ADAM'S BIG BOLL DROUGHT RESISTING COTTON.

Two years ago I purchased some improved cotton seed from a Georgia farmer who had bred it up, paying \$1.18 cents per pound for the seed. It is large, deeprooted, resisting drought storm and rust. Have made 664 pounds per acre of lint on thin land by using only 200 pounds of standard guano. On same grade of land with my next best variety only made 300 pounds of lint. Seed cotton from 32 well developed bolls weighs a pound. Will stand drought three weeks longer than other varieties.

I have a limited quantity of seed that I will sell for \$5.00 per bushel. Send in your orders at once.

"Clean Up the Bowels and Keep Them Clean"

There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force what should be accomplished by persuasion is Dr. Miles' Laxative Tablets.

After using them, Mr. N. A. Waddell, 315 Washington St., Waco, Tex., says:

"Almost all my life I have been troubled with constipation, and have tried many remedies, all of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their chocolate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the bowels and keep them clean," is the advice of all physicians, because they realize the danger resulting from neglected constipation. Do not delay too long, but begin proper curative measures.

Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory after trial, return the box to your druggist and he will return your money. Write MILES MEDICAL CO., Elkhart, Ind.

Pleasure and Protection

"One of the best reasons why I would not be without telephone service," writes a Georgia farmer, "is the pleasure it gives my wife and the knowledge that while I am away, she has the protection that the telephone gives."

On the farm the telephone dispels loneliness and is the means of bringing help in any emergency that may arise.

If you haven't a telephone on your farm see the nearest Bell Telephone Manager or write for our free booklet and learn how little this service costs.
