A thoughtful farmer remarked to The Advertiser man Monday: "I believe I'll sow all of my land in grain and not plant a seed of cotton next year." Were thousands of farmers to make and carry out such a resolution the staple would easily bring 15 cents.

Miss Hortense Peak left Edgefield on Friday for Williamsburg county, where she has been engaged to teach music and three other grades in the graded school of Zeb in that county. She spent Friday night in Columbia as the guest of Mrs. Burts. Miss Hortense will be missed in the church and community life of Edgefield, and will be a great addition to the community in to which she goes as teacher, especially on account of her musical gifts of which she knows how to make practical use.

Candidate For The State Senate.

Not only are the races for governor and the United States senate gradually assuming definite shape for next year's campaign but the county political pot is also beginning to simmer. We understand that Mr. Giles D. Mims will probably be a candidate for the state senate next summer instead of the House as heretofore reported. He was in town Monday shaking hands with his friends.

An Industrious Bachelor.

Good reports from cotton pickers continue to come in, but all things considered, Mr. Donald Smith is entitled to first place. He has been picking more than 400 pounds a day and cooking his own meals besides. Ye Antioch-Red Hill girls, you had better by some hook or crook entrap this industrious young bachelor.

Fame Has Gone Abroad.

The following request from London, England, shows that The Advertiser's fame has literally gone abroad:

Beaulieu, Wimbleton Park, Surrey, England.

Editor The Advertiser, Edgefield, S. C.

U. S. A.

Dear Sir: Will you please send me a specimen copy of your paper, also the yearly terms of subscription.

Yours truly,

Capt. A. A. Glover.

The Advertiser is pleased to note that a military company has been organized at North, with Mr. A. A. Glover as captain. They have made a wise selection in electing Mr. Glover their superior officer. For a number of years he was one of the most efficient and most active members of the Edgefield Rifles. Mr. Glover's loyalty and faithfulness has had much to do with keeping the historic old company up to a high standard. We expect to hear good reports from Capt. Glover's company at North.

Death of Mr. Wood.

Another Confederate veteran has joined his comrades on the other shore. Mr. Ginese Wood died early Monday morning at his home near Antioch, having completed his 80th year. He lived a quiet, retired life, always true to his friends and kindly and devoted to his loved one. The funeral took place at Antioch yesterday morning, the funeral being conducted by Rev. J. T. Littlejohn. Mr. Wood reared a large family and was spread to his loved ones for a longer period, four score years, than is usually allotted to man. He is survived by his wife, two daughters, Mrs. W. H. Powell, Mrs. Geo. Wood, and five sons, Lewis, Thomas, Henry, William and Press Wood.

Death of Mr. Henry W. Yonce.

When our young friend Henry Yonce passed away Monday, the Philippi-Long Branch section lost a sterling citizen, one whose life was pure and whose influence was a positive force for good. He was a member of Calvary church, the funeral being conducted by his pastor, Rev. P. E. Monroe.

The county can ill afford to lose such young men as Henry Yonce. Energetic, intelligent, ambitious and progressive in spirit, he was a leader in his community. It matters not what was undertaken for the community's good Henry Yonce could be counted on to do his full share. The sincere sympathy of his friends go out to his devoted young wife, a bride of only four months.

The Floral Parade.

Edgefield has become quite famous for its annual floral parade, which for the past two years has been the crowning feature of the fair. The outlook for the parade next week is exceedingly encouraging. The ladies who have the parade in charge have done their utmost to create interest and enthusiasm, and have been rewarded for their efforts by having a large number to consent to enter the parade. The following will be represented in the parade: U. D. C., Dixie Chapter, Beaver Dam Mills, S. C. C. I. senior class, Edgefield Graded school, Wagon of Clowns, The Chronicle, The Advertiser, Miss Sophie Abney's school, W. H. Turner, Smith-Marsh Co., Dorn & Mims, Ramsey & Jones, Dunovant & Co., H. H. Dr. Jeffries Enters Upon New Field.

Dr. M. D. Jeffries was very cordially greeted at the train Saturday night by a goodly portion of the Baptist congregation and was accompanied to the home of Mrs. Kate Lynch where he will reside until his family reaches Edgefield. Dr. Jeffries preached two very able sermons to large congregations at the Baptist church Sunday morning and evening. He already occupies a warm place in the hearts of the people among whom he has come to labor.

Mrs. Jeffries and their two daughters, Misses Anna and Rose Jeffries, are expected to-morrow. Dr. Jeffries has five sons, three of whom are engaged in business, one is a student at the University of North Carolina and the youngest son is attending the University of Tennessee. Dr. Jeffries will occupy the house near the depot that was occupied by Dr. Burts.

NOTICE.

To the Patrons of the Colored Public School of Edgefield Village: On account of the scarcity of labor, and the fields are still white with cotton, we have decided not to open the public school until the first Monday in November. As we are to have all new Teachers the parents are requested and urged to bring their children on the above named day, in person.

Big Show Coming. The Mighty Haag Railroad Shows have the only orchestration in America to-day. The orchestration was originally brought to this country by the German government to

place in the German exhibit at the Jamestown Exposition, and as the exposition did not prove successful, the orchestration was never used, and after several attempts Mr. Haag was fortunate enough to secure it, and then only to lease it for this season, and it returns to Wurttemberg, Germany, after the close of the present season with The Mighty Haag Shows. For lovers of good music, there is a great treat in store when they hear the orchestration with The Mighty Haag Shows which exhibits at Edgefield October 20th.—Adv.

Senator Tillman Active.

"Senator Tillman has to me the appearance of a man good for at least 10 or 12 years more of active public service," said Gen. U. R. Brooks, clerk of the supreme court, Thursday, on his return from a visit to Edgefield county. He saw the senior senator at Trenton Wednesday. "The senator's eye is clear and mentally he seems to have lost none of his characteristic acumen," said Gen. Brooks. "He retains an active interest in all public affairs and keeps himself well posted on the developments from day to day. I found him busy cutting roughness into ensilage and stowing it away in his large silos to feed his cattle

during the winter. He takes constant delight in all the work of his farm."—Thursday Columbia Record.

How to Kill Weevils.

"How shall I keep cowpeas over for seed to avoid weevils?" Get a good lot of the naphtha moth balls from a drug store and mix them all through the peas and then store them in tightly covered barrels or boxes. This is the method seeds men use. If weevils appear at any time, open the peas and place some carbon bisulphide in a saucer on top of them and close up, and the fumes will sink through and kill the weevils. Keep fire away from this as the fumes are explosive. But the moth balls will usually prevent any weevils.—Progressive Farmer.
