CANCER! CANCER! CANCER!

DR. COUDEN, of Louisville, cures Cancers without pain, the use of caustics, or the knife. (Statement from the editorial columns of Louisville Courier-Journal.) "In calling the attention of our readers to DR. COUDEN'S success, we feel confident that we are doing those who are suffering with this terrible disease no ordinary favor. DR. COUDEN accomplishes all that is claimed for it. Persons who are afflicted with this most fatal of all diseases should lose no time in consulting him. We have had many opportunities of observing DR. COUDEN'S treatment, and have witnessed the most astonishing success. We take pleasure in giving the Doctor a most unqualified endorsement. We publish below two letters from gentlemen well known and of the highest respectability." Louisville, Ky., July 15th, 1869. DR. COUDEN, Louisville, Ky. Dear Sir: As I feel under lasting obligations to you for the success with which you have treated my cancer, I take great pleasure in adding my name in the list of those who have been cured by your treatment. Two years ago a small tumor made its appearance on my neck just over the jugular vein, and soon assumed the form of a cancer. Feeling greatly alarmed, I applied to several of the best physicians in Louisville, but their treatment failed to afford me any relief. Fortunately, becoming acquainted with the case of Maj. Harrow whom you cured, and being strongly urged by Mr. J. M. Armstrong of this city, I placed myself under your treatment, on the second of June last, and in less than six weeks, I found to my great satisfaction that I was perfectly well. To any one wishing further information of my case, I will be most happy to give it. H. N. GAGE, Grocery Merchant, 160, 4th St. Carter's Creek, Maury Co., Tenn. DR. COUDEN, 135 Jefferson St., Louisville, Ky. Dear Sir: These lines leave me in good health. My cancer is well—all healed over smooth and nice. I did not experience the slightest pain during the removal of the cancer, and cannot now discover any unpleasant symptoms about it. Several physicians of high standing have examined it, and pronounced it a perfect cure. Mr. Foster is doing well.—The cancer near his eye is well, and the one on his breast nearly so. The cancer on his left breast is in fine spirits and rejoices much at his good fortune in having met you. As I am well, and Mr. F. nearly so it will not be necessary for us to visit you again. Yours, most sincerely, H. W. SMITH. DR. COUDEN takes pleasure in referring by special request, to a few names of gentlemen of the highest standing in the communities in which they live, selected from a multitude of patrons and friends. A. C. Franklin, Gallatin, Tenn., a gentleman who had a most terrible cancer, which was pronounced incurable by a great number of the best physicians, and is now well. James Alexander, Gallatin, Tenn. Platt, shoe Merchant, " B. F. Brant, am. Quincy, Ky. Billy Bowles, St. Cloud Hotel, Nashville, Tenn. Send for a Cancer Journal, (inclosing stamp) giving particulars of the mode of treatment also containing an extensive list of persons who have been permanently cured; or of one year to thirty-five years standing.
