## Early Tomato Plants.

No one need lack for early tomatoes this year. Plants that are strong and vigorous can be had from Mrs. George F. Mims at a reasonable price. In order to supply her own garden with early tomato plants Mrs. Mims sowed seed of several popular varieties in a hotbed, and having more than are needed for the home demand she will sell them as long as they last. Better order them at once. These plants are superior in every way to those shipped from Florida and are also better adapted to this climate.

## "Clean Up" Day at School.

The teachers of the Edgefield graded and high schools have set apart Friday, April 16, as "clean up" day for the school, and invite and urge co-operation on the part of the parents of the community. Either send a hand and cart or both to the school Friday and in that way contribute your part toward putting the campus, buildings and premises generally in a thoroughly sanitary condition. By cleaning up and thoroughly cleansing the premises at this time an epidemic of disease may be averted among the school children. Giving the teachers your full co-operation will be a public spirited act and at the same time it will promote your own interests by providing a healthful atmosphere for your children during the remainder of the session.

## Divisional Rallies.

Mr. and Mrs. John Lake will arrive in Edgefield on Saturday coming from Denmark here, in order to attend the three divisional meetings of the Woman's Missionary Union of Edgefield association. The first of these meetings will be held with Mountain Creek church on April 18, next Sunday, to which all the public are invited. Mr. and Mrs. Lake will speak at this meeting, and the others on the program are Mrs. George Davis of Orangeburg, State Superintendent of the Young Woman's Auxiliaries for South Carolina, and Mrs. Mamie N. Tillman, who on request of the Mountain creek society will speak of her visit to the Holy Land.

### REPUBLICAN, SECOND DIVISION.

On Tuesday April 20, there will be a meeting of the second division at Republican church, the same program being used. All the societies in the second division are especially urged to attend this meeting and any of the others they find it possible to attend.

### PLUM BRANCH.

The meeting of third divisional union will be held with the church at Plum Branch on Wednesday the 21st. Each society has been notified of the date, are urged to attend this rally, at which the same program will be carried out. It is the great desire of all the societies that a large number may be present at the three all day rallies, and especially as this may be the last opportunity many will have of seeing our Missionaries again before their return to China.

Mrs. J. L. Mims,  
Supt. Edgefield Association.

## SCHOOL CLOSURES.

### McKendree School Has Good Session. Creditable Exercises. Address by Col. Watson.

The closing exercises of the McKendree school would have done credit to our High School. Miss Rosalind Ouzts, daughter of Dr. W. D. Ouzts, teacher of the McKendree school, a handsome young blonde in her teens, displayed as much artistic taste in arranging the charades, tableaux, etc., as one of many years of experience. Miss Rosalind has the spirit of the successful teacher. The certificates of merit and cards of praise given out to her deserving pupils showed that the school was successfully run. We have a previous occasion, spoken of by people in this section. We would soon think of the history of New York without the Stevens, Tylers and Vanderbilts, as to think of McKendree, without the Ouzts, Dorns, Timmermans, Shaffers, and other pioneer settlers of the original Holland stock. These people are proud of their school and their young teacher and are building a foundation of knowledge upon which their children will erect a structure of wisdom which will increase the citizenship of Edgefield county.

Dr. Walter D. Ouzts is a leading spirit in this community. He is a successful physician, progressive farmer and leader in every good work. Dinner was served at a public table. It looked like a great wedding feast, in which a tremendous family and all the neighbors were welcomed. We don't remember ever seeing real pound cake, chicken salad and every other good thing to eat at a picnic. We certainly appreciated the court shown us by Mrs. J. L. Mims, Mrs. Ouzts, Mrs. E. L. Stevens and others.

After dinner Col. E. J. Watson spoke. Col. Watson has a national reputation as a speaker. His speech on this occasion laid bare the glaring defects of our agricultural-economic system.

On our return, we came by Pleasant Lane, the home of Mr. F. L. Timmerman. Here we saw what should be seen on every farm in the State, fields of clover and grain, heads of cattle, flocks of sheep, mule and horse colts. Notwithstanding it was Saturday evening, his plows were going. If this system of farming and farm management has made Mr. Timmerman one of the most progressive and independent citizens of the county, why not other farmers do likewise.

## Farmers Bank Had Good Year.

The stockholders of the Farmers' bank held their annual meeting at noon Wednesday in the directors' room of the bank and the statement which has been issued shows that the institution has had a very successful year, in spite of the business depression incident to the European war. A dividend of 12 per cent. was ordered paid on the capital of \$56,000. The bank has loans aggregating \$319,086.28 and deposits of \$221,054.03. After paying the dividend of 12 per cent. the remainder of the net earning was passed to the surplus and undivided profits account, which amounts now total about \$66,000. The officers, A. E. Padgett, president; Thomas H. Rainsford, vice-president; W. H. Harling, cashier, and W. A. Byrd, assistant cashier, were re-elected. The following were re-elected directors: Thomas H. Rainsford, C. P. DeVore, A. E. Padgett, E. H. Folk, W. H. Harling, C. A. Wells, W. B. Penn, S. B. Mays and J. William Thurmond.

## JOHNSTON LETTER.

### "Clean up" Day Observed. Educational Rally Promises Success. U. D. C. and D. A. R. Meetings.

The past week which was set aside as clean-up-week by Governor Manning, was well observed by the town, "clean-up, screen up and paint up," being the watchword of the day. The town council materially aided by providing extra trash carts, and the street and premises everywhere present a pleasing appearance. Johnston can vie with any place for climate, having such an altitude and with the town so alive to the problems of sanitation, its residents should pass through the summer months in health and happiness.

Educational rally day which will be held here on Friday, April 23, promises to be one of the most enjoyable days of the calendar. County superintendent has urged that all schools give holiday on this date and join in the observance with the High School. The speakers of the day, State superintendent of education, J. E. Swearingen, Prof. Hand, state superintendent of high schools, Mr. McMahan of Columbia, and Mr. Lucas Gunter, superintendent of rural schools, will draw a large crowd even though other attractions of the day had not been planned. The exercises will be held in the auditorium of the High School and during this period the flag will be presented to the school by the D. A. R. In the afternoon field exercises, one feature of which will be basket ball and base ball games will be enjoyed. The ladies of the town are all going to cooperate by bringing baskets and an hour or more with a picnic spread will be another enjoyable feature. The public is invited and it is hoped that every one will make an effort to be present on this occasion.

The following invitation has been issued:

"Mrs. Augustus Calhoun Mobley requests the honor of your presence at the marriage of her daughter, Josephine Mims, to Mr. Oliver Wallace Hamilton, Wednesday afternoon April the twenty-first at 3 o'clock, First Baptist church, Johnston, S. C."

This marriage is one in which much interest is centered for the bride is one of Johnston's sweetest and most beloved young women. The fact though, that by her marriage she will be moved from loving friends brings regret. Mr. Hamilton is a brother of Mrs. Allen Mobley and is a young business man of sterling worth. He is of the F. F. V's.

Mr. and Mrs. Hiliary Westley Crouch have announced the engagement of their daughter, Miss Elise Catherine Crouch, to Dr. Lucius Sloan Maxwell, the happy event to take place in the month of June. The wedding will be a church affair and of great elaborateness. The wedding is pleasantly anticipated, for both of these young people are held in warmest affection by many, the bride being a charming young woman.

Once a year a co-operative meeting of the W. C. T. U. and missionary societies of the various denominations is held, this meeting being held Friday afternoon in the Methodist church. The pulpit was beautifully decorated in lilies and blooming plants. The hostesses were Mesdames J. L. Smith and J. W. Marsh, who pinned a white bow on each as they arrived. In the W. C. T. U. Mrs. M. T. Turner is superintendent of the co-operative department, and she arranged the program and presided over the meeting and in her opening remarks told of the importance of the subject, "Co-operation." Following is the program as arranged: Hymn, "Christ for the world we sing"; scripture 2nd Peter, 1st chapter; Prayer, Mrs. M. A. Huet; roll call and minutes by secretary, Mrs. J. A. Doherty; paper, "Relation of temperance to missions," Mrs. M. L. Kester; song by the L. T. L.; leaflet, "Temperance and missions," Mrs. J. W. Mobley; vocal duet, "The homelander for Jesus," Mesdames L. C. Latimer and J. H. White; reading, Miss Cleve Moyer of the Y. P. B.; paper, "Co-operation of the W. C. T. U. and mission societies,"
