**A Young Lady Return-**  
 ING to her country home, after a sojourn of a few months in the city, was hardly recognised by her friends. In place of a coarse, rustic, flushed face, she had a soft ruly complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the **Arcassian Balm**, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing imperfections from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful.—Price \$1, sent by Mail or Express, on receipt of an order by

**Know Thy Destiny.**

MADAME E. F. THORNTON, the English Astrologist, Clairvoyant and Psychometrist, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychometre, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing fifty cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications sacredly confidential. Address in confidence, MADAME E. F. THORNTON, P. O. Box 223, Hudson, N. Y.

Throw away your false frizzles, your swinees, your wig—

**REPARATOR CAPILLI,**  
 FOR RESTORING HAIR UPON BALD HEADS (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with receipt for the money, which will be returned you on application, providing entire satisfaction is not given. **MADAMO H. A. PERRIGO.**

SHE reveals secrets no mortal ever knew.— SHE restores to happiness those who, from doleful events, catastrophic crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers, unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madamo by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed.
