Residence, No. 17.

LOCAL AND PERSONAL.

Wanted—Blue Back Spellers for "The Deestrick Skule."

Every shoulder is put to the wheel this week—the wheel of the cotton planter.

Prof. Obediah Threewitts believes that if you spare the rod you "spile" a good scholar.

Misses Elizabeth and June Rainsford came home from the College for Women to spend Easter.

Mrs. J. P. Onzts accompanied by her two children, Edith and Byrnes, visited relatives at Ridge Spring last week.

Mr. W. J. Hatcher is about the best auto salesman to be found in forty states. He spends some time in Edgefield and every now and then places a new car.

Mrs. Julia Heintz, and her daughter, Miss Mataline Heintz, of Augusta were guests of Mrs. J. H. Allen Friday.

Mr. B. B. Wilson is here spending several days. His Edgefield friends are always glad to clasp his hand.

Cadet Egbert Morgan came home from the B. M. I. and spent Easter with his parents, Mr. and Mrs. S. E. Morgan.

The Choral class will meet Friday night in the High School auditorium at 8:15 o'clock. A full attendance is desired.

Prof. Obediah Threewitts thrashes his scholars right and left, making no exceptions of the girls, some of whom are more "mischievous" than the boys.

Miss Mamie Dunovant came home and spent the week-end here with her parents, Mr. and Mrs. R. L. Dunovant. She was affectionately greeted by her friends.

Edgefield was well represented at the centennial celebration at Philippi church Sunday. Candidates and prospective candidates from other parts of the county were also there.

Mr. W. B. Cogburn received a letter from Mrs. J. L. Hardy of Savannah Monday stating that her sister, Mrs. Tee Wates, is very ill and is not expected to live but a few days.

Those who fail to attend the "Deestrick Skule" next Monday night will regret it when they hear afterwards of the splendid success that was made of the play. Every part is well rendered.

Large assortment of Men's straw hats just received in the late styles. Come in while we have your size. Mukashy Bargain House.

Mr. W. A. Edmunds spent Sunday here with his parents, Mr. and Mrs. A. A. Edmunds, while en route from Anderson to Walterboro to accept a position in a newspaper office of the latter place.

Mr. B. M. Sullivan was in town yesterday for the purpose of purchasing a mule to take the place of a valuable mule that died Sunday morning. The loss was something like \$300, which falls heavily upon a farmer, especially at this season of the year.

The old-style guano horn has been abandoned, as it could give a stream of guano large enough for the latter day intensive farmer. It was all right when 200 pounds per acre was considered good fertilizing, but since the mark has reached 600, 800 and 1,000 per acre a distributor drawn by a mule is required.

Hon. J. C. Sheppard spent the latter part of last week with his son, Mr. J. C. Sheppard, Jr., at Black Mountain, N. C., and early last Friday morning while viewing the beautiful mountain scenery in the vicinity of Black Mountain he saw one prominent peak covered with snow. It was rather an unusual sight for Good Friday.

Mr. C. M. Mellichamp was in town Saturday and while here stated to The Advertiser's representative that he has definitely decided to become a candidate for the office of auditor. The Morgan school which he has been teaching for several years will close next week, after which time Mr. Mellichamp will not be regularly engaged and can devote much time to the campaign.

He is a good man and has friends throughout the county who will gladly cast their ballots for him.

COMFORTING WORDS.

Many an Edgefield Household Will Find Them So.

To have the pains and aches of a bad back removed, to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting words to hundreds of Edgefield readers.

Mrs. L. K. Dann, Edgefield, S. C., says: "Kidney complaint came on me quickly, undermining my health with its torturing pain. My kidneys and bladder both caused me much suffering and I had fainting and dizzy spells. Doan's kidney pills had been very beneficial to others of our family and I decided to try them myself. I was not disappointed in the results for this remedy relieved me from the first and soon restored me to good health. I shall always recommend Doan's kidney pills, for I do not think there is another kidney medicine quite as good."

capillaries of the lungs, and injure the cells of the body. Did you ever see a cigarette fiend—one on whom the cigarette habit has fastened itself so that he can not leave it off tho' he knows it is killing him? People who use the cigarette are restless in their movements and cannot remain in one place long at a time.

Mother knows a young man who was so nervous from smoking cigarettes he could not sleep well so he would get up in the morning and smoke one or two boxes. The last time she heard from him he was in the Adirondack mountains with tuberculosis or lung disease.

Men or boys who smoke cigarettes do not make good marksmen because their weakened nerves make the hands unsteady. In a class at Yale College 90 per cent of the first known men were non users of tobacco. Some of the best colleges in the United States have taken the stand against tobacco in any form. Some of the minor effects of the cigarette are irritated eyes and eyelids, stained lips and teeth. This stain is a poison called nicotine which injures the heart so much.

Boys, the worst is yet to come. Besides all this harm the cigarette does to the body, it weakens the will power so that you cannot resist sin in its many forms. You can be led into evil places, you can not resist strong drink, you are in everything a moral coward. When you start the habit of cigarette smoking, every 5 cent piece goes for tobacco and cigarette leaves. When you get out of money the awful craving will cause you to beg others for a cigarette. White boys and men have been known to even sink so low as to beg a negro for a smoke.

Now, boys I guess I've said about enough. We may not be athletes but we want to have a strong body and a clear brain. We would like to be first known men in our classes. We want to be a success. So lets take care of these bodies God gave us. Lets take part in every thing we possibly can for our own upbuilding, and the betterment of others.

FRAUD PAINT.

The worst mistake one is likely to make in painting is wrong paint; it is easy to make.

We all say "Ours is the best;" and there are 1,000 of us. One is best; but a dozen are so near on a level that no one knows, for sure, that his is the one.

The worst paints are worst liars; they know what they are, put on a bold face, and brazen it out.

Their one true argument is low price; but low price paint is always, must be, a fraud; it is made to cheat cheatable people.

Devoe.

THINK OF TRAVELING

from 10,000 to 12,000 miles on a single set of tires! With most cars, especially the heavier ones, this would be considered an impossibility. But it is a common performance for the METZ "22". In fact, owners of these cars frequently report even greater mileage.

EQUIPPED COMPLETE 1914 IMPROVEMENTS

METZ "22" \$475

WINNER OF THE GLIDDEN TOUR

The Gearless Car—No Clutch to Slip—No Gears to Strip THE METZ "22" is easy on tires because it carries no surplus weight, and is equipped with gearless transmission—which does not start the car with a jerk. It travels from 28 to 32 miles on one gallon of gasoline—another big saving. It is a thoroughly practical car the most economical on the market to operate.

The METZ "22" makes from 5 to 50 miles per hour on the high speed, and climbs hills fast as any car made. It is a fully guaranteed car, torpede semi-enclosed body, left-hand drive and center control, fitted with standard equipment throughout, including 4-cylinder 22 1-2 h. p. water-cooled motor. Bosch magneto, 30" artillery wheels, best quality

Goodrich clincher tires, etc. The METZ team of three cars won the last Glidden Tour in competition with cars costing from five to ten times as much; and the METZ team was the ONLY team that held a PERFECT SCORE, without additional allowance or time extension of any kind, for the entire eight days of the contest.
