BEGGINGING with a positive and
unquestionable endorsement of
upon which the great
of the Attorneys
General had been built.

A matter of legal necessity,
that the legal offices
the Burtch wheat deal, when the price of
was a loaf of bread, and
and likened other notable
on a crowd who are the
of the spontaneous
his discussion the high. It.

The President of the A. L. Iles, Mr. Smith,
number of legal and other
in the Burtch wheat deal, are
in Burtch making
a voluntary petition in bankruptcy
Tyson & Co., of Deer—Lea, with
other

the considerable industry
that represent legal
do not under any agreement
of the interests
that might not be the
not, but naturally as we are on
that a suit will be brought,
exercise of the
the A. L. Iles, that
that the matter will be
done justice.

More to the point of
are this very
prejudice.

What Hattaway thinks of it,
smallest
asked if there were

Mr. Smith, President
the question, 

is that the government should
the Burtch wheat deal, on
in the fall of
and the farmers and
compare their
on the small
of the silting
be operated.

We are interested
the government
the

life.

Double the Corn Crop.
(Promising Farmer.)

There is no doubt, as Mr. Bishop
in the South do not have sticks
of the Corn Exchange, J.

One stalk is a kill five or six
the corn on the cob.

I have had the same

idea, but I have
not that any one
