

LOCAL ITEMS.

There are eight prisoners now confined in the jail at this place.

Cotton is opening freely, and a good deal of it will soon be on the market.

The first bale of new cotton sold at Honca Path, the 8th inst., brought 17 1/2 cents per pound.

Capt. Thornley carried our County Treasurer to the Poor House the other day. Consistent unnecessary.

Preaching.—We are requested to state that Ed. W. B. Singleton will preach at Mountain Grove church on the fourth Sabbath and Saturday before at the usual hour of preaching.

PROTRACTED MEETING.—Rev. J. Q. Stockman will commence a protracted meeting in the Methodist church at this place to night, which is to continue to and include Sunday next.

No Excursion.—In consequence of not being able to obtain a train, R. E. Holcombe and Wm. Meredith will not run an excursion train, to Tobacco City, on Saturday next, as announced in our last week's issue.

DIED.—Mr. John Gilstrap, for many years a citizen of Pickensville, in this county, died at his residence in Milton county, Ga., on the 22nd ult. Mr. Gilstrap has many relatives and friends in this county to mourn his death. We tender his grief-stricken family our heart-felt sympathies.

THAS. W. RUSSELL.—We call the attention of our readers to the new advertisement of this enterprising merchant in this issue. Mr. Russell is one of the rising merchants of the up-country. He knows the value of printers ink, and does not hesitate to use it. When you go to Easley, do not consider that you have done your duty until you have called upon him.

Adam Gayton, John Nowel, and Williams, all colored, were committed to jail on Sunday last, by Trial Justice Clayton, for stealing hats, over coats, etc., at the colored Camp-meeting, which was at that time in progress, six miles South of this place. They were tried on Monday, at this place—Nowel and Williams were acquitted, Gayton was convicted, and sentenced to pay a fine of twenty-five dollars and costs, or go to jail for thirty days. He made arrangements to pay up and went on his way rejoicing.

REVIVAL MEETINGS.—At a rival meeting at Antioch, Baptist church, commencing on Friday before the 1st Sunday and closing on the 2d Sunday in last month, twenty were received into the church by baptism. The meeting was conducted by Revs. G. W. Singleton, Reed and Tolleson.

At Easley, Baptist church, during a protracted meeting of several days, seventeen were added to the church. The meeting was conducted by Revs. Lamar, Hudson and G. W. Singleton.

COMMITTED.—Jim Smith and John Rother were committed to jail at this place on last Thursday night, charged with the horrible crime of placing an obstruction on the Air Line Railroad, near Central Station on the 24th of last July, and throwing a passenger train off the track, with the intention of committing murder. Thos. Clasp was also committed as a witness. Rother has made a confession, but we forbear comment upon it, as the whole matter is to undergo judicial investigation. Capt. Alley, by the assistance of a French gentleman of African persuasions, worked up the case.

SALE OF VALUABLE LOTS.—We call the attention of our readers to the notice of sale of valuable lots at Liberty, a new station on the Air Line Railroad, in this county. The lots are level, and beautiful building sites. The surrounding country is filled up with the most thrifty and intelligent farmers in the county, and all in all, it is one of the most desirable places on the Air Line Railroad. Those desiring a healthy beautiful location on this great line of Railway, can not do better than at this place. We expect soon to see a flourishing town built up.

PERMANENT ENDOWMENT OF FURMAN UNIVERSITY.—It is proposed to endow Furman University in such a way as to extend free tuition to any of the youths of our State, provided the sum of two hundred thousand dollars is secured by January, 1876. Twenty-six thousand dollars remain to be secured, and Rev. Mr. Therrell, agent of the University, is in our midst. We trust that he may receive the hearty support of all of our people, irrespective of denomination, to the amount of five thousand dollars, at least. The cause of education is one that should be liberally responded to. We shall be proud to acknowledge that Pickens rises higher than sect in this glorious work. Let us support all the Universities and schools of learning, whose principles are so high, whose curriculum is so generous, and whose faculty so noble as that of Furman University.

Mr. Therrell has begun his canvass of this county, and we are glad to learn, with encouraging success. Make up your mind for a liberal response by the time he visits you. The tuition will be free from the 1st of January, 1876.

Rev. Edwin A. Bolles, District Superintendent of the American Bible Society, preached a very able and effective sermon in the Methodist Church at this place on last Sunday, at the third anniversary meeting of the Pickens County Bible Society. Mr. Bolles is a veteran and patriot in the Bible cause, and should have the cordial co-operation and support of every community in the State. We trust our people will become more active in the Bible cause in this county, and that every denomination will give the Society at this place, all the help and encouragement possible.

We are requested to give notice to the following churches, to-wit: Shady Grove, Mountain Grove, Secona and Six Mile, that they are respectfully requested to send the eldership of their respective churches to assist in establishing a new church at C. L. Parrott's school house, on Saturday before the first Sunday in October. The following ministers are also called: W. B. Singleton, F. W. Tolleson, G. W. Singleton and C. L. Parrott, with other ministering brethren.

NEW COTTON.—We notice the arrival in town, of the first bale of cotton of the season, raised by Mr. Keith Durham, of this county. It was bought by Messrs. Hagood & Alexander at 15 cents per pound. Mr. Durham received a premium of \$10 from these gentlemen. Hurrah for Durham.

We were glad to meet Mr. James Lewis in town yesterday, who is just recovering from a severe attack of fever.

Rev. A. W. Walker, who is well known to many of our citizens, is now in our midst.

A California hunter who went ten miles to where game was plenty, and then found that he had brought a box of pills instead of percussion caps, returned home in disgust.

NEW ADVERTISEMENTS.

Do You Want Health?

Why Will Ye Die?—Death, or what is worse, is the inevitable result of continued suspension of the menstrual flow. It is a condition which should not be trifled with. Immediate relief is the only safeguard against constitutional ruin. In all cases of suppression, suspension or other irregularity of the 'courses,' Dr. J. Bradford's Female Regulator is the only sure remedy. It acts by giving tone to the nervous centres, improving the blood and determining directly to the organs of menstruation. It is a legitimate prescription, and the most intelligent Doctors use it. Prepared by J. H. Bradford, druggist, Atlanta, Ga., \$1.50 per bottle, and sold by respectable druggists everywhere.

Boon to Suffering Females. LeGrange, Ga., March 29, 1870. Bradford & Co., Atlanta, Ga.—Dear Sirs:—I take pleasure in stating that I have used for the last twenty years the medicine you are putting up, known as Dr. Bradford's Female Regulator, and consider it the best combination ever gotten together for the diseases for which it is recommended. I have been familiar with the preparation both as a practitioner of medicine and in domestic practice, and can honestly say that I consider it a boon to suffering females, and can but hope that every lady in our land, who may be suffering in any way peculiar to their sex, may be able to procure a bottle, and their sufferings may not only be relieved, but they may be restored to health and strength. With my kindest regards, I am very respectfully, W. B. FERRELL, M. D.

NEW ADVERTISEMENTS.

NEW LONDON, CONN. Manufacturers of Cotton Gins, Cotton Gin Feeders, Condensers and Cotton Gin Materials of every description.

Our Gins have been in use thirty years, and have an established reputation for simplicity, light running, durability, and for quality and quantity of lint produced. Our Feeder is easily attached to the Gin, and easily operated by any hand of ordinary intelligence. They are the simplest and cheapest Feeder in the market and feed with more regularity than is possible by hand, increasing the output and giving a cleaner and better sample. At all fairs where exhibited and by Planters having them in use, they have been accorded the highest encomiums. Our Condensers are well made, durable and simple in construction, and do what is required of them rapidly and well. No additional power is required to drive the Feeder or Condenser, and no Gin House is complete without them. We are prepared to warrant, to any reasonable extent, perfect satisfaction to every purchaser. Circulars, prices and full information furnished. Address as above, or apply to Julius C. Smith, Greenville S. C.

ALBERTSON'S SEGMENT SCREW cotton press.

NEW ADVERTISEMENTS.

BOOK AGENTS wanted to sell "The People's Common Sense Medical Adviser." It is the cheapest book ever published: 885 pages, over 250 illustrations, \$1.50. Thousands buy it at sight who could not be induced to purchase the high-priced books treating of Domestic Medicine. Unlike other books sold through agents this work is thoroughly advertised throughout North America. This fact, together with the large size, elegant appearance, and many new features of the book, causes it to sell more rapidly than any work ever published in this country. Those of my agents who have had experience in selling books, say that in all their previous canvassing they never met with such success or made so large wages, as since commencing the sale of my work. For terms and territory, address (inclosing two postage stamps and stating experience) R. V. Pierce, M. D., World's Dispensary, Buffalo, N. Y. Note.—Mark envelope "For Publishing Dept."
