WALHALLA, S. C.

CONNEROSS AND VICINITY.

Gift to Church—To Help Family of Late Reuben Lee.

Conneross, Sept. 20.—Special: Rev. J. H. Ayers filled his regular appointments here Saturday and Sunday and preached two very forceful sermons. He also preached at the Baptist church at Walhalla Sunday night.

At the Saturday conference, our deacons, Joe W. Walker, W. O. Alexander, Mrs. S. M. Hunsinger, T. D. Alexander and R. B. Owens, were appointed as a committee to see and talk with preachers in regard to our pastorate for the ensuing year.

Mr. and Mrs. Joe Vandiver, of Westminster, and little Guynell were the week-end visitors of Mr. and Mrs. B. D. Breazal.

Mr. and Mrs. S. M. Hannicutt were recent visitors at the home of the former's parents, Mr. and Mrs. J. M. Hannicutt, of New Hope.

P. S. Abbott, of Walhalla, presented to the Conneross Baptist church a large elegant clock Saturday. This was greatly needed and was sincerely appreciated.

The numerous friends of W. O. Alexander, Jr., were glad to see him at preaching last Sunday, he having for some time been confined to his home suffering with typhoid fever.

Mr. and Mrs. G. F. Davis, of Westminster, accompanied by their little daughter, Willie May, visited Mrs. Nettie Hesse and family recently.

Mrs. A. O. Adair, of Avalon, Ga., who recently moved from this place, has many friends and relatives here who will be exceedingly sorry to learn that she has, for some time, been quite indisposed. She is a generous old lady and is one of our oldest church members. We hope soon to hear encouraging news from her.

Mr. and Mrs. Frank Rochester were recent visitors at the home of R. B. Owens.

Misses Pearl and Bewley Hunsinger and Paul Barker will enter the graded school at Walhalla this morning.

We are sorry to know that there are still several cases of fever in the family of Mrs. Reuben Lee near here. Mr. Lee only recently passed to the great beyond, and was preceded by his son, John, but a few days. May the Comforter sustain the bereaved ones and guide them to the Father's home. The Poplar Springs Sunbeam Band is expecting to give a day's work in the near future to help the family with their crop. Let others participate in this charitable work, and thus "let a little sunshine in." It will be greatly appreciated, as the crop is ready for gathering. We hope that the suffering members of the family will soon be fully restored to health again.

Why?

From a small beginning the sale and use of Chamberlain's Cough Remedy has extended to all parts of the United States and to many foreign countries. Why? Because it has proved especially valuable for coughs and colds. For sale by Dr. J. W. Bell, Walhalla; W. J. Lanney, Seneca.

Meeting of Bounty Land Local.

Bounty Land Union will meet Saturday, October 2d, at 10 o'clock a. m. All the brethren are urged to be present, as there is some very important business to be transacted. This is the day to elect officers for the ensuing year; also, to elect delegates to the county meeting. Don't forget that it is the time to pay annual dues. Remember the hour—10 a. m.—and all come. It is very important that every brother be present on this occasion.

A. H. Ellison, President.
J. R. Wright, Secretary.

THE NEWS FROM BOUNTY LAND.

Sunshiners' Box Party Next Friday Evening—Local Matters.

Misses Essie King, of Cental, and Hettie Millikin, of Piercetown, have been recent guests of their cousins, Misses Agnes and Maud Ellison.

The friends of Mrs. A. H. Ellison will be glad to learn that she is able to walk a few steps. We hope she will soon regain her former strength and activity.

Frank Shirley, of Anderson, is a guest in the community.

W. H. Hughs has been elected a delegate from Richland to meet the next session of Presbyterian Synod, which convenes at Charleston.

Mrs. D. A. Perritt requests us to call attention to the following notice of the Missionary Institute to be held at the First Baptist church, Spartanburg, October 12-13, 1909: "The executive board asks that one delegate be sent from each society. The meeting will continue two days, and delegates will receive entertainment. Names of delegates should be sent as early as possible to Mrs. W. B. Abbott, Spartanburg."

Grover Davis, of Atlanta, made a brief visit to homefolks Saturday night and Sunday.

Miss Ella Hayes, of Anderson, spent a few days last week with the Misses Guntharp.

The Bounty Land Sunshine Society will give a box party at the school house next Friday evening from 8 till 12 o'clock. The proceeds are to be used in Sunshine work. The public are cordially invited to come and take part with us in this work. Ladies, bring boxes of good things and let them be sold to the highest bidder. We hope every man, young or old, within reach of Bounty Land will come prepared to buy a box, and that the occasion will be pleasurable as well as profitable.

Misses Carrie and Annie Cobb, of Walhalla, spent a few days last week at the home of A. H. Ellison.

A. S. Rollands, of Charleston, was a recent guest in the community.

LOCAL MATTERS ABOUT SENECA

Society Has a Busy Week—The Cherry-Doyle Wedding.

Seneca, Sept. 22.—Special: The society event of the past week, and one in which the interests of all Seneca were centered, was the wedding of Miss Mary George Cherry and Dr. Edgar Clay Doyle. The nuptials were elaborate and were held at the home of the bride's mother, Mrs. Sarah Creswell Stribling. In the ceremony room columns of white, draped with tulle, formed a semi-circle where the bridal party stood. The ceremony was performed by Rev. W. S. Hamner, assisted by Rev. M. R. Kirkpatrick. The attendants were Mrs. C. C. Jones, Greenville, dame of honor, and Dr. W. R. Doyle, groomsmen; Misses Alice and Clara Wulbern, Charleston; Felicia Perry, Greenville; Almema Coleman, Greenwood, and Mattie Martin, Wimsboro, acted as bridesmaids. The lower floor of the home was used en suite, and the decorations throughout were elaborate and beautiful. After congratulations, a lawn luncheon was served, Misses Maka Jones, Lila Doyle, Carol Herndon and Verna Stribling serving, with Miss Nan Osborne serving mints. The Gossipers assisted in receiving and entertaining. A large number of friends witnessed the ceremony, and their good wishes for the popular young couple were heartily expressed. The bride is the only daughter of Mrs. Stribling, her father, the late George Cherry, having been well known to our people. As Miss Mary Cherry was popularly known here, and being highly cultured from extensive travel and thorough education, she has been a marked ornament in society here and elsewhere. Dr. Doyle has spent the greater part of his life here, and on account of his skill as a physician, his genial manner and sterling worth, has become greatly endeared to a large circle of friends. The couple left on the Southern's vestibule for an extensive tour North-west, after which they will be at home to their friends here. Among the numerous out-of-town visitors were the following: Mrs. James G. Gibbs, Hunter A. Gibbs, Columbia; Mrs. L. Osborne, Mrs. Lizzie Blackley, Mrs. L. F. and Miss Marie Gailard, Miss Nan Osborne, J. R. Shelor, J. J. Brownlee, J. F. Watson and G. B. Greene, Anderson; Mrs. Margaret Adams and Miss Anderson, Hartwell, Ga.; Dr. C. C. Jones, Mr. and Mrs. J. H. Morgan, B. A. Morgan, Miss Maka Jones, Clinton Jones, Jr., Greenville; Misses Laura, Mabel and Ditey Ramsay, Toccoa.

A delightful occasion which called together the Gossipers, of which, as Miss Mary Cherry, the bride was a popular member, was the pin shower tendered by Miss Eleanor Richardson. The colors of the club, red and white, were carried out in the decorations and the elaborate menu. Hearts were played, and the score cards were hand-painted, the handiwork of the hostess. Numberless hearts were used in the decorations, and the lunch table showed the daintiest taste in its arrangement. After luncheon was served the bride-elect was literally showered with pins, of every design and purpose, from a huge red heart. The occasion was one of great charm, and was but another of a series of delightful affairs which the hostess has given to her Seneca bride friends.

At a call meeting of the missionary society of the Presbyterian church Monday afternoon Miss Ethel Kirkpatrick was elected delegate to the union, which meets in Greenwood October 12-13. Miss Bessie Wilson was appointed as the president's substitute.

Cottage prayer meetings are being held nightly at various homes in town, preparatory to the revival services which will be held next week in the Presbyterian church. The meetings are being well attended.

The home of Mr. and Mrs. I. S. Pitts was thrown open to the happy corps of teachers Friday evening, when an elegant tea was given. Lovely roses adorned the tables and everything was beautifully and artistically arranged. Mrs. Pitts, always a charming hostess, was at her best. During the entire evening the teachers were joyfully entertained. Frank Sheldon, Oscar Pitts, A. W. Leathers, Will Dillard, A. L. Gossett called and indulged in the merry games, "I Doubt It" and "Pigg," which were played. Mrs. W. W. White and Miss Blanche rendered delightful music. Cream and cake were daintily served by Misses Augusta Smithson and Augusta Harper. All left expressing highest appreciation to Mr. and Mrs. Pitts for this most pleasant evening with them.

Rev. R. J. Williams, of Greenville, preached an edifying sermon to a large congregation in the Baptist church Sunday evening.

A Sprained Ankle.

As usually treated a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may, in most cases, be effected in less than one week's time. This liniment is a most remarkable preparation; try it for a sprain or a bruise, or when laid up with chronic muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by Dr. J. W. Bell, Walhalla; W. J. Lanney, Seneca.

Notes from Whetstone.

Miss Gussie DuPre, of Walhalla, visited at the home of Mrs. M. E. Conley last week.

There will be preaching at the Whetstone school house the first Sunday in October by Rev. J. H. Stone.

Our school will open again, after a few weeks' vacation, with Miss Daisy Willingham as teacher. C. G. M.

TROPIC STORM ON GULF COAST.

Considerable Damage Done—No Lives Have Been Reported Lost.

New Orleans, Sept. 20.—Considerable damage to property, interruption of railroad traffic and the shutting off of telegraphic communication were the result to-day of a tropical storm, striking the gulf coasts of Louisiana and Mississippi. No lives were lost as far as can be ascertained. The principal property to suffer damage along the coast was bath houses, fishing smacks, club houses and other frail-constructed buildings.

The trains of the Louisville and Nashville were brought to a standstill at Chefmeteur, 30 miles east of New Orleans, this morning by the washing away of its tracks at that point. Shortly before noon the wind was reported to be abnormally high at Chefmeteur, and the water was rising rapidly. Grave fear is entertained for the safety of the railroad bridge there.

While nearly all points along the Mississippi coast felt the force of the hurricane, the wind apparently attained its greatest velocity between Lake Catherine and Waveland, Miss.

The principal damage done in New Orleans was the partial destruction of the big horticultural hall at Audubon Park this morning. The maximum velocity attained by the wind here to-day was 41 miles an hour. Telephone service has been seriously impaired throughout the city.

Heavy Loss in Cuba.

Havana, Sept. 20.—Telegraphic wires and bridges between Havana and Pinar Del Rio are still down, and consequently it has been impossible to ascertain the extent of the damage wrought by the storm last week in that section. It has been learned, however, that many hundreds of peasants are destitute from the destruction of their huts and crops. The treasury is without ready relief funds, and President Gomez last night called a special session of congress for September 24, to make a relief appropriation. The total loss in Pinar Del Rio is to-day estimated at \$1,000,000.

Storm Felt at Beaufort.

Beaufort, S. C., Sept. 20.—The hurricane that swept over Cuba and the gulf began to show itself along the coast here to-day. Many three, four and five-masted schooners, fearing the tempest, are coming up under the lee of Cape Lookout in search of a safe harbor.

Wharves Swept Away.

Pascagoula, Miss., Sept. 20.—This coast has been in the throes of a gulf storm all day, and a dozen or more wharves have been swept away.

Damage at Biloxi.

Biloxi, Miss., Sept. 20.—The gulf storm struck this city at 3 o'clock this morning. It is estimated that the high tide and the wind have wrought damage to property between forty and fifty thousand dollars. Between Beauvoir and Debuys 500 feet of the track of the Gulf Coast Traction Company is washed away.

People Driven from Homes.

Pensacola, Fla., Sept. 20.—Several barges loaded with lumber lost their cargoes, and two were sunk near the western beach here in to-day's storm. Small boats all along the beach have been swamped and pounded to pieces. Long rafts of timber have been carried from storage booms and are adrift in the bay. Residents all along the bay shore west of the city came up to the city late this afternoon and to-night on cars and are housed in the hotels and with friends, leaving their homes to the mercy of the elements. The tide is higher than known for many years.

Grave Fears for New Orleans.

Atlanta, Ga., Sept. 20.—All communication with New Orleans and lower Mississippi is cut out by the gulf coast hurricane. All efforts to reach the section are futile, and much concern is felt for the safety of New Orleans and neighboring gulf points.

The storm had its origin below Cuba and Porto Rico and reached the gulf coast to-day. At 4 o'clock it was blowing 50 miles an hour, and at 5 o'clock buildings were suffering and it is reported inhabitants in Plaquemine parish had been driven from their homes and were in danger of their lives. At 9 to-night the last wire went out, last reports saying the storm was growing in intensity. That whole section is now isolated from the world.

At New Orleans this afternoon the waters of the Mississippi river had risen three feet above the usual stage. New Orleans is five feet below sea level and its protection is only levees and dykes.

In the Wake of the Storm.

Centering Tuesday night in Mississippi, and sweeping north, at the rate of two hundred miles a day, the hurricane which devastated the gulf coast and left a trail of wreck and ruin through four States, continued on its course with unabated fury.

Of the ruin that it has wrought, no one can give an estimate. In New Orleans alone five are known to be dead, and a million dollars will not repair the damage done to the beautiful Crescent City. It is said that the plate glass alone will cost \$100,000 to replace.

UNKNOWN TONGUE TAKES HOLD

Carries a School Election by One Vote, Defeating Extra Levy.

Laurens, Sept. 19.—Quite a lively election was held yesterday at the Long Branch school in which the advocates of the "Unknown Tongue" religion played quite a conspicuous part, winning the election for themselves by voting a negro. It is recalled that this school was the occasion of considerable public comment some months ago when the county board of education dismissed the board of trustees for employing a teacher who was not properly qualified and who consumed much of the school time teaching the "Unknown Tongue."

The election yesterday was on the question of voting a special tax for the schools in that district. All those who are believers in the unknown tongue religion and who withdrew their patronage of the school last spring when the old board was dismissed and a new teacher employed, were opposed to the tax, according to the statement of the managers of the election, who were here to-day and reported the matter to Superintendent Pitts. The final vote was a tie, 14 to 14, but late in the day, one Preston Blakeley, colored, cast his ballot against the tax. The proposed levy was, therefore, defeated, but another petition will at once be circulated. However, it is feared that since one negro voted this time, doubtless more will be influenced at the next election.

The people of the district are much stirred up over the occurrence, since it is their desire to improve the school and the tax is necessary to do this.

Go With a Rush.

The demand for that wonderful stomach, liver and kidney cure, Dr. King's New Life Pills—is astounding. All druggists say they never fail to cure sour stomach, constipation, indigestion, biliousness, jaundice, sick headache, chills and malaria. Only 25c. Sold by all druggists.

A Deplorable Accident.

(Farm and Factory.)

Townville, Sept. 18.—Bery Williams, a young man about 18 years old, accidentally shot himself Friday afternoon about 4 o'clock. Young Williams left home and went to a neighbor's, about one-half mile distant, to see him in regard to some business. He carried his gun along, as there was woods between the two homes, with a view of hunting. He had arrived at a Mr. Cole's and was talking to several men. In some way his gun was discharged, the load entering his left side, causing death in about thirty minutes. Several were present and saw the deplorable accident, and no blame could be laid to any one.

Young Williams was sober and industrious, and a young man just coming into life. He joined the Baptist church about a month ago. His body was buried to-day (Saturday) by the side of his father at the Presbyterian church at this place.

coast come vague tales of frightful devastation and fears that many lives have been lost. The wealthy summer tourists who own pleasure crafts are wont to spend much time upon them, and it is possible that many have been lost.

At Vicksburg two vessels were sunk and a third was driven ashore. Their passengers were rescued. One vessel lies across the channel and has blocked navigation.

From Mobile comes the tidings that the steamer Pleasure Bay is missing, and the people hope that it has been driven ashore and its passengers saved. How many are on it is not known.

In the pretty harbors of Pascagoula and Bayou St. Louis many ships are empty, and the torn moorings tell of the fury of wind and wave. The story in its hideous entirety has not yet been completed.

At Mobile, Ala., after a night of terror, during which the East Indian hurricane swept the city with unexampled fury and the water covered the docks and backed up in the city streets, many houses are unroofed and much physical damage done, but there has been no loss of life so far reported.

The largest steamer plying the Alabama waters, the James T. Staples, was caught by the hurricane this morning and completely wrecked. The damage is estimated at \$10,000.

At Jackson, Miss., several lives have been lost, and property damaged to the extent of several million dollars. Hundreds of buildings were unroofed in the city, fences carried away, and trees uprooted. The east dome of the new Capitol building, consisting of heavy glass and structural copper, was crushed in, several of the upper rooms flooded, and damage caused amounting to several thousand dollars. The old Capitol building was unroofed, several sections of the roofing being carried hundreds of yards away.

All along the gulf coast, and extending at times far inland, the work of the storm's destruction has been great. The storm has equalled, and at times exceeded, the equinoctial gales and East Indian hurricanes of 1908.
