Luther Billings, a negro, 27 years old, was hanged by a mob at Brunswick, Tenn., October 10th. He had attempted to assault a white woman. Supervisor Walker, of Greenville, has called an election to be held under the Brice bill provisions for November 14. An anti-dispensary victory is assured. The Supervisor of Fairfield county has ordered an election upon the question of the removal of the dispensary out of the county to be held on December 12th. The dispensary at Marion closed last Saturday, October 7th, and the stock on hand was shipped to the Florence dispensary. However, it is said that there was very little to be shipped, and the institution seemed to gain in popularity after the election. Full returns of the dispensary election in Darlington county, held on last Tuesday, October 10th, have been received from all the precincts. The total vote cast was 959, of which 683 were for no dispensary and 275 for dispensary, giving prohibition a majority of 407. James Bridgeman, a young white man, was decapitated by a passenger train on the Seaboard Air Line last Wednesday night, 11th instant. He had purchased a quart of cheap corn whiskey at the Cheraw dispensary a few hours previous and was probably asleep on the track. Shortly after midnight, October 12th, a mob of about 100 men, supposed to be from Trenton, N. J., took Frank Leavell, a one-legged negro, from jail at Elkton, N. J., and lynched him in the woods near by. Leavell was arrested on the charge of attempting to enter the room of a young lady at Trenton Saturday night. He confessed. The Supreme Court of South Carolina has decided that John Waldrop must serve life-sentence in the penitentiary. Waldrop was convicted in Greenville county of the murder of S. J. Maddox and recommended to the mercy of the court. He was given a life-term and the appeal has been turned down by the Supreme Court. The finding of a man's head in the front of 615 East Eighteenth street, New York, led to the discovery of the murder, on October 12th. The head was wrapped in a white and blue shirt and the Sunday supplement of a German newspaper. Soon after the head was found a man told the police he believed the murder had been committed at 149 Third avenue, and that the body had been cut up. A search of the house resulted in the discovery of the arms and legs of a man in a suit case and the trunk of the body was found in the closet. The law, which was allowed to take its course in the Jim Padgett case, has been vindicated. About two months ago the negro so conducted himself towards a respectable little girl at Johnston that a lynching was avoided by sending Padgett to the penitentiary for safe-keeping. He was brought to Edgefield court house from the penitentiary and placed upon trial for assault with intent to rape. He is a mulatto, 33 years of age, and his intended victim is a white girl, 13 years of age. She gave her testimony against him in a modest way. The jury retired to their room only long enough to write the verdict of guilty. Judge Gage sentenced Padgett to twelve years' confinement in the penitentiary on October 11th.

Bears the Signature of Dr. J. C. Watson. Three Years for Murray.

Columbia, October 14.—George Washington Murray, colored, former Congressman from this State in radical days and reported to be wealthy as a result thereof, will serve a sentence of three years in the penitentiary on the charge of forging a contract of another negro to sell lands to him. The Supreme Court has affirmed the verdict of the lower court, which gave the above sentence and there is now no way out of it unless Murray skips out. It is reported that Murray is out on bond and he is likely to skip. He is quite rich in lands in Sumter county. It seems that Murray was charged specifically with forging lease contracts, sometimes signed by ignorant negroes, whereby the latter practically gave up all rights to their little tracts of land.

Don't Be Imposed Upon. Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. Bell, Walhalla.

Reward will be paid to any person who can find one atom of opium, chloral, morphine, cocaine, ether or chloroform in any form in any of Dr. Miles' Remedies. This reward is offered because certain unscrupulous persons make false statements about these remedies. It is understood that this reward applies only to goods purchased in the open market, which have not been tampered with in any way. Dr. Miles' remedies cure by their soothing, nourishing, strengthening and invigorating effects upon the nervous system, and not by paralyzing and weakening the nerves as would be the case if these drugs were used.

For this reason Dr. Miles' Anti-Pain Pills are universally considered the best pain remedy I have suffered for 25 years with severe pains in my head, heart and back, and have tried everything I could get and could not find any relief until I got a box of Dr. Miles' Anti-Pain Pills. I suffered as long as 12 hours at a time with such severe pains that I feared I would lose my mind. The Anti-Pain Pills gave me relief in from 10 to 20 minutes. I do not have to use Morphine any more. I wish you would publish this so that other sufferers may find relief.

WALKER, R. F., No. 4, Salem, Ind. Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails he will return your money. 25 doses, 25 cents. Never sold in bulk. Miles Medical Co., Elkhart, Ind.
