

REGISTRATION.

IMPORTANT ORDER FROM GEN. SICKLES.

HEADQUARTERS 2d MILITARY DISTRICT, Charleston, S. C., May 8, 1867.

General Orders No. 18.] On the third Monday of July next, in obedience to the requirements of the Act of Congress, passed March 24, 1867, Commanding General will proceed and cause to be made a Registration of the male citizens of the United States...

II. One or more Boards of Registration, consisting of three discreet and qualified persons, to be appointed by the Commanding General, will be organized in each county or city, to make and complete the Registration, superintending the election to be held thereafter for Delegates to a Convention to frame a Constitution...

III. The counties in North Carolina, and the geographical districts in South Carolina, will, for the purposes of registration, be divided into convenient Registration Precincts. In each Registration Precinct a Board of Registers will, if practicable, be organized. Several places where the Board will meet and citizens eligible to registration will remain in session two days, from sunrise to sunset, at each place of meeting...

IV. All persons appointed to make the said registration of voters and to conduct said election will be required, before entering upon their duties, to take and subscribe the oath prescribed by the Act approved July 21, 1862, entitled "An Act to prescribe an oath of office." And if any person shall falsely take and subscribe such oath or affirmation, such person so offending and being duly convicted thereof, shall be subject to the pains, penalties and disabilities which, by law, are provided for the punishment of the crime of willful and corrupt perjury...

V. Members of the Boards of Registration will be allowed as compensation four dollars a day for each day actually and necessarily employed in the performance of their duties, and ten cents a mile for each mile travelled on duty. Officers of the army detailed for such duty, will be paid the per diem and mileage allowed for attendance on Courts Martial.

VI. Any citizen desiring to serve as a member of a Board of Registration may forward his application to these Headquarters, addressed to Captain ALEXANDER MOORE, A. D. C. No application will be considered unless accompanied by a written recommendation signed by either the Provisional Governor of the State, a Judge of the Circuit or District Court of the United States, a Collector or other principal officer of Customs or of Internal Revenue, the Assistant Commissioner of the Freedmen's Bureau, or the Commanding Officer of the Military Post within which the applicant resides, certifying its applicant to be a fit and proper person to receive the appointment.

VII. It is essential that every Board of Registration should be composed of persons of recognized consideration and worth, fairly representing the population, and in whose impartiality and capacity the body of voters in the vicinity may have just reliance.

VIII. The boundaries of precincts for registration, the several places within each precinct where the Board of Registration will meet, the day or days on which the Board will meet in each precinct, and also, such regulations as may be necessary for the government of Registers and of Inspectors of Election in the discharge of their duties and to insure the accuracy and completeness of this registration, will be published for general information.

IX. Post Commissioners will report without delay upon the most expedient division of the territory within their commands into Registration Precincts, having reference, when practicable, to existing laws and customs establishing the usual voting places, and keeping in view the importance of affording ample facilities for registration with the least interruption of the ordinary avocations of the people.

Price 75 cents per package, sent post-paid, to any address, on receipt of an order, by BERGER, SHUTTS & Co., Chemists, 285 River-street, Troy, N. Y. Feb 10, 1867 21 1y

A Young Lady Returning to her country home, after a sojourn of a few months in the city, was hardly recognised by her friends. In place of a coarse, rustic, flushed face, she had a soft, ruddy complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she plainly told them that she used the CHASTELLAR'S HAIR RESTORATIVE, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unexpressed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. Price \$1, sent by Mail or Express, on receipt of an order, by W. L. CLARK & CO., Chemists, No. 3 West Fayette-street, Syracuse, N. Y. The only American Agents for the sale of the same. Know Thy Destiny. MADAME E. F. THORNTON, the English Astrologist, Clairvoyant and Psychometrist, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the psychometre, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can assert. She will send when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing fifty cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications sacredly confidential. Address in confidence, MADAME E. F. THORNTON, P. O. Box 223, Hudson, N. Y. Feb 16, 1867 21 1y

Reparator Capilli. Throw away your false frizzles, your swine's tail wig—Destructive of comfort, and not worth a fig: Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair. Reparator Capilli, FOR RESTORING HAIR UPON BALD HEADS (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smooth face, and hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and already so cheaply worthless, and you may have purchased. To such we would say, in their purchase of Reparator Capilli, it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.
