

GREAT SACRIFICE SALE

For two weeks we have been getting in new goods daily. Most every express and freight brings us loads of new merchandise. We have bought at a very close price, and as the season is almost gone, we realize that in order to dispose of our stock on hand, with what we have on the way from New York, we must sacrifice part of our profits. So our loss is your gain. Come and bring your friends.

Read this price list and take a trip to our store and see for yourself the values we are offering in this sale
