Special Notices.

LOW PRICES SELDOM COMMAND A GOOD ARTICLE, but in the case of SUMMER BITTERS, the exception proves the rule—it is the best tonic known.

Why Do You Cough? When it is in your power to relieve yourself, a few doses of DR. TUTT'S EXPECTORANT will cure you and allay the apprehensions of your friends; moreover, it is pleasant to take, it produces no nausea, and strengthens the Lungs and throat to resist attacks in the future. Mothers need not dread the Croup when they have a bottle of this valuable compound on their Mantlepiece.

OUR MANUFACTURING INTERESTS.—The manufacturers of the North have asked for and obtained the assistance of the National Government until they have become a burden to the people at large, and the tax paid by the United States for the support of these manufacturers is equal to all the other taxes put together. Let our manufacturers make goods of better quality and at lower prices, than other manufacturers, and they can defy competition without Government help. This, at least, is the plan of Mr. P. D. Toole, of Charleston, S. C., the largest and most successful manufacturer of doors, sashes, blinds and mouldings in the Southern States.

At the commencement of the Diarrhoea, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient,) and then take freely the stomach and bowels with the Pain Killer clear. Should the diarrhoea or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Coma, Dyspepsia, Dysentery, Asthma, it cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle. The Pain Killer is sold by all dealers in Medicines. Prices, 25 cents, 50 cents and \$1 per bottle. Aug. 12, 1870-1m
