certain popular games, football, for instance—in which brute force is at a premium. The preparation for and participation in the intercollegiate knock-down-and-drag-out contests are extremely demoralizing to the entire student body of an institution having a team that enters

them. Be it said to the credit of Furman university that she has no football team this year. Let us hope that this means more brain culture and less brawn culture, while the reverse seems to obtain at some institutions.

A FORLORN HOPE.

Those who are considerate of the well being of society and guard with a jealous eye the good name of South Carolina had cherished the hope that the day had passed in this state when the unlawful shedding of human blood, even by those in high position, would go unavenged. This, however, has become a forlorn hope, a delusive phantom. Furthermore, it is needless to expect a realization of this ideal condition as long as there are some men who will swear by the Holy Book and straightway perjure themselves; as long as there are incompetent, if not dishonest, jurors, and as long as designing and unscrupulous lawyers, who are a disgrace to the honorable profession, clog the wheels of justice.

RESOLUTIONS

Passed by the Edgefield Baptist Church on the Retirement of Rev. P. P. Bialock as Temporary Pastor.

WHEREAS the Rev. P. P. Bialock has served this church as temporary pastor for ten months of the period that the church was without a permanent pastor, be it

Resolved: First, that we tender the said P. P. Bialock our sincere thanks for his faithfulness and untiring zeal and efforts put forth for the upbuilding of the church, being always at his post of duty and ever actively engaged in ministering to his flock in their homes as well as from the pulpit, during the week as well as on the Sabbath day. In severing the relations of pastor and people we invoke a continuance of Heaven's richest blessings upon the labor of his hands in whatever field he may be engaged.

Resolved, second, that a copy of these resolutions, being an expression of appreciation for valuable services rendered as temporary pastor, be inscribed upon the records of the church, that the denominational and county papers be requested to publish same and that a copy be forwarded to Rev. P. P. Bialock by the church clerk. J. L. MIMS, O. SHEPPARD, W. B. COGBURN, Committee.

JOHNSTON.

The W. C. T. U. had a most enthusiastic meeting on Monday afternoon at the home of Mrs. J. R. Ivey, Mrs. W. L. Seigler and Mrs. D. T. Outz were elected representatives to the Convention of Anderson, beginning on the 18th inst.

The New Century Club held its regular meeting at the home of Miss Lucile Mobley. Considerable interest is manifested in the new course of study, and several new members have been added to the roll. Mr. James A. Richardson is having lumber sawed for the erection of several shops at the corner of Lots Avenue. They will be supplied with a full set of "up to date" tools and material, and first class work of all kinds will be given the patrons. He expects to begin work next week and is ready to serve the public by the 1st of Dec. Our oil mill commenced running last Tuesday, but closed down a day or two on account of scarcity of water. A much needed rain fell Friday and Saturday.

Mr. A. P. Lott has ginned 642 bales of cotton within the past five weeks and believes the crop much less than last year.

The late crop of Irish potatoes, tomatoes, and cucumbers, is a practical demonstration of the capability of our soil.

Miss Louella Strother entertained on Friday evening in honor of her cousin, Miss Mamie Scurry, a lovely young lady from Chappells.

Mr. W. A. Jordan was called to Augusta by telegram announcing serious illness of his father.

Mrs. B. B. Watkins, of Clearwater, spent Friday in town having returned from the burial of her father Mr. Elijah Dorn.

A telegram received Thursday answered the serious illness of Mr. George Lott of Augusta. He is in the hospital and is believed to have appended.

The merry go round is in town, and negroes, children and a few giddy headed old folks are having fun.

ROBBED THE GRAVE.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at The Penn Drug Store.

"We hope that all the mothers of our community have read the advertisement of Dr. Moffett's teething powders (Teethina) that has been appearing in this paper, as it comes to us highly endorsed by the best people of the land who have used it. Teethina is not a patent medicine but a favorite prescription of Dr. C. J. Moffett, who graduated at Jefferson Medical College, Philadelphia, Pa. and has had much experience in the treatment of children, and his Teethina becoming so popular he was forced to abandon the general practice to devote his time to the manufacture of these powders that have saved the lives of thousands of children. It is claimed that nothing equals them for the irritations of teething and the summer troubles of children of any age; and no mother with small children should be without them."

Money to Loan.

A GREAT SENSATION.

There was a big sensation in Leesville, Ind. when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma's but your New Discovery gave me immediate relief and soon thereafter effected a complete cure. Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It is the peerless remedy for all throat and lung troubles. Price 50c, and \$1.00. Guaranteed by The Penn Drug Store. Trial bottles free."

BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses everyday give the stiffness and shape that healthy bones should have. Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it. In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.

CHEAP LANDS

FOR HOME-SEEKERS AND COLONIES. The country along the Cotton Belt Route in Southeast Missouri, Arkansas, Northwest Louisiana and Texas offers the greatest opportunities for Home-seekers. Mild climate, good water, cheap building material, abundance of fuel, and soil that will often in a single season yield enough to pay for the ground. Land can be bought as cheap as \$2.54 an acre, prairie land at \$4 and \$5 per acre up, bottom land at \$5 and \$6 per acre up improved or partly cleared land at \$10 and \$15 per acre up. Some fine propositions for colonies—tracts of 2,000 to 8,000 acres at \$4 to \$10 per acre—big money in this for a good organizer. Fruit and truck lands in the famous peach and tomato belt of East Texas at \$10 to \$20 per acre up. Write us for information about cheap rates, excursions dates, also literature descriptive of this great country and let us help you find a home that will cost you no more than the rent you pay every year.
