Deaths.

Mr. Wm. Smith died at his home near Martin's Depot, Laurens County, Sunday afternoon. He was about sixty years of age and a good and useful citizen.

Mr. Solomon Hargrove, of the Molloh section, died Sunday in the 88th year of his age. He was one of the oldest men in the County, and was most highly esteemed for his many good qualities. Mr. Hargrove was a Captain in the Florida war. Some of our oldest citizens can recall the race in 1886 between Mr. Hargrove and H. K. Boyd for the captaincy of this company.

Raising Another Ebenezer.

The congregation of Ebenezer Church will go to work in a short time to build a new church. Mr. A. J. Kilgore, who is a very good carpenter, will superintend the work.

The Meeting the 17th.

The speakers at the Grand Democratic Rally at Newberry the 17th will be Senators Butler and Hampton and the nominees on the State ticket. Let everybody turn out to hear them.

Managers of Election.

The following persons were appointed Friday by the Governor as Managers of Election for this County for the General Election to be held the 2nd of November: James Y. Culbreth, James K. P. Goggans, white, and Thomas Davis, colored.

A Case of (Very Much) Mistaken Identity.

While Capt. A. P. Pifer was in Columbia Friday on his way home from Virginia a colored hackman asked him for five dollars. Capt. Pifer was surprised at the negro's asking him for money and wanted to know what he meant. The colored Jehu replied, "I am a delegate to the Congressional Convention, and we're all going for you for Congress from the Third District." The Captain told him he had probably taken him for David R. Pifer; and he said he had.

The Nomination of Col. Aiken.

The Convention of the Third Congressional District met at Newberry the 24th ultimo. The Convention was organized by the election of E. M. Rucker, of Anderson, as President, and Thos. W. Holloway, of Newberry, as Secretary. J. W. Shelor, of Oconee, nominated Hon. D. Wyatt Aiken; D. J. Notts, of Lexington, seconded the nomination. Senator Jno. H. Kinsler, of Richland, nominated Col. Wm. Wallace; Robt. Adams, of Richland, seconded the nomination. Col. Aiken was nominated on the first ballot by 27 to 6—Col. Wallace getting only the Richland delegation. After the nomination J. R. Scott, Esq., of Columbia, in a neat and eloquent address, pledged the undivided Democracy of Richland to the nominee, and moved that the nomination be made unanimous, which motion prevailed.

A New Church.
Is being erected at Bethlehem, Rev. H. S. Wingard's charge. This will be the third church built this year in Newberry county, S. C. There is room for one or two more—one at Dead Fall, and the other a few miles east of the town of Newberry. [Lutheran Visitor.]

A Union Meeting.
Of several churches belonging to the Reedy River Association (Baptist) was held at Enoree Church, commencing on Friday last and including Sunday. There was not a large delegation, some of the churches not being represented. In the absence of the Moderator, Col. J. R. Leavell, Mr. Simeon Pratt was elected to fill his place. Rev. Luther Broadus was the only minister present and had to do double duty and preached the Introductory Sermon as well as the Missionary Sermon on Sunday. The church was crowded on Sunday and a considerable portion of the audience had to resort to the galleries.

ATLANTA, EDGEMOND CO., S. C., July 9, 1879.

Dr. J. T. Hill:
Dear Sir—I take great pleasure in commending to you the HILL'S HEPATIC PAIN EXTRACT, or LIVER MEDICINE, for all diseases for which it is recommended. Knowing the medicinal virtues of the ingredients of which it is compounded, I was induced to give it a trial in my practice, and I unhesitatingly say that it did more in my hands than any "liver medicine" I ever used.

Yours truly,
HENRY N. SLOAN, M. D.

Facts are Stubborn Things.

The purchase of Alaska was the only territorial acquisition made by the United States which has not proved a thoroughly satisfactory investment, and yet what does it matter so that as individuals we can make our own purchases in china, crockery, glass-ware, etc., of those reliable dealers, Messrs. Kingsland & Heath, of Columbia. It is an indisputable fact that you can get the full worth of your money by buying of them. Try it and be convinced.

Been used by the Hottentots in a variety of diseases. From these rude practitioners the remedy was borrowed by the resident English and Dutch physicians, by whose recommendation it was employed in Europe, and has since come into general use.
