

**Just What She Needed.**

"I used a bottle of Chamberlain's Tablets some time ago and they proved to be just what I needed," writes Mrs. Volta Bankson, Chillicothe, Mo. They not only relieved me of indigestion but toned up my liver and rid me of backache and dizziness that I had been subject to for some time. They did me a world of good and I will always speak a good word for them."

**NOTICE.**

The board of county commissioners will receive bids for the erection of a steel bridge across Stevens Creek on the Ninety Six road near Meeting Street. The bridge is 120 feet in length, being three spans of forty feet each. The right is reserved to reject any and all bids.

R. N. BROADWATER,  
Supervisor.

**For Sale at Auction.**

The undersigned will sell at auction to the highest bidder at 11 a. m., the first Monday in October, the buildings, stalls, fence and all improvements on the Edgefield county fair grounds. This will afford persons who contemplate erecting barns, tenant houses, garages, etc., an opportunity to secure first-class second-hand material at a reasonable price. The right is reserved to reject any and all bids. Terms, cash.

## Mr. Automobile Buyer

Are you in the market for an automobile? If so it will pay you to wait two weeks and see the new OVERLAND FOUR.

Ten years ago when John N. Willys built his first car it was his aim to build a light car at a price in reach of all. This car was ready for the market three years ago, but on account of the war the building of it was postponed. Now it is ready for the market, and I am expecting a large number in a short time.

Have already taken orders for a number of these cars. See this car on exhibition at my show rooms at Edgefield within two weeks' time.

Miles per gallon on gasoline will surprise you. As for riding no car at any price will compare with the springs on the New Overland Four.

Fifteen cars of this model have recently been driven from New York to San Francisco and return on average mileage of 22 1/2 per gallon of gas and an average 150 miles a quart of oil was attained.

### SPECIFICATIONS:

Read these facts about this model—

- Road clearance 12 3-16 inches under front axle.
- Under rear axle 9 1-2 inches.
- 30x3 1/2 inch tires all round.
- Transmission 3 speed forward and reverse.

Gasoline tank is gravity fed, which does away with vacuum tank and long gas pipe. It has 2-unit starting and lighting system "Auto Light."

## Banks Make Mistakes

Everybody makes mistakes. That's why they put erasers on lead pencils. Oh, yes, banks make mistakes too! But—

We correct mistakes too! We correct them whenever or wherever found. The old gag that "no mistakes corrected after you leave the window" has never been a part of our policy. We don't offer a prize for every time you catch us in a mistake, but—

We offer to correct the mistake, and we don't care which way the mistake goes—in your favor or in ours.
