NOTES FROM CONGRESS SECTION

Interesting Items Concerning Doings in a Live Community.

Coneross, July 11.—Special: Blue Ridge school started this morning with the following teachers: Horace H. Duncan, Lavonia, Ga.; Miss Jessie Barker, Coneross, and Miss Hettie Derrick, Long Creek. Mr. Dunlap is boarding with G. F. Barker and Miss Derrick with Mr. and Mrs. Paul Gambrell, and Miss Barker goes to the school from her home. Quite a number of patrons attended the opening exercises this morning and were very much impressed with the opening, and believe our principal to be one who will build up the school and advance both the educational and moral interests of the community. We are indeed glad to have Mr. Duncan and Miss Derrick in our community.

Mr. and Mrs. Haynes were recent guests of relatives below Westminster. Wm. C. Hayes, of Greenville, taught a B. Y. P. U. institute at Coneross last week. Sixteen of our members took the examination, and are hoping that they made pass marks and will receive diplomas. We appreciate the opportunity of taking the course and feel that our B. Y. P. U. will be benefited through the members having taken it. Mr. Hays is teaching a course at Bethel Baptist church this week.

The Baracca and Philathea Sunday school classes have been contesting for the last few months. The contest ran very close—two in favor of the girls' class. The losing class were to entertain the winners. Miss Beulah Barker, teacher of the Baracca class, and Miss Cordye Alexander, assistant teacher, will entertain the Philathea class on Wednesday evening from 8 to 11.30, at the home of Miss Barker.

On the fourth of July, while a great many of our people were enjoying the picnic at the tunnel, about fifteen from here were picnicking at Russell's. Both crowds seemed to enjoy the holiday.

Earle's Murphree, of Westminster, was a recent spend-the-day guest at the home of Lem Duckworth, of Coneross. A. W. Nix, of Madison, is with his sister, Mrs. T. W. Byrd, of this community.

Everybody interested in the Coneross cemetery and church yard is urged to meet at the church Thursday at 7 a. m., ready for work, as it is planned to clean off the church grounds. Bring lunch and come prepared to stay until the work is completed.

Misses Ruth and Clara Edmonds and mother, of York, this State, returned home Tuesday, after spending a few days with Miss Minnie Vaughan. They were accompanied by their friend, Mr. Turner, of York.

The Y. W. A. held their regular meeting at the church Friday afternoon, and during the business period Mrs. Frank Montgomery, formerly Miss Jane Hunsinger, was asked to step behind the curtains where she would find the collection basket to pass around for collection. On raising the curtains she beheld a table, on which were numbers of useful and pretty articles, which had been placed

there by the Y. W. A. members and other friends for the young bride, a member of the Y. W. A. On seeing this she became more interested in this than the collection basket, and the basket was never passed. After the presents were examined by the members, the meeting was dismissed.

The Sunday school is urged to meet promptly at 10 a. m. each Sunday for Sunday school services, and on next Sunday at 11 a. m. Rev. W. J. Langston will preach. We always welcome everybody at all of our services.

Miss Ora Arve, of this community, will open school at Flat Shoals next Monday. Miss Eva Manning, of near here, will be her assistant.

Will Viola Rothell returned to her home in Toccoa, Ga., Friday, after spending several days here with Miss Ora Arve and Miss Cordye Alexander.

Mrs. S. M. Hunsinger is spending a few weeks with her daughter, Mrs. Paul Gillison, of the Bounty Land section.

Little Miss Louise White, of Greenville, is spending this week with her cousins, Miss Clara Duckworth and Ophelia Haynes, of this community. J. D. Abbott and daughters, Misses Nina and Lena, were recent guests of the latter's grandmother, Mrs. W. Z. Blanchett, of Rocky Knoll.

Death of Ten-Year-Old Boy.

Earle's Grove, July 9.—Special: Little Henry B., the 10-year-old son of Mr. and Mrs. H. B. Richardson, died July 2d, after an illness of only a few days. All was done that loving hands could do, but God knew best and called him home to live with Him. The remains were laid to rest in the Earle's Grove cemetery on Sunday at 11 o'clock, the funeral services being conducted by Rev. W. W. Davidson. Little Henry B. will be greatly missed in the community, for he had many friends and playmates. The funeral was largely attended and the floral offerings were beautiful and profuse. There are many who will join with us in extending to the bereaved ones the deepest sympathy in their sorrow.

THE GRAND JURY PRESENTMENT

Recommend that Judges Put Some Teeth in Sentences.

The State of South Carolina, County of Oconee.

To His Honor Geo. E. Prince, Presiding Judge:

As grand jury for Oconee county, S. C., we beg to submit that we have passed upon all bills that have been handed out to us at this term by the Solicitor.

We have, by committee, visited and carefully inspected the county jail, and desire to report that we find same in very bad condition so far as the security of the prisoners is concerned. It is reported to us that several escapes have been effected lately and that it is now necessary to maintain a guard about the building to prevent further jail-breaking. We recommend, therefore, that the County Supervisor and the county delegation at once get together upon some plan either for the installation of secure steel cells or for some other method of making the prisoners secure against escape, as seems most feasible to them.

We have visited the county poor farm and find same in good condition, and the nineteen inmates well cared for and apparently as well satisfied as their situation will permit.

We find the county chain gang also in good condition and desire to commend the Supervisor for his excellent management of same. On account of the fact that the roads of the county can apparently be worked and kept up more economically by the use of modern road machinery than by using mules in the old way, we recommend that the Supervisor, as soon as he shall deem practicable and in the best interest of the county, dispose of the livestock which is now connected with the chain gang, and also all surplus machinery and equipment for which he has no use under the present system of road work.

It has been called to our attention that some of our citizens along the public highways are violating the laws with respect to filling ditches and waterways along the public roads and turning water into the highways, and in other ways. We commend the Supervisor for publishing the highway laws and urge every citizen to acquaint himself with the regulations on this subject and aid the Supervisor in the conduct of his work for the upbuilding of the county.

We find all of the county offices well kept and in good shape. We desire to recommend, if we may be permitted to do so, that the Circuit Judges impose more severe sentences on Oconee county for the infraction of the criminal laws of this State. We respectfully call attention to the sentences of this Court at this term for violation of prohibition laws, the sentences imposed in many cases being hardly sufficient to defray the costs of arrest, and, in our judgment, in no case sufficient to make an example of the offender for the deterrence of others.

We thank the Court and officials for courtesies extended us during the performance of our duties, and ask to be excused from further attendance upon the Court at this term. Respectfully submitted,

Arthur Brown, Foreman.

Walhalla, S. C., July 6th, 1921.

I hereby certify that the above is a true copy of the grand jury presentment, July term, 1921.

W. J. Schroder, Clerk of Court for Oconee County.

July 7th, 1921.

sentenced to five years on public works of county; John Edmonds to one year on public works of county, at such labor as he may be able to perform; Bright Golden sentenced to one year on public works of county. Each of the sentences carries with it the stipulation of "hard labor" and has the alternative of the penitentiary, except the one instance of John Edmonds, where other provision is noted.

Attorneys for Matthew Sheriff gave notice of intention to appeal, and the defendant was ordered to be released pending decision of higher court on furnishing bond in the sum of \$1,500.

Webster Tribble was granted bail in the sum of \$500.

UPS AND DOWNS IN BASE BALL.

Walhalla Team Has Successes and Failures—Lost to Westminster.

Walhalla easily defeated Seneca in an interesting game on the Seneca diamond, July 5th, the score being 15 to 4. "Fee" Fayonsky struck out twelve men and allowed only six scattered hits. Smithson and Miller played star ball in the infield for Walhalla, while heavy stick work done by the entire Walhalla team was brilliant. The line-up for Walhalla was: Smithson, 2b.; Fayonsky, p.; Miller, ss.; Rice, c.; Hughes, 3b.; Strother, r. f.; Macaulay, c. f.; Nelson, l. f.; Terrell, 1b. Batteries: Walhalla, Fayonsky and Rice; Seneca, Mann, Gilliard, Harper.

Took Game from Clemson.

Walhalla defeated Clemson College Summer School last Friday in one of the best games seen on the Walhalla diamond in many a day. The game was a pitchers' duel between Rhem, of Clemson, and "Bun" Jamison, of Walhalla. The features of the game, aside from the pitching, were a tremendous wallop delivered by "Race Horse" Strother, the speed demon reaching third on the hit, which sent the ball to far right field, and the fielding of "Sammy" Smithson around second base, which was really spectacular, while Bob Macaulay played center field "a la Cobb." The game was won in the sixth, when "Fee" Fayonsky singled, stole both second and third and came home with the winning run on "Gyp" Rice's single. The line-up for this game was:

Clemson—Skelton, ss.; Jenkins, 2b.; Kirkly, 1b.; Poe, c.; Fady, r. f.; Rhem, p.; Wilbanks, l. f.; Carmichael, 3b.; Long, c. f.

Walhalla—Smithson, 2b.; Fayonsky, 3b.; Rice, c.; Jamison, p.; Strother, l. f.; Hughes, ss.; Macaulay, c. f.; Hetrick, r. f.; Terrell, 1b.

Summary—Two-base hits, Kirkly; 3-base hits, Wilbanks, Strother; stolen bases, Fayonsky 3, Kirkly, Shelton, Smithson; struck out, by Jamison 7, by Rhem 5.

Dropped Car y at Westminster.

Walhalla showed a complete reversal of form from which the team has been showing for the past week and Westminster romped home with an easy victory—14 to 1.

Frank Jamison, twirling for Walhalla, pitched a beautiful game up to the fourth, Westminster having failed to cross the plate. But, due to several bad errors and a few hits, five runs were registered by the "Ministers," and this took the pep out of the Walhalla team. McLeod, for Westminster, pitched a steady game. "Bun" Jamison and "Fee" Fayonsky played well in the field for Walhalla. Morgan and Hull, for Westminster, also played good ball.
