**From Liberty.**  
It rains, and has rained more or less for the last five days. The ground is pretty thoroughly wet. Crops in the dry section are reported as appearing greatly refreshed. Just below us they have had eight weeks drought, in part of the section of the great hot storm.

Kind of a silly marriage in town again last night. The young folks of Liberty object to parties keeping so still about their marrying, as some of them would like to be on hand.

There is a joint stock company here preparing to build a gin and other machinery near the old Liberty spring. That leaves a fine opening for a like enterprise in town, as a stand in town is worth two in the country. Let the good work go on, the more the better, and the company that will have an eye to the money improved machinery will take the cake.

The county commissioners had better look after two bridges on Golden Creek. The underpinning has partly given away under the bridge on the Pickens road, and the one at the John Henderson's place, in the same fix, besides it has very rotten flooring.

Don't forget the Democratic Club meeting at this place next Saturday evening.

A protracted meeting commences at the Baptist church next Friday night, July 28, '90. Onsevuva.

Mr. E. O. Singleton and family, of the Tegal side of Keowee county, are on a visit to relatives here.

Road working is the order of the day. Mr. T. C. Martin, one of our County Commissioners, needed in this section to get out of the mud, and a small bridge across Rodgers' creek near John P. Smith's.

All of the public schools in this section are in full blast.

Rain! Rain enough for the present. Crops are excellent and promise a fine yield in the fall.

Mr. B. P. Kelley met with another accident the other day. While pulling his ox, he (the ox) shook his head to scare off the flies, and struck Mr. K. near the eye.

Prof. J. C. Garrett's singing school at Six Mile is progressing finely. It will close this week. Bon Jones.

All citizens of the town of Pickens who are interested in the future welfare of our town, are requested to meet at the office of J. P. Carey, Esq., next Friday at 8:30 p. m., to consult on a question of importance to every resident of the place.

C. W. EARLE, Intendant.  
Pickens, July 29, '90.

—On Sunday, the 20th inst., Mr. Chas. Carver was married to Miss Annie Alexander, Rev. D. H. Kennemore officiating. All of the Keowee side.

—The membership of the Alliance in this State is now over 40,000. Twenty-eight States are now organized with a membership of over three millions.

—At the residence of the uncle of the bride, Mr. A. M. Hamilton, of Liberty, on last Sunday, a wedding ceremony was performed by Rev. Wm. M. Boggs was married to Miss Lucetta E. Rodgers, Justice Stewart officiating.

—Rev. Mayes, of Princeton Seminary, preached a splendid sermon in the Presbyterian church here last Sabbath. He is a young man of unusual intelligence and promise, and the congregation was well pleased with his discourse.

—Pickens county farmers have better stock today than ever before. Horses and mules are trim, fat and sleek, and the crops have been well worked. This shows that our citizens know how to take care of their animals, and that there is more money in well kept horses than poor ones.

**A Mountain Party.**  
Last week our young folk organized a party for a trip to White Water Falls. The excursion was planned for the amusement and entertainment of our summer visitors. The party was composed of the following ladies and gentlemen:

Mrs. H. E. Harris, Clarksburg, W. Va., Misses Leila White, Anderson, S. C., Emily Evans, Spartanburg; Fannie Atkinson, Atlanta, Ga., Nell Harris, Charlottesville, Va., Lillie Hagood, Easley, Corrie Bruce, Pickens, Lillian Thornley, Pickens, Mary Verner, Walhalla, Hortense Mauldin, Pickens, Annie and Ora Hollingsworth, Pickens.

Messrs. Julian Bruce, Anderson, J. E. Hagood, Jr., Pickens, W. A. Folger, Becket Riley, Easley, Claude Alexander, John Thornley, Ralph Dargatz, Eugene Hollingsworth, Tom Joe Mauldin, Pickens, Lieut. Frank Mauldin, U. S. Army, and Jasper and Mat, bidders, hostlers, cooks and general roustabouts.

They started out on Wednesday and made the trip to Keowee the first day, and opened the ball at that place, and Mr. Fisher. (The rain commenced about the same time). The floor was waxed and some of the boys elongated themselves at all times. One arm was dislocated, but a fair surgeon soon banished all the pain.

The rain kept steadily falling, and the party remained at Fishers a day and two nights. On Friday morning they started for home. Creeks and rivers were not to be forded and no bridges to be found, so the party turned to find a crossing if they had to go to Savannah and find it. Friday night found them in Seneca, where they were made welcome by mine host of the Keowee Hotel, J. E. Duke.

The young folk of the town came in and a delightful impromptu ball was soon in progress. The party left Seneca Saturday and once more headed for the South, and found a bridge during the day and crossed over the river and made for home. They arrived in Pickens about 6 o'clock p. m., looking somewhat fagged out. All report a good time despite the continued wet weather which lasted throughout the trip. There were no mishaps or casualties except the wounds inflicted by the little god with golden arrows. Several of the party were hard hit.

All Democratic clubs are requested to meet on Saturday, August 24, to elect delegates to the County Convention, which meets at Pickens C. House on Monday, August 4th, 1890. Each club will be entitled to one delegate, and one additional delegate for every twenty-five enrolled members. By order of the Committee.

J. D. CURTIS, Sec.

**Notice, Executive Committee.**  
The County Executive Committee of the Democratic party will meet at the court house on August 4th, immediately after the adjournment of the county convention. All members are urged to be present.
