# War Saving Economy Liberty Sale

Our Long-Range Gun  
of Money-Saving Val-  
ues Will Attack High  
Prices

During the stress of war we are called upon to make sacrifice and practice economy to the fullest. In keeping with the spirit of thrift, and realizing our duty as merchants, we have arranged this War Saving Economy Liberty Sale for **TEN DAYS ONLY**, commencing

**Saturday, April 27, and Continuing Until Tuesday, May 6**

We have lately received over \$20,000.00 worth of brand-new merchandise. We could keep this stock, sell it at regular price during the season now opening, and save much money by holding over all unsold stock another year, when prices are sure to be at least doubled what we paid, but we propose to mark everything right down, and we trust that each individual who is benefitted will feel duty bound to invest their saving in Liberty Bonds and War Saving Stamps. Read these values carefully, then come to the sale and supply your needs.
