FOR THE HERALD.

I'm thinking as I watch the stars gleam ou Like jewels on the bosom of night, Am thinking, and thinking, am lost in doubt Will our record be dark or bright?

Who of us I wonder has gathered a gem, That will one day shine in a crown; Or shall we like the virgins ten Not all be gathered 'round?

Yet we know they are but clay, To earthly shrines our offerings bring, Though we must fade and they. The brightest hope, the fairest flower Blooms brightly but to die,

Ambition, fame, wealth and power

Pass away like a zephyr's sigh. Then strive to brighten the hearts and hon Which God in his goodness has given, Hallow with love the sacred hearthstone, Dearer than all, save heaven.

Wreathe with the beautiful roses of love, Every cross which darkens life's way. Be tender and true, as the angels above, Who dwell in endless day.

Then in the Lamb's great book of life, Bright shall our record be, When done with earth ly toil and strife, We cross the jasper sea. Williamston, S. C.

## HIS NEWSPAPER CONTRI-BUTION. He was a fi end of mine, and

50. Gray.

used frequently to drop in and give me advice as to how I ought to run He was a minister, and consequently thought I should devote a

little more to the cause of religion, and not quite so much to politics.

He said it could be made a power for good in the Western land, in which we had cast our fortunes. He was a lover of the original, too, and said he disliked to see reprint, and thought I should write

more—take the time, in fact, to fill "Brother, you had a glorious

meeting at the school-house last night, I heard—suppose you write it up for me?

He didn't seem to act as though he wanted to. I urged. He flushed a little, and stood

around awkward like. He had never been honored with an invitation to write for the press before. I still urged.

Then he took off his gloves. And his hat. And his overcoat. Then I gave him a seat at the table, with paper and pencil. He sat down to editorial work.

He had always been talking about how it should be done, and now he He started in. I went about my work, and hav-

ing written a column or two of matter for the week's paper, left him still writing, waile I went out to solicit some advertisements. I was gone an hour or two, and

when I came back he was still at it. He was sweating awfully. The table and floor were white with copy-paper, and the pencil in

his hand was much diminished in length. I went to dinner.

When I returned he was at it There was more paper scattered around, the pencil was shorter and he was wetter. It was summer.

The hours dragged along into the middle of the afternoon. Great cords stood out on the preacher's heated brow. His eyes were bent on the dazzling white paper before him, and his fingers moved nervously, and

the pencil was a stub. I began to grow frightened. I knew I had only a small weekly paper, and that its fourteen columns of space (one side was a patent 29. An official dreaded by the inward) would not hold the contents of the Bible, and a supplement

At last the man looked up, and, timidly advancing with a piece of 32. A game, and a male of the paper in one hand, suddenly turned and went back to change a word.

Then he came on again, and, like ion, held out the paper and feebly asked:

"Will that do?" I looked. There were just seven lines of it,

advertising measure! He was a large man-weighing over 300 hundred pounds then, but when I mei him three weeks later, he weighed less than 125. He had been sick.

The seven-line-nine-hour effort was too much for him. But it was all lost. He never advised an editor again. Neither did he ever compose for
